UNBOUNDED FAITH IN MI-O-NA.

F. S. Duffy, Will Refund Money if it Falls to Increase Flesh and Cure Dyspepsia.

"I have been in the drug business long enough to know that there are very few remedies that can be sold on a guarantee to refund the money if they do not give satisfaction."

"I have sold as much MI-O-NA and seen such remarkable results following its use that I welcome the chance to convince any doubter of its merit, by offering to give with each package of MI-O-NA a written guarantee to refund the money if it does not give an increase in weight regulate the digestion and restore health."

"If you cannot call at my store, send me the price of MI-O-NA, 50c by mail, and I will forward you a regular size box postage paid, with the same agreement to refund the money if it does not give perfect satisfaction."

Anyone who has been "Losing flesh," or who has always been too thin, should use MI-O-NA. Thinness and scrawling are signs that the food is not properly assimilated and that you do not get the nourishment from it that you should.

MI-O-NA mixes with the food you eat, aids its assimilation, tones up and strengthens the digestive organs and puts the whole system in a proper physical condition.

Remember that you risk nothing in buying MI-O-NA. If it fails to give you the desired effect the cost is nothing. If it fails, F. S. Duffy, will pay for the remedy itself!

"LET US HELP YOU TO HEALTH"

F. S. Duffy, Want Every Catarrh Sufferer to Use Hyomel and Be Cured. Statistics show that at least 97 out of every 100 persons in this State suffer from catarrh in some form.

While the disease is one or the most common, it is also one of the most dangerous and offensive, leading to consumption and other diseases of the respiratory organs.

Prior to the discovery of Hyomel and its introduction in this section by F. S. Duffy, every method of treatment had been found worthless.

The discovery of Hyomel and its growing popularity has already reduced the percentage of those suffering from catarrh. This wonderful remedy is the simplest and most pleasant of treatments. Put 30 drops of Hyomel in the pocket inhaler that comes with every outfit, and breathe it for a few minutes four times a day. Relief will be seen after the first treatment and a complete cure will soon follow. Breathe the Hyomel in this way and the catarrhal germs even in the most remote air cells are destroyed. The irritated mucous membrane is soothed and healed, and perfect health restored.

F. S. Duffy, says to all catarrh sufferers, "Let me help you to health, we are confident Hyomel will cure, so confident, in fact, that we guarantee to refund your money if it fails. A complete outfit costs \$1, and if it does not help you, your money will be returned promptly."
