RECEIVERSHIP ANNULLED

McBee Et Al Knocked Out in Short Order.

Very Little Said But a Great Deal Transacted. Substance of the Decree by Judge Simon.

Special to Journal.

Raleigh, March 17.—Judge Simonton and Purnell signed without argument in Federal court today the order vacating the McBee receivership of the Atlantic and North Carolina Railway. The court room was crowded. Many of the most prominent men in the State being present, several State officers included. The order is one prepared yesterday by McBee's counsel, turns road over to its rightful owners, State and private stock holders, taxes complainant K. S. Finch with costs, his bondsmen being the Philadelphia Surety Company.

Hearing before Judges Simonton and Purnell of receivership matter was in some respects odd before court convened, the order agreed upon by the counsel representing both complainant Finch and the defendant, was submitted to Judge Purnell, who declined to sign it but deferred any action until in open court today.

The attorneys for the State present at the hearing were Attorney General Gilmer, A. D. Ward, W. C. Monroe, and Charles M. Busbee, counsel on the other side present John W. Hinsdale, W. H. Day, W. S. O'B. Robinson and W. W. Clark.

There was a dense stillness broken by Judge Purnell who said, "In the case of Finch against the Atlantic and North Carolina railroad a decree has been rendered to the Judges, which I declined to sign last night. We will hear from the counsel whether or not that there is any objection to the decree. The case has been set down and I declined to anticipate it. Have counsel say further motion to make it that case? Charles M. Busbee for the State and counsel for the defense had nothing to suggest except that the decree be rendered by the court. Judge Simonton then read the decree very slowly and carefully. Nothing more occurred and the whole session was very short. It was an open session of the court.

The order as signed by Judges Simonton and Purnell sets forth that all parties have agreed that Judge Purnell's order made on the 24th of February at Norfolk and on 26th at Raleigh, to set aside and upon application of counsel for complainant Finch vacated and bill of complaint dismissed. That forthwith upon this order Receivership of the Atlantic and North Carolina Railroad is annulled and the same is to be set aside and upon application of counsel for complainant Finch vacated and bill of complaint dismissed. That forthwith upon this order Receivership of the Atlantic and North Carolina Railroad is annulled and the same is to be set aside and upon application of counsel for complainant Finch vacated and bill of complaint dismissed. HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease, eczema, which caused my babe untold suffering and myself many sleepless nights.

"My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.

"To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning."

Mrs. Wm. Ryan, Elk River, Minn.

"Cure permanent." So writes Mrs. Ryan, Feb. 25, 1903, six years later:

"Your letter of the 19th inst. received, asking in regard to the cure of my baby some six years ago. Well, the disease has never returned to her head which at that time was a solid sore on top and down the back. Once or twice since then a patch has come on her head near the wrist, but it finally disappeared after proper treatment with Cuticura."

F. S. Duffy Guarantees to Refund Money if Hyomel Falls to Cure the Worst Case of Catarrh.

It is no uncommon thing to see a medicine advertised as a "guaranteed cure." But investigation usually shows that the guarantee is made by some unknown firm, hundreds of miles away.

The guarantee, though, that comes with Hyomel, is entirely different. It is made by F. S. Duffy, one of the most reliable drug firms in this section. He advertises that if Hyomel does not cure the worst case of catarrh, he will return the money without any question or argument. No business house in New Bern has a better reputation for square dealing than F. S. Duffy, and when he guarantees that he will refund the money if Hyomel fails to cure catarrh, no one has any question as to the agreement being lived up to, both in the spirit and letter.

Hyomel is very easy and pleasant to use. It just breathes it through the little inhaler that comes with every outfit; every breath will bring recovery so much the nearer. It kills all the germs of catarrh that trouble in the air passages of the head, throat, and lungs, soothes and heals the irritated mucous membrane, and is the only natural cure for catarrh.

The complete outfit costs but one dollar, and extra bottles of Hyomel can be obtained for fifty cents. Do not let a slight catarrhal trouble develop into one that may be serious and chronic. Use Hyomel at once, remembering that you can not risk whatever when you try Hyomel on F. S. Duffy's offer of "No cure, no pay."
