

YOU buy coffee by the pound, but that is not the true way to reckon its cost. That is not the real way in which you pay for it. You pay for it by the liquid measure of the coffee pot. To secure proper strength, it may take twice as much of one kind as of another. Coffees vary. Thus, a pound of Chase & Sanborn's Seal Brand has a beverage-producing value equal to two or three pounds of ordinary coffee. This makes it the cheapest coffee in the world.

In a 5 lb. and a 10 lb. Tin (see in-right).
Other high grades in richly-colored parchment bags (moisture proof).

Also their 20c Coffee. The Finest on earth for the money. Both for sale by

Hackburn.

HURT BY HAND CAR.

Samuel Trott fell off from one and Received Serious Injuries.

Sam Trott, a white man, was seriously injured on the Atlantic Coast Line Railway Thursday night.

He was riding on a hand car beyond Pollockville when something happened to cause him to fall off the forward end of the car. When he fell he grabbed hold of another man who fell with him. The wheel passed over them both, but Mr Trott was the only one injured.

Trott's injuries amounted to a fractured skull, a broken nose, badly bruised eyes and other wounds on the head and body which make his condition very critical.

The injured man was brought to this city on the passenger train Thursday night and taken to the Marine hospital where Drs. Charles and Francis Duffy gave surgical treatment. He was reported yesterday as being as comfortable as the nature of his injuries would permit.

HALF OUR ILLS ARE CATARRHAL IN NATURE.

Catarrhal Diseases are Most Prevalent in Winter.

IS THERE NO WAY OF ESCAPE FROM THEM?

Pe-ru-na Never Fails to Cure Catarrh Wherever Located.

There are some things which are as sure as fate, and can be relied on to occur to at least one-half of the human family unless means are taken to prevent.

First, the climate of winter is sure to bring colds.

Second, colds not promptly cured are sure to cause catarrh.

Third, catarrh improperly treated is sure to make life short and miserable.

Catarrh spares no organ or function of the body. It is capable of destroying sight, taste, smell, hearing, digestion, secretion, assimilation and excretion.

It pervades every part of the human body, head, throat, stomach, bowels, bronchial tubes, lungs, liver, kidneys, bladder and other pelvic organs.

That Peruna cures catarrh wherever located is attested by the following testimonials sent entirely unsolicited to Dr. Hartman by grateful men and women who have been cured by Peruna:

Systemic Catarrh.

Mrs. M. K. Bousch, Richmond, Va., writes: "I had catarrh all through my system for two years and could get no relief. I was advised to try Peruna and I have taken five bottles of it and am well and better now than I have been for years. I can advise any one who has catarrh of any part of the body to take Peruna. My little girl who is eleven years old had catarrh, but was cured by Peruna. Before I began to take Peruna I was sick all the time, but now I am entirely cured, and all praise to the Peruna."—Mrs. M. K. Bousch.

Catarrh of the Nose.

Mr. Herman Ehke, 929 Orchard street, Milwaukee, Wis., writes: "I am entirely cured of my catarrh of the nose by Peruna. My case was a severe one."—Herman Ehke.

Catarrh of the Throat.

B. H. Runyan, Salesville, O., writes: "I suffered with catarrh of the throat for five years. I was induced to try Peruna. I have used five bottles and am perfectly well."—B. H. Runyan.

Catarrh of the Ear.

Mr. Archie Godin, 128 Beech street, Pittsburg, Mass., writes: "Peruna has cured me of catarrh of the middle ear. I feel better than I have for several years."—Archie Godin.

Catarrh of the Lungs.

Mrs. Emilie Kirchhoff, Ada, Minn., writes: "Through a violent cold contracted last winter, I became afflicted with catarrh of the nose, which in a short time affected my lungs. I took Peruna which cured me thoroughly. I now feel better than I have for forty years."—Mrs. Emilie Kirchhoff.

Catarrh of the Bladder.

Mr. John Smith, 811 S. Third street, Atchison, Kan., writes: "I was troubled with catarrh of the urethra and bladder for two years. At the time I wrote to you I was under the care of my home doctor, and had been for four months."

"I followed your directions but two months, and can say Peruna cured me of that trouble."—John Smith.

Catarrh of the Head.

Mr. D. B. Ramsey writes in a recent letter from Pine Bluff, Ark., the following: "My son, Leon Ramsey, four years of age, suffered with catarrh of the head for eighteen or twenty months. He took one bottle of your Peruna and could hear as good as ever."—D. B. Ramsey.
