THE NEWS IN A RUTSHELL.

The Republican editors of Missouri in convention adopted a resolution con-gratulating President Reconveit on his patrictic, consistent attitude with re-gard to the recognition of the republished of Panama, and that the republished press of Missouri is a unit for ida rendomination at Chicago next June.

Work began last week on the Sister of Charity Hospital at Gresssboro which is to cost at lasst \$100,000, and it is expected to be completed by sarly

The first rains of the season tell over portions of southern California. At Santa Barbara the storm lasted three hours and the streets were flooded. The weather indications point to more rain. At Ventura, where there has been no rain since last May, quite a heavy presipitation occurred. The storm was quite general over central and northen California.

At Puerto Plate, Santo Domingo, af At Puerto Plats, Santo Domingo, af-ter severe lightning General Limans has recaptured the city from the rebels, the latter being compelled to deliver their arms and disband. The American and British commanders have landed a strong force to preserve order.

in pursuit of the robbers who tried to wrock a train on the Louisville and Mashville Railroad by placing ties upon

There is a new Russian law compell-ing the owners of factories and mines to pay compensation for work men injured by conidents: As a death through in. juries, the widow and orphans are to re-ceive an annuity equal to the wages for 250 days, while the actual working days per year are only 220.

The buildings of the Oxford Female Seminary were entirely consumed by fire Monday. There was no socident to anyone. The girls were at breakfast when the fire was discovered. The school was just opening the most prosperous year of its existence.

Today was one of the coidest of the winter. The temperature by thermometers in the ground being 12 degrees, the official figure being 14 degrees. The postmaster here was today formed of the establishment of thirtsen alnary were entirely consumed by

The United States continues to be the chief objective point of Italian immigration, the number of emigrants going there in 1908 reaching a total of nearly 351,000.
