### Russia Calls up Reserves. Getting Big War Footing.

### American Missionaries Fearful of Massacre at Newchwang. Japanese Meeting to Move on Hachia. Russians to Attempt Leading Jap Army.

Special to Journal.

London, March 24.—A combined attack by land and water is imminent at New Chwang. The American Missionaries there fear that if the Russians leave the town, before the Japanese enter, the Chinese will up rise and massacre them.

With the arrival of Kurapatka at Mukden, the Russians will try to trap the Japanese land forces. Small bodies of Russians will try to lead the Japanese into Manchuria, until the main body of the Russian army is ready, then a big attack will be made.

It was the Russian cruiser Eyan not the Shori, which was blown up by the mine at Port Arthur, March 15th. Seven hundred men were reported lost.

A heavy force of Japanese are massed on the Tumen river below Polosot bay, and will soon begin to move on Hachia.

St Petersburg, Feb. 24.—Twenty eight reserve battalions have been called off and mobilized as regulars. The reserves are to replace the men drafted to go to the far east.

There are rumors that Russia is really getting practically all her great army on a war footing.

## DISFIGURED WITH ECZEMA

### Under Physicians Five Months. Went from Bad to Worse.

## CURED BY CUTICURA

### Wonderful Change in One Night. In a Month Face Was Clean as Ever.

"I was troubled with eczema on the face for five months during which time I was in the care of physicians. My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recommended Cuticura Remedies. The first night after I washed my face with Cuticura Soap and used Cuticura Ointment and Cuticura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever."

THOMAS J. BOTT, 817 Stag St., Brooklyn, N. Y.

The above letter was received in 1898 and he again writes us Feb. 19, 1903, "I have not been troubled with eczema since."

The agonizing itching and burning of the skin as it occurs; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worried parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost supernatural virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures of the civilized world.

Get Cuticura Remedies, 25c. per box. Sold everywhere. In the form of Cuticura Ointment, Soap, and Resolvent. Prepared by Dr. J. C. Williams, Lowell, Mass., U.S.A.

### F. S. DUFFY Guarantees to Refund Money if Hyemal Fails to Cure the Worst Case of Catarrh.

It is no uncommon thing to see a medicine advertised as a "guaranteed cure." But investigation usually shows that the guarantee is made by some unknown firm, hundreds of miles away.

The guarantee, though, that comes with Hyemal, is entirely different. It is made by F. S. Duffy, one of the most reliable drug firms in this section. He advertises that if Hyemal does not cure the worst case of catarrh, he will return the money without any question or argument. No business house in New Bern has a better reputation for square dealing than F. S. Duffy, and when he guarantees that he will refund the money if Hyemal fails to cure catarrh, no one has any question as to the agreement being lived up to, both in the spirit and letter.

Hyemal is very easy and pleasant to use. (Just breathe it through the little inhaler that comes with every bottle; every breath will bring recovery so much the nearer. It kills all the germs of catarrhal troubles in the air passages of the head, throat, and lungs, soothes and heals the irritated mucous membrane, and is the only natural cure for catarrh.

The complete outfit costs but one dollar, and extra bottles of Hyemal can be obtained for fifty cents. Do not let a slight catarrhal trouble develop into one that may be serious and chronic. Use Hyemal at once, remembering that you can see no risk whatever when you try Hyemal on F. S. Duffy's offer of "No cure, no pay."
