Competitive Examination.

2

President Roosevelt, in his annual measage, stated that for the last fiscal year there has been 25,568 persons appointed through competitive examinations under Civil Service rules. This was 12,073 more than for any previous year, and forty per cent of all who pass-ed the examinations. There will be a Post Office examination in this city the first Wednesday or Saturday after May 1. There will be examinations in several places in this state for Rallway Mail Clerks, Stenographers, and many other positions during March and April The Columbian Correspondence College of Washington, D C; has issued an annonnoement giving the dates and places for holding examinations, education re-quired, and full information [about the various positions in the Government Civil Bervice, and it will be sent free to all who write for it.
