GENERAL ORDERS

No. 208.

I. The Commanding General announces with peculiar pride the intense satisfaction he feels in directing attention to the closer relations that are to be established between the U. C. V. and the U. S. C. V., and he is confident that this feeling unites the breast of every member of our beloved organization.

II. The Commanding General directs particular attention to the following report of the Special Committee who had this matter under consideration during the recent Reunion, which report was unanimously and enthusiastically adopted by the Convention:

"The committee appointed for the purpose of a conference between the United Confederate Veterans and United Sons of Confederate Veterans with a view to the closer association of the two organizations, having met and exchanged views, submit the following as their unanimous report:

"1. That there shall be appointed a standing committee of five members of the United Confederate Veterans and a like number from the United Sons of Confederate Veterans, to be selected by the respective Commanders-in-Chief, to be known as the Joint Committee on Co-operation between the Veterans and Sons; and it is recommended that the several Divisions appoint similar committees.

"2. That all Reunions of the United Confederate Veterans and United Sons of Confederate Veterans shall have the full privileges of the floor, but without the right to vote. That particularly at the opening or welcoming ceremonies the Sons shall be seated with the Veterans, and the Commander of the Sons shall respond to the address of welcome as well as the Commander of the United Confederate Veterans; and that the Veterans have similar privileges at all conventions of Sons. That Divisions of the United Confederate Veterans be authorized to extend similar courtesies to the Sons at all Division Reunions.

"3. That at all parades the Sons shall be the special escorts to the Veterans.

"4. That the Camps of the United Confederate Veterans shall be authorized to enroll in associate membership the Sons, giving them, for each Camp, such privileges of membership as such Camp may determine, provided, such a Son is a member of some duly organized Camp, belonging to the United Sons of Confederate Veterans.

"5. That the Sons be urged to uniform themselves in historic gray, but in so doing omit from such uniforms all decorations of military rank; and that they be urged in the designation of their officers to use no military titles.

"6. That the Camps and all officers of the United Confederate Veterans be earnestly recommended to assist in every possible manner in the organization and support of Camps of Sons; and that the Veterans see to it that in all Confederate gatherings and celebrations the Sons shall be given prominence. They are the heirs of and must, by association with the Veterans, be taught the glorious heritage that belongs to them.

"D. IRVINE WALKER,
Chairman for Committee of U. C. V."

III. That Commanding General wishes to urge with all the importance the matter merits that Division Commanders at once give this whole subject careful and immediate consideration, and that they take up the matter without delay, so that the orders contemplated in the notice of the Convention may be immediately effective.

IV. The Commanding General hereby appoints the following committee to represent the U. C. V.:
Lt. Col. Wm. L. Young, Commanding Division, Virginia Department, Chairman, Maj. Gen. Bennett H. Young, Commanding Kentucky Division, Brig. Gen. John A. White, Commanding First Brigade, Mississippi Division, Maj. Gen. Wm. W. French, Commanding Texas Division,
Private W. R. Harrison, of W. & A. Hardee Camp No. 30, Birmingham, Ala., Hon. Wm. McKim, Chairman, Commanding in Chief U. C. V., has named on behalf of the Sons, Commanding in Chief, Chairman, Brig. Gen. Wm. W. French, Fort Worth, Texas; H. L. White, Jackson, Miss.; A. S. Morgan, Charleston, W. Va.; W. M. Brown, Baton Rouge, La.

V. The Commanding General desires to express his appreciation to the members of the Joint Committee who have so ably assisted in the work of the Convention, and to the members of the several Divisions who have so generously and unselfishly contributed to the success of the Convention.

Witness my hand and the seal of the United Confederate Veterans at New Orleans, Louisiana, this 31st day of October, 1903.

General Commanding,
U. C. V.,
Adjutant General and Chief of Staff.

Swansboro Notes.

Nov. 11.—Mr. B. K. Hurst of Mayville, was in our place last Saturday, delivering fruit trees to our people. Mr. Hurst is now doing business in Mayville.

Mr. G. W. Bell is putting up a work shop in Swansboro to do all kinds of repair work on buggies, bicycles, cars, etc.

Master John Gibson of Loco, was our visitor last and this week. Johnny is our relation son of the late B. S. Gibson.

Mrs. B. C. Mattocks of Thurmas, is visiting Mrs. B. S. Gibson of Loco, this week.

Mrs. Rosa Montford and little son Willie, have gone to Ward's Mill on a visit to Dr. Montford and family.

Rev. B. H. Matthews is progressing in his high school here. "Swansboro Institute" has a nice bell now attached to the building and has about forty pupils so far.

Capt. Josephus Emth and son Samuel, of Bogus, was here last Tuesday buying a load of lumber. They came in their sharpie, Boatie.

Schooner Myra W. Spears, D. J. Lewis, master, is in port now loading with lumber from the saw mill here. The Spears is a large three masted, hailing from Somers Pt. N. J., and bound to Patcher's Point. She carries 170,000 feet.

Rev. L. N. Henderson of Hubert, was busy repairing his mill and cotton gin works last week, also his saw mill fixtures. Mr. W. J. Montfort was the chief loss of the work.

Only about a dozen drummers lately, we notice the clever and genial good-looking face of Mr. Joseph Fullert of your city among them.
Fishing with hook and line outside now, is good sport as well as good profit. Mr. D. G. Ward Jr., with two others, caught some 300 gray trout, last Monday. They sell for 25c. per pound, fresh. The same crew caught something near 2,000 mullets with nets in the last few days inside. These sell for 2c. per lb. fresh, the mullets are mostly small size, from 1 1/2 to 1 1/4 inch size.

We are sorry to note the sickness of Mrs. K. N. Bell of Cedar Point again, he has been very poorly for some time, we trust she will soon recover.

We hear conflicting stories concerning the sad death of W. W. Weeks of Bogus, mentioned last week in the Journal.

Our new Doctors, Whitty and Watson have just completed almost a miracle in the way of curing ailments in horses. Mr. D. G. Ward had one of his horses crippled so badly that Mr. Ward wanted someone to kill him, offered to take \$20 for the horse, a horse worth \$100, but the accident of least \$150, but these medicines came along just in time to save the horse's life also Mr. Ward's \$20. They just looked the horse over, gave him their "Magic Wand" and breathed into his nostrils the breath of new life and in 24 hours after, Mr. Ward refused \$100 for him, fortunately, no bones were broken, but suppose that would make no difference with these inspired horse doctors. If you have a horse sick, call on Drs. Watson and Whitty, charges moderate.

Tell Aunt Sarah she had better hurry, those hunting hours of hers off soon, or Dave Ward and Frank Peckham will kill all the squirrels.
Uncle Jim.
