"Sept a Rumba."

The Elizabeth City Economist tells the following good story:

"One of Elizabeth City's local attorneys has just returned from a visit to an adjacent county and relates several amusing incidents that came under his observation. Among them was that of a sheriff who had a warrant to serve on a party, and while the attorney was in the court house the sheriff made his return on the warrant. Written on the back of the paper on the side, 'while he was running and said, 'did you and say go to—' and kept a rumba.' The attorney vouches for the truthfulness of the above story and will be glad to relate it and many other interesting reminiscences upon application."

HAIRINE MAKES HAIR GROW

SECRET OF FAMOUS CHEMIST—GREATEST DISCOVERY OF THE AGE

Some thirty years ago a Yankee chemist accidentally combined a German and a French formula for preparing a hair tonic, both of which had been used, successfully, for many years, and by taking the best of each formula, he compounded a hair tonic far superior to either the German or the French tonic. For a long time he had been manufacturing this wonderful Hair Growing Tonic, selling it at his own drug store and under his own name. Many of New York's wealthiest citizens have purchased it at a high price and their voluntary testimonials as to the merits of its hair-growing and scalp-cleansing qualities are now on file at his office. Refraining from him so that he was compelled to raise money, and for quite a consideration he sold the formula to the BEAL-STREIT CO.

What Hairine Will Do
Makes the Hair Grow.
Stops the Hair from Falling Out.
Cures all Itchiness of the Scalp.
Greatest Scalp Cleanser in the World.
Saves Curls from Damage.
Will Not Make the Hair Darker.

Makes the Hair Grow
No Household should be without it.
Result of Thirty Years of Experiment.
Best Scalp Antiseptic in the World.
Thousands of Testimonials at Our Office.

Lowest Price for the Best Hair Tonic
15c A BOTTLE.

There is absolutely no question but that "Hairine" is positively the best known antiseptic hair-growing tonic in the world today. Nowwithstanding the fact that it is very extensively manufactured and has been sold at a higher price, yet it is now offered to the public at prices that place it within the reach of all.

We know full well that the general public will appreciate "Hairine" and that it is a tonic which will give you of its merits. Thus it is seen that the small profit on the enormous sales of our few bottles will more than make up for the large profits usually made on proprietary articles.

HAIRINE IS THE BEST AND MOST EFFECTIVE HAIR TONIC IN THE WORLD

On account of the cost of "Hairine" and the extremely low price, we cannot fill small orders unless five cents extra is enclosed with the price. You will not be greatly if you will buy your druggist asking for you. Should he refuse to do so, send us his name and address, and we will see that you are supplied. At all drug stores, 15, 40 and 75 cts. a bottle. We especially call the attention of people who have made up their minds that Hairine is guaranteed to not darken the hair, as the color of it is the natural color of the hair, and therefore it cannot darken the hair.
