TO BLOCK RUSSIAN TROOPS.

Japanese Fleet Seek to Keep Russia Out of Corea.

Seoul, Feb. 5.—There is great excitement here. The situation is considered extremely critical. It is said the Corean government has asked Russia for troops and Russia intended to send six thousand men to Chemulpo. The manoeuvers of the Japanese fleet at Wei Hai Wei are believed to have for its object the prevening of the landing of Russian troops at Corea. Any attempt of Russia in that direction will be sure to cause a clash and the outbreak of hostilities is expected at any moment.

London, Feb. 5.—It is considered certain here that peace cannot be preserved in the far east. The only question is when and where hostilities will begin.

The President's Valuable Autograph.

A certain Philadelphia publishing house has sold four autograph editions of Mr Roosevelt's collected works, in all 1,296 sets being disposed of. The price they are reported to have brought is $776,280. On this amount the President's royalties are $155,000. In other words, for signing his name 1,296 times Mr Roosevelt received $155,000.

The Pamlico Tournament.

The Pamlico tournament took place at Pamlico yesterday and was largely attended and an interesting event. The ceremony of the crowning of the queen was the attraction of the day and was an impressive sight.

The following persons participated in this feature. Miss Laura Daniels was crowned Queen of the Tournament by Mr Stephen Tingle; Miss Minnie Bowen was crowned First Maid of Honor by Mr Joseph Wise; Miss Janie Cox was crowned Second Maid of Honor, by Dr Oscar Daniels; and Miss Hannah Wise was crowned Third Maid of Honor by Mr Frank Mills.

The festivities closed with a grand dance last night.

Normal School, Greensboro

Greensboro Record, 4th.

The Almighty is smiling on the Normal. This weather is permitting the work of building to go right along and in a few days all outdoor work will be completed and only a short time will be required to complete everything. It is thought the session will be resumed by the 15th of the present month.

Small Attendance Country Schools

The writer, on a trip through several of the eastern counties noticed that as a rule the schools are very poorly attended, especially those for the white race.

It is rather poor encouragement to the average tax payer to have his taxes increased to make the school term longer, when the parents are so indifferent about sending their children.

Who can say but what the abolishment of the present free school system and the enactment of a compulsory education law would not be an improvement?

Who Knows Them?

The Journal has received a letter from a Mr S J Cox of Rock Mart, Polk county Ga., inquiring for relatives.

Mr Cox says that his father was named Zachariah Cox, and his mother before marriage was Miss Lizzie Gardner and that they once lived in the vicinity of New Bern, or as he terms it, "New Born Town." It appears that they left here many years perhaps one hundred, emigrating to Georgia.

The writer says that he can recollect but very little about his parents, but that tradition says that his father had two brothers, William and Absolam, and that his grandfather he thinks was named Fred Cox.

Any information concerning this family will be no doubt greatly appreciated by Mr Cox, the writer, whose address is as given above, Rock Mart, Polk Co., Ga., R F D No 1.

ZORAH

Feby 5th.

We've had the severest weather this winter known in several years. Practically nothing has been done around here toward planting crops.

Messrs A F and B G Whitford sold cotton at Vanceboro last week at the trifle of 15c per pound. Just a year ago it sold for 6 cts only a little more than half.

A few Sundays since, some one entered the house of Mr J S Tyler and borrowed something over eleven dollars without security. He was a generous thief though for he left eighty odd dollars which he might have taken just as well.

We learn of the marriage of Mr John Booth formerly of this place to Miss Ida Thomas near Golden.

Miss Della Whitford gave a candy party to a few of her friends Saturday night.

Mr S S Whitford and family will move from here this week to near Vance Store. We are sorry to lose them.

Mr and Mrs J S Gillet visited their daughter, Mrs I B Whitford Saturday night.

A PASTOR WHO WAS BEFRIENDED BY AN EMPEROR SAVED BY PE-RU-NA.

Rev. H. Stubenvoll, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church of that place. Rev. Stubenvoll is the possessor of two bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the bibles the Emperor has written in his own handwriting a text.

This honored pastor, in a recent letter to The Peruna Medicine Co., of Columbus, Ohio, says concerning their famous catarrh remedy, Peruna:

The Peruna Medicine Co., Columbus, Ohio.

Gentlemen:—"I had hemorrhages of the lungs for a long time, and all despaired of me. I took Peruna and was cured. It gave me strength and courage, and made healthy, pure blood. It increased my weight, gave me a healthy color, and I feel well. It is the best medicine in the world. If everyone kept Peruna in the house it would save many from death every year."—H. STUBENVOLL.

Thousands of people have catarrh who would be surprised to know it, because it has been called some other name than catarrh. The fact is catarrh is catarrh wherever located; and another fact which is of equally great importance, is that Peruna cures catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

TO SINGERS AND PUBLIC SPEAKERS.

F. S. Duffy, Urges Them to Use Hyomei. Willing to Sell It on Approval.

A new and specially valuable use for Hyomei has been discovered, one that will be particularly welcomed by singers and public speakers.

The free use of Hyomei, breathed through the inhaler that comes with every outfit carries healing balsams to the head and throat, and strengthens the voice. F S Duffy had had several of his customers speak to him in regard to the good effects following the use of Hyomei for this special purpose, and will be glad to sell it on approval to any singer, minister, teacher, or public speaker.

He feels sure that the use of Hyomei for this purpose will make many new friends for the treatment. If it does not give satisfaction, the money paid will be returned promptly and without questions.

The complete Hyomei outfit, consisting of an inhaler that can be carried in the purse or pocket, a bottle of Hyomei and a medicine dropper, costs only one dollar.

Many remarkable cures of catarrh and other troubles of the air passages have been made by Hyomei, and F S Duffy agrees to refund the money to anyone who does not find it a complete cure for any catarrhal trouble.

There is no dangerous stomach dragging with Hyomei, simply breathe it through the inhaler, and relief comes quickly.
