### Threatened With Bright's Disease -- Pe-ru-na Restored Him to Health.

O. FRED LINDSTROM. PAST GRAND MASTER I. O. O. F. O. Fred Lindstrom, Past Grand Master to give it unlimited praise."—O. Fred Lindstrom.

Independent Order of Odd Fellows, Past
Chancellor Twin City Lodge, No. 63,
Knights of Pythias, also Past Chief Patriarch, Ridgely Encampment, No. 22, writes
from 1923 University Ave, St. Paul, Minn.

"Peruna has my hearty endorsement.
There is no medicine I know of which
can compare with it. I contracted a
severe cold several years ago, which
from neglect developed into urinary
trouble, and threatened Bright's disease.
As one of my friends was cured of
Bright's disease through the use of Peruna I though I would try it also, and
used it faithfully for three and one-half
months, when my health was perfect
once more. I have never had any trouble
since, and therefore think it is but just

to give it unlimited praise."—O. Free
Lindstrom.

Catarrhal inflammation of the mucous
lining of the kidneys, also called
"Bright's disease," maybe either acute
or chronic. The acute form produces
symptoms of such prominence that the
serious nature of the disease is at once
suspected; but the chronic variety may
come on so gradually and insidiously
that its presence is not suspected until
after it has fastened itself thoroughly
upon its victim.

At the appearance of the first symptom Peruna should be taken. This remedy strikes at once at the very root of
the disease.
