## WHAT IS CATARRH?

*Hyomei Cures this Common and Disagreeable Disease.*

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of catarrhal pneumonia, heals and soothes the irritated mucous membranes, enters the blood with the oxygen and kills the germs present, thus effectually driving the disease from the system.

The complete Hyomei outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomei can be obtained for 50c.

If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs.

Difficulty in breathing, frequent sneezing, if Hyomei will destroy activity of all catarrhal germs in the respiratory organs and in a few weeks the cure will be complete.

This is a strong statement, but F. S. Duffy emphatically affirms by agreeing to refund your money if Hyomei does not cure.

### YOUR MONEY RETURNED

If Hyomei does not cure you of Catarrh, says F. S. Duffy.

In advertising that they will refund the money to any one purchasing a Hyomei outfit who can say that it has done them no good in the treatment of catarrh, F. S. Duffy means exactly what the guarantee says.

Of course the percentage of cure by Hyomei is nearly one hundred or else I would not afford to make this guarantee. But if the treatment should not be adapted to your case there will be no question of anything when you go in to get your money.

Trust the testimony of people in the

presence of germs in the air passages is now admitted by every physician. It stands to reason that catarrh cannot be cured unless these germs are first destroyed. The Hyomei treatment kills the catarrhal germs even in the minutest air cells, soothes and seals the irritated mucous membranes and makes complete and lasting cures in cases that have resisted the usual methods of treatment.

Catarrh cannot be cured by medicines administered through the stomach. Hyomei is the only natural method and it has made cures that seem miraculous.

The outfit costs but \$1.00 and consists of an inhaler which will last a lifetime and sufficient Hyomei for several weeks treatment. Additional bottles of Hyomei can be procured for 50c.

F. S. Duffy gives his personal guarantee with every Hyomei outfit. He sells to refund the money if it does not cure. There is no risk whatever to the purchaser of Hyomei.

### ONLY GUARANTEED CATARRH CURE

Hyomei Costs You Nothing if it Fails says F. S. Duffy.

Among the many medicines upon the market that claim to cure catarrh, none but Hyomei has enough faith in its own merit to be willing to refund the money if it does not cure.

This remarkable remedy for catarrh kills the microbes and the germs of the diseased and its introduction has been sold under a positive guarantee to return the money to all dissatisfied customers.

F. S. Duffy has sold a great many Hyomei outfits in the last few years, and he stands ready today to refund the price to any one who has not been helped by Hyomei.

The complete Hyomei outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomei can be obtained for 50c.

Resists Hyomei for a few minutes four times a day, and your catarrh will grow better from the first day's use and will be completely cured in a short time.

Do not try to cure catarrh with ordinary stomach medicines. Besides the heating Hyomei which goes to every part of the air passages and respiratory organs killing the catarrhal germs and preventing their growth.

It is the only one that will get you better when you get your money back from a local dealer. It costs but one

## A BROOKLYN BELLE THREATENED WITH CONSUMPTION.

### Pe-ru-na Promptly Saved Her Life.

Miss Alice O'Neil, 812 Adams street, Brooklyn, N. Y., writes:

"I cannot say too much in favor of Pe-ru-na. About a year ago I was completely worn out, had a serious cold and a hard cough which seemed to be in danger of affecting my lungs. If my system had been in a stronger condition it would have been much easier to throw off this cold, but I could not seem to get any relief until I took Pe-ru-na, and I must say that it did the work thoroughly. Within a week I could see a wonderful improvement, and I took Pe-ru-na four weeks and am in perfect health now."

ALICE O'NEIL.

Miss Alice O'Neil.

### WHAT PEOPLE SAY

About Pe-ru-na as a Remedy for All Diseases of Winter, Coughs, Colds and Catarrh.

That Pe-ru-na cures catarrh, coughs, colds, is well known to both the medical profession and the people generally. It is undoubtedly the most popular remedy for this class of diseases in existence. Read the following letters:

Pe-ru-na Cures a Cold at the Outset.

Miss E. M. Isaacs, Armstrong, Pa., Vice-President of the Fortnightly Club, writes:

"No one who has tried the comforts Pe-ru-na brings would ever be without it. I used to dread the slightest cold, as its consequences were so lengthy and so unpleasant, and the catarrhal condition which invariably followed so hard to get rid of, but since I have known of the blessed relief secured through the use of Pe-ru-na, I am free from all this unpleasantness and suffering."

"A few doses never fails to cure me of a cold and I keep well through its use."—Miss E. M. Isaacs.

Hon. W. J. Purman, ex-member of Congress from Florida, writes from 1428 Q street, N. W., Washington, D. C., as follows:

"From representations to me and my own experience I feel justified in recommending your Pe-ru-na to any and all persons suffering with catarrh, nervousness or stomach troubles. I regard it as a great tonic and remedy for such afflictions. I, and others to whom I recommended it, are using it now with beneficial results."—W. J. Purman.

If you do not derive prompt and satisfactory results from the use of Pe-ru-na write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
