Hot Congressional Fight in Eighth District.

State Bank Development. Republican Political Talk. Regulations of Respect. Fruit Development. Substantial Outlook. Athletic Contest.

Raleigh, April 26--State bank examiner Ellington says the statement is now in course of preparation, showing the names of the banks in the State, the increase, etc. He says the bank development is really very remarkable.

The Supreme Court is at work on cases from the 18th district, among the attorneys present being Samuel Erwin, A. A. Whitener, W. C. Newland, Edmund Jones and Charles H. Childs. Mr. Jones says the eighth district is the storm center of politics and that more politics can be raised than in all the remainder of the State put together. He says the Democrats will clean up Spencer Blackburn, the Republican nominee for Congress, though the latter will put up a strong fight and is very aggressive. There are a number of aspirants for the Democratic nomination for congress, among these being ex-Congressman Bower, W. E. Newland, T. C. Bowie, R. M. Hackett, Mr. Gwaltney, and W. R. Odell.

A charter was granted to the Leak-Holiday Company of Salisbury, capital stock \$25,000 to make articles of wood, metal and cloth.

It is very significant that the office holder Republicans are claiming that North Carolina will send to the National Convention a delegation absolutely solid for Roosevelt. Today Rev. Dr. H. W. Leak, the well known colored preacher-politician was asked about the attitude of the colored voters and said that if the party attempted to shut out the negroes as it did at Greensboro at the last State convention it would certainly hear something drop and drop very hard indeed.

On Saturday the Raleigh bar will meet to adopt resolutions in regard to the death of Judge Charles H. Blount of the U. S. Circuit court. Judge Blount got up from a sick bed to come here for the hearing of the Finch-McBee matter. He used to be here a good deal before the appointment of Judge Funnell. There are intimations that Judge Funnell may succeed him. The salary of the office is \$7,000 a year.

Professor W. F. Massey says he thinks the damage to fruit on up-lands is probably exaggerated, but that in the lower country, where vegetation is more forward and the ability to damage from spring frosts is much greater, he thinks that there is probably considerable damage.

General William R. Cox is here as a witness in the Selma Junction case before the Superior Court. Speaking about the gubernatorial race by the Democrats he said he thought the trend of sentiment was toward Steadman and was increasing that way.

Next Saturday there will be a very interesting athletic contest here between picked men from Trinity, Wake Forest and the Agricultural and Mechanical College at the State Fair grounds and it is said that it will be the largest meet of the kind ever held in the State.

Announcement.

I wish to announce my candidacy for the office of Register of Deeds of Craven county subject to the will of the Democratic county convention.

I represent a constituency on the north side of the river which has been loyal Democratic at all times and have sought political preferment but little. I believe it is due the township in that section to be represented in the county administration and I therefore solicit the consideration of the Democratic electors.

bring that carriage around to us and we will soon tell you how little it costs you to repair and put it in order again. We do all kinds, and it is seldom a vehicle is so damaged that we can't make it good as new. And it won't cost anything like the price of a new one either.

We put Rubber Tires on your old or new wheels. We shrink your loose tires in a machine without cutting them, or without taking tire from wheel on buggy while you wait. Everybody is invited to see the machine at work putting new bolts in old places.
