## COMMUNICATION FROM F. S. DUFFY

Offer to Refund Money if Hyomel Does Not Cure Cataract.

To the Editor of the Journal.

I have been asked recently if the advertisements printed in your columns regarding Hyomel were true, where I offer to refund the money if this treatment does not cure cataract and cataract deafness. I wish you would please print this letter in as conspicuous a place as possible in your paper, saying that we absolutely agree to refund the money to any purchaser of a Hyomel outfit if it does not cure cataract.

This outfit consists of an inhaler of a convenient size to be carried in the vest pocket so that the user can breathe Hyomel four or five times daily. With this is included a medicine dropper and a bottle of Hyomel. The outfit costs \$1.50 and is a most economical treatment, for the inhaler lasts a lifetime and there is enough Hyomel for several weeks use, while extra bottles can be obtained for 50c.

I trust this letter will settle any doubts that may have arisen as to my willingness to refund the money for a Hyomel outfit in case the purchaser is not perfectly satisfied.

I wish to say emphatically that my guarantee on Hyomel holds good, and I will refund the money to any dissatisfied purchaser who simply states that he has used the treatment according to directions and has not been helped.

Respectfully yours,  
F. S. DUFFY.

## A Stitch in Time Saves Nine.

It is not too soon to be thinking about good things to eat for the coming holiday season. So in your dreams do not leave out the golden apple grown in the Honey South.

My oranges are the best in color and quality, grown from selected stock, they were a special opportunity over seedlings, making an "uncommon" discovery in the line of the most delicious quality, sweet, fragrant and of that exquisite orange flavor, so delightfully tempting to the taste, and so refreshing to the palate. Remember that my prices will be lower than any other, and my oranges are the best you will find anywhere. Call on me for more information.

## SNOW AT RALEIGH.

Rev. Tom Dixon Writing a New Novel.

Slow Funds For St. Louis Exhibit. State Charter Granted. Rural Public Libraries Cancellation State Bonds.

RALEIGH, Dec. 9.—Among today's arrivals was Col Theodore F. Davidson of Asheville, who is prominent as one of the four announced candidates for the democratic nomination for governor.

Among today's arrivals was Rev Tom Dixon of New York, who was here to attend the meeting of his Turpentine Co which expects to control that trade in the south. He says he is dramatizing his novel, "The Leopard Spots" and expects to complete it by January 1st. It will be first presented somewhere in the south, probably at Atlanta, New Orleans, Louisville, and will not go to New York by sea until it is running smoothly. He says he is also writing a new novel, "The Clansman" based on the North Carolina Kluxers, though it will cover that great order all over the south, and will tell of its rise, triumph and disbandment. He says it will be a year before he finishes this book unless he works very hard, as he will have to carefully read at least 200 books of which he has fifty now on hand.

The first snow storm of the winter set in at 9 o'clock this morning, and in an hour the ground was covered to the depth of an inch or more, with all the signs of a heavy fall. The farmers who have sown small grain are well pleased with the snow, which will do much benefit. Practically all the cotton has been picked.

Some more funds are coming in from private corporations and individuals for this State's exhibit at St. Louis. It is said that between \$5,000 and \$4,000 more is needed.

A little bit later there will be a cancellation of State bonds, the treasurer finding that system better than the burning of bonds, as sometimes all the bonds are not burned.

A charter is granted to J. K. Morrison and Sons of Statesville, wholesale grocers and dealers in real estate with \$100,000 capital stock.

The State Superintendent is delighted at the news that Whitler township in Swain county has voted to erect a school for its public school. It recently secured funds for a new school building and this gave a stimulus to public education there. It read that more township will vote the tax.

The county superintendent of Jackson county writes that he has recently established the 13th rural public library there, getting the money without aid from the State.

The August bulletin of the State Agricultural department has appeared. It is a usual devoted entirely to improved live-stock in North Carolina and commissioner of agriculture Patterson said it makes by far the best showing yet made in that direction. It is much pleased at the development which the bulletin shows along this line.

Hon Charles H. Steiman of Greensboro is here on legal business. Capt R. B. Glean is also in Raleigh and is counting Col. Davidson, there are three of the gubernatorial aspirants here, all of them very popular gentlemen and devoted North Carolinians.

## CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is a very much overlooked. The poor patient, and the rich patient, too, can do much better at home by proper attention to food, digestion, and a regular use of German Syrup. Free exportation in the morning is made certain by German Syrup, so a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 5c, regular size, 75c. F. B. Duffy.

## SWANBORO Notes.

December 9.

Rev. W. A. Jenkins was returned to this circuit, Onslow, from the Conference of the M. E. Church South held in Goldsboro lately, and presided for us here last Sunday night. We suppose the majority of his members are well pleased at Bro. Jenkins return.

Mr. J. J. Moore our lively man, returned from an extended trip of three weeks last Saturday. He had been in several towns north and east buying Christmas goods.

Yes, Xmas is coming, and with it the usual festivities here will be given. Two Xmas trees, one in each of the two churches used, Baptists and Methodist, and so on.

Xmas Eve night, the other Xmas night we believe, Misses Polly Yarden Matlocks, Frederick Hallett Rogers, Pearl Sunshine Ward, Ross Lee Davis and some two or three others of our pretty little girls, are, we hear, going to have a voting booth, that is, a voting box will be one of the pleasant Xmas doings, for the purpose of seeing who the prettiest girls, and those men of our candidates we hear. We suppose these will be prizes attached, as in all other of same kind. Also a vote for the Ugliest Man, with a cash prize of \$5.00, and we hear some of the candidates will be named as follows, J. E. Watson, G. Ward, Elijah Pinner, Capt Jim Smith, Geo. Littleton, M. Russell, Nash Dennis, John Pittman, Claude Frazelle and one or two others, a live time is expected, come and participate. We forgot Bryan Hattell and Dr. Blount, not Nelson, are candidates also.

The little mullets are gone somewhere so it seems, only a few thousands caught in the last day or two and these are not much larger than your long finger, they are being offered for 50c per barrel and even less, and being thrown away by the thousands. Looks like a ploy to destroy these little fish; but we guess there is no law for it; we think there ought to be a law for no nets or seines to be less than 1 1/2 inch mesh, now they have them 1 inch and even less than that.

Our County court convened last Monday at Jacksonville, and only one of our citizens attended, D. J. Moore a juror.

Mr. Tim Woodhull went to New Bern last Friday returning Sunday afternoon.

Mr. L. O. Holland of Cedar Point, has sold or rented out his farm and business and gone to Georgia to live so we learn.

Mr. K. N. Bell of Cedar Point is better than he has been of late, but keeps very poorly all the time, his principal ailment now, is rheumatism.

Mr. L. B. Knott of Cedar Point is county superintendent of education now for Carteret county in place of Mr. Joseph Pigott of Stratts for several years.

Mr. J. M. Jones received a lot of very fine pineapples from Mr. D. H. Ward of Punta Gorda, Fla. they were large and nice and raised on the farm of Mr. Ward near Punta Gorda.

Hor. killing is one of the varieties of work with the farmers now. Messrs J. A. Pittman, G. W. Smith, D. H. Russell, Needham Whitty, W. E. Morton, D. G. Ward, and others are among those who have killed.

The mother of Rev. Edwards has been right sick but is better at this writing.

Kathleen, the little one year old child of Mrs. J. M. Jones has been right sick with sore neck, supposed at first to be sore throat and serious, but turned out to be only a slight case of sickness.

Mr. G. W. Ward is on his legs once more and says he is going to leave the old Tarheel State soon for the land of flowers.

Mr. C. Pittman went to New Bern last Monday on business returning Wednesday.

YOU KNOW WHAT YOU ARE TAKING When you take Grove's Tasselene (Chill Tonic), because the formula is plainly printed on every bottle showing that it is simply iron and quinine in a tasteful form. No other—no pay. Price 50c.
