BLIND TIGER RAIDED.

Alleged Illegal Rum Bar at 5th and 5th Streets.

Handolph Yelverton, a colored man was arrested Sunday night for selling liquor on Sunday and also for selling liquor without a license. The arrest was made by officers Lupton, Bryan, Bowden and Parker. They had received word that there was a blind tiger in operation at Yelverton's place and before this information was received they had suspicions of the place. Sunday night they went in the vicinity of the place which is located above Attmore St facing the A & N Railroad. The officers hid under a box car and awaited developments. They watched the place for some time and after seeing men in and around the place they made the raid. They met with no resistance and made a thorough search. About 60 empty whiskey bottles and two jugs containing corn whiskey and several bottles filled with beer were confiscated. One man was found in the act of drinking beer. The bottles were found hid in boxes, cupboards, behind the furniture and many other places, evidently to conceal any signs of drinking there.

The defense which was conducted by J. E. and R. O'Hara maintained that the place was run as a boarding house and that was the reason why there were so many men around the place. The presence of the whiskey bottles was also accounted for by the liquor being legally purchased with the intention of giving away to his friends. Yelverton was bound over to the next term of the Superior court for the trial of criminal cases in October. The bond was placed at \$100.

REAL NOURISHMENT FOR ALL

Mi-o-na Makes Thin People Fat F. B. Duffy, Will Return Money if it Fails.

Every one needs real nourishment; then comes good health, strength and endurance. Without it, you waste away. Nearly every one eats food enough to furnish the necessary nourishment for the perfect support of life, but the food is not assimilated and there follows indigestion, weakness and emaciation.

A few days use of Mi-o-na, the wonderful flesh-forming food, will demonstrate its power to furnish real nourishment and restore health. Mi-o-na mingles with the food you eat, aids assimilation, tones up and strengthens the digestive organs and puts the whole system into proper physical condition.

By its use, the elements needed to increase flesh are assimilated from the daily food and each week will show a noticeable gain in weight.

F. B. Duffy, knows personally of many cases of long standing stomach troubles, some of them very bad, that were entirely cured with Mi-o-na. The thin and scrawny have used this preparation and by its aid have gained real nourishment.

F. B. Duffy, feels that he can honestly recommend Mi-o-na as an evidence of his faith in the merit of the article, offers to sell it with the distinct understanding that the money is to be returned in every case where it fails to do all that is claimed for it. You risk nothing in buying Mi-o-na, and if it gives the desired health, the cost is trifling, only 50c a box. If it fails F. B. Duffy, will pay for the remedy himself.

HYOMEL'S SUCCESS IN NEW BERN.

Cared Many Serious Cases of Catarrh. F. S. Duffy Will Refund Money if it Fails.

No other medicine or treatment for catarrh has ever achieved such quick and remarkable success in New Bern as Hyomel. The fact that F. S. Duffy, when he first introduced Hyomel sold it under a positive guarantee to refund the money in case it did not cure contributed largely to his successful introduction. A guarantee from a firm like F. S. Duffy gave people confidence at the start.

Those who obtained a Hyomel outfit found that the treatment did all that was claimed for it; that the first few breaths of Hyomel cleared the air passages and gave an exhilarating and invigorating effect. Its continued use freed the system from all catarrhal germs, soothed and healed the mucous membrane, and made a complete and lasting cure.

Compared with the dangerous stomach dragging that had been used heretofore in the treatment of catarrh, the balsamic air of Hyomel created a most favorable impression. And the medicine itself did even more than was claimed for it. In fact, to make a success, it was necessary that Hyomel should cure nearly every case of catarrh in which it was used, for every outfit was sold on a guarantee to refund the money in case it failed.

If it had not possessed unusual merit, an offer like this would have resulted in an enormous loss. But owing as it did Hyomel soon gained an enviable reputation and made many friends who recommended it far and near. Its success here in New Bern has been remarkable, and F. S. Duffy is still selling it on his personal guarantee to refund the money in case it does not give satisfaction.

BABY'S ECZEMA

Top of Head Covered with Scales Which Pealed off Taking Hair with Them.

CURED BY CUTICURA

Now Six Years Old with Thick Hair and Clean Scalp. Cure Permanent.

"My baby was about six weeks old when the top of her head became covered with thick scales, which would peel and come off, taking the hair with it. It would soon form again and be as bad as before. I tried several things and then went to the doctor. He said it was Eczema, and prescribed an ointment, which did not do any good. A friend spoke of Cuticura Soap. I tried it and read on the wrapper about Cuticura Ointment as a remedy for Eczema. I bought a box and washed her head in warm water and Cuticura Soap and gently combed the scales off. They did not come back and her hair grew out fine and thick. She is now a year and a half old and has no trace of Eczema."

MRS. C. W. BURGESS, Ironstone Ave., Bridgeport, Conn., Feb. 21, 1898.

Mrs. Burgess writes Feb. 26, 1908: "My baby who had Eczema very badly on her head, as I told you before, after using the Cuticura Remedies was cured. She is now six years old and has thick hair and a clean scalp."
