CAPT A HYDE, DEAD.
 After Five Days Illness Caused by Pneu-
 monia. Well Known Hero.
 Special Charlotte Observer Cor.

[From Salisbury, April 10th.]
 Capt Abraham Hyde, superintendent of the Salisbury National Cemetery, died at 1 o'clock this morning of pneumonia after only five days' illness. Capt Hyde was a native of South Carolina and was 68 years old. In 1868 he enlisted in the United States Army and served under Gen. Joseph E. Johnson, in the west, prior to the civil war. When his State seceded from the Union he applied for an honorable discharge from the army intending to join the Confederate forces as his brother, a civilian, shortly afterwards did. His application being refused, in accordance with the policy of the War Department, he remained with the flag and served with credit throughout the civil war. At Gettysburg he was shot twice through the body, and was left on the field for dead. At the close of the war, having been promoted to be captain in the Fourth United States Cavalry he was invalided out of the service. He afterwards served as superintendent of six National cemeteries in different parts of the country. His last charge before coming here was at New Bern where he served nine years. A year ago he was transferred to Salisbury to succeed the lamented Capt W. J. Elgin. Owing to the short space of his residence, Capt Hyde's acquaintanceship was limited, but he was held in high regard by all who knew him. He was a widower and leaves seven children three of whom continued to make their home with him. The burial will take place with Masonic honors, in the national cemetery at 4 o'clock tomorrow afternoon. Ultimately remains will be removed to New Bern where the wife of the deceased is buried.

CURE CATARRH BY BREATHING
 F. S. Duff's Office to Return Money if Hyomel Treatment Fails to Cure Catarrh Without Stomach Disturbance.

If for a few minutes four times a day you breathe Hyomel, all catarrhal germs will be destroyed and the irritated mucous membrane restored to health. With every Hyomel outfit there is a neat inhaler which can be carried in the purse or pocket. Hyomel breathed through this contains the same healing balsams that are found in the air upon the mountains, where catarrh is unknown. It destroys all catarrhal germs in the air passages of the head, throat and nose, and makes a positive and permanent cure of catarrh. The complete outfit costs but \$1, while extra bottles of Hyomel can be obtained for 50c, making it one of the most economical of treatments for catarrh.

F. S. Duff believes so thoroughly in the merit of Hyomel, that he guarantees to return the money if it fails. This is certainly the strongest evidence he can give of his faith in the Hyomel treatment. It enables any one to use Hyomel without risk of spending money for nothing.

Ask F. S. Duff to show you a Hyomel outfit and explain to you what a simple and easy way it is to relieve and cure your catarrhal troubles.

SIGNS BOND AND TAKES ALL RISK
 F. S. Duff, has both Faith in M.C. as The Fifth-Working Day He tells it Under Guarantee.

'Not one time in 100 does M.C. fail to cure dyspepsia. It is because of its remarkable power to cure this disease that F. S. Duff, is able to sell it in the following unusual way.

With every 50c box he gives a signed guarantee bond to refund the price if the purchaser can honestly tell him that it has not given freedom from stomach trouble, increased food, and restored health. The risk is all F. S. Duff's as the following bond which he signs fully shows.

M.C. is not a mere stimulant that simply gives temporary relief. While it helps the food to digest, it also cleanses the entire system and purges the bowels. It restores power to the nerves of the stomach and in this way gives the important organ the power to digest food. In this way M.C. is a natural and health restoring.

Announcement.
 I take this means of notifying the Democratic voters of Craven county, that I will be a candidate before the next county convention for the office of County Treasurer.

If nominated, I shall faithfully and diligently discharge the duties of the office in the event of my nomination, when elected, I shall establish my office in the City of New Bern conveniently located for the payment of all vouchers.

My section of Craven county has for years been the name of rolling up heavy majorities for Democracy; I have ever been found, since my majority, in the heat of every election.

All the County offices are now filled by gentlemen from New Bern, and I trust the Democratic voters in the next convention, will concede this office to the County and to the section I represent.
