### In Reply to Prohibition Signers Article. See what Mr. Bailey says.

Mr. Bailey advises "No bolting."

### NO BOLTING.

The Anti-Saloon League must not encourage bolting. If anybody bolts in the name of the League, it should repudiate them. The League strictly pledges not to interfere with the policy of citizens to their parties. It will stand itself upon the rocks and all its fair prospects brightened. If any local organization proceeds to bolt or encourage bolting.

How then are we to bring our purposes to pass? By patient and steady work. Abide in the ship, and one day you will find the helm in good hands. There are horses and horses. One horse will break away with a snort and make half a mile in good time. Another will move off steadily and pull his load thirty miles without faltering. This work of establishing a great moral reform will never be accomplished by the bolting. They get it back. In ten years, if we make no mistakes, we shall redden North Carolina.

If a political machine cheats or suppresses the voice of the people, it should be overthrown. Under such circumstances revolutionary measures are justifiable. But do not bolt in the name of temperance. If you are a party man, go into your party primaries, work hard for your candidates; and if you are honorably defeated, stand your ground, keep your faith and go on with the work of education.

To bolt will only paralyze your influence and your cause. There is no disposition on the part of the temperance forces in the city of New Bern to involve this great moral issue with local politics, despite the statements of some saloon advocates and saloon men to the contrary.

The petition asking for an election to determine the question "Saloon or no Saloon?" was presented to the city council at the April meeting with the request that the date of the election be not later than May 20th.

For various reasons unknown to the petitioners—the council has taken no action.

We understand that a false construction is being put on Mr. Bailey's advice "to the temperance forces."

The following is Mr. Bailey's advice. TO THE TEMPERANCE FORCES.

The open weather of March has revealed that our temperance forces are in flourishing condition. There are no signs of reaction, but on the other hand the awakening has become general and our workers are more aggressive and earnest than ever—than even during the struggle in the General Assembly. The movement is permanent. It will continue to go forward.

We not only have campaigns of great importance on foot in some of our leading cities, but there is unusual activity in the counties. We have good organizations at work in many of them, and more recently active steps have been taken or planned for in Fredell, Buncombe, Yadkin, Lenoir, Pitt, Rowan, Durham, Cleveland, Chowan, and other counties.

I hope the friends of the cause will bear in mind that elections will be lawful within ninety days of the general election in November. And I would warn them to consider carefully the wisdom of calling an election outside of the ninety day limit in places where our cause may become involved in the party issues and antipathetic incident to campaign year. I should say that in elections later than June our cause is likely to suffer.

On the other hand, I make bold at this stage of the year's progress to warn our friends in every party and in every county that it is their duty to labor for the nomination of men who will uphold the Watta Act and the anti-jug law and take the advanced step of protecting our smaller towns. A word now is worth twenty petitions next February. We do not want, however, any Anti-Saloon League tickets. Remember this is not a political party and must never be.

I find a great demand for the pledges and much good personal work is going on. Our great opportunity is to save the rising generation. We shall not only fall in our aims but we shall cover ourselves with weakness of judgment and seal it with content ourselves merely with demanding appropriate laws. Each of us has a personal duty, and now is a good time to go about it.

Let us have rallies of the League throughout the State. And let the friends everywhere press the cause of personal temperance.

Sincerely,  
J. W. BAILEY, Chairman.

March 26, 1904.  
The advocates of temperance in New Bern heartily concur with Mr. Bailey's view that the temperance question should be kept separate and distinct from local politics and it will be kept separate and distinct unless the reform men succeed in their efforts to involve it and to tangle the voters.

G. L. JONES, J. C. WHITEY,  
Sec. Central Com. Vice Pres. Anti-Saloon League.

Special to Journal.

Raleigh, April 27.—Judge Jeter C. Pritchard has been nominated by President Roosevelt to succeed the late Judge Simonton, as Circuit Judge.

### Death of Alfred Pentress.

Mr Alfred Pentress whose home was near Bayboro died at Mrs Smith's boarding house on South Front street Tuesday night. He became very sick at Pollockville Monday and was brought here but his disease was too far advanced to control.

Mr Pentress was well known in Pamlico county belonging to one of the old families of that section. He was born near Bayboro about 40 years ago and that has always been his home. He had the misfortune to have suffered an affliction of the eyes which had made him nearly blind for several years. His wife and two children survive him.

Relatives came yesterday and took the body to his former home for burial.

### Dual Weddings.

The home of Mr and Mrs Howard Simpson, on Craven street, was the scene of a rather unusual occurrence last night. Two wedding ceremonies were performed there by Rev G T Adams, pastor of Centenary church.

The house was beautifully decorated with plants and flowers, and there was a number of guests present at the ceremonies.

The first wedding was that of Miss Lona Smith and Miss Ella Simpson which took place at 8 o'clock.

At 8.30 o'clock Mr J R Bowen and Miss Ella Viola Taylor were united in marriage.

Mr Bowen is a prominent young business man of Harlowe. Their future home will be in that place.

### THIS OUGHT TO CONVINCE

F. S. Duffy Will Pay for Hyomel Himself When It Falls to Cure Catarh.

"If I only knew it to be true, I would not hesitate a moment," this is a thought the average person has when reading the claims of some of the medicines that are advertised as cures of catarh.

The results from the use of Hyomel are so remarkable in the cure of catarh that they seem beyond the belief. The fact, though, that F S Duffy, one of the best known druggists in this section, has so much confidence in the power of Hyomel to cure catarh that he sells it under his personal guarantee to refund the money if the purchasers can say that it did not help them, ought to convince the most skeptical that Hyomel can be relied upon to cure all catarh troubles, no matter how serious or deep-seated.

The complete Hyomel outfit, consisting of a neat inhaler that can be carried in the purse or pocket, a medicine dropper, and a bottle of Hyomel, costs only one dollar. Additional bottles of Hyomel can be procured for fifty cents, making it the most economical treatment of catarh.

Catarh, which are so common at this season of the year, have been cured in a day. Mild cases of catarh that have become chronic are frequently cured in a week or ten days. Now is the time to begin the use of Hyomel, remembering that F S Duffy sells every package on a positive guarantee to refund the money if it fails to cure.

### Two Sunday Addresses.

The Rev Geo B Stuart, the great temperance advocate will address men only at the Court House in New Bern, on Sunday, May 1st, 1904, at 4.30 p.m. and 8 p.m. his subject at 4.30 p.m. will be "The Stuff Man is Made of."

At 8 p.m. "The Stump Digger."

The reason Mr Stuart will speak to men only is because there is no auditorium in the city sufficiently large to accommodate a promiscuous audience.

### The Burr McIntosh For May.

### WILL GIVE GUARANTEE BOND.

F. S. Duffy Gives Signed Agreement That Mi-o-na Costs Nothing if it Falls to Cure.

Mi-o-na, the remarkable flesh-forming food and cure for dyspepsia, has won immense popularity by the unusual way in which it is sold.

With every 50c box of Mi-o-na, F S Duffy gives the following signed guarantee bond, assuring the purchaser that Mi-o-na costs absolutely nothing unless it increases flesh, cures all stomach troubles and restores health.

### GUARANTEE BOND.

I hereby agree to refund the price paid for Mi-o-na, if the purchaser feels that it has not increased flesh and given freedom from stomach troubles.

F. S. DUFFY.

This guarantee bond is plain and simple and it positively assures you that when you commence the Mi-o-na treatment you run absolutely no risk. You simply deposit 50c for a box of this flesh-forming food with F S Duffy and if after using it you do not feel that you have been benefited, you go back to his store and he will return your money without any question or argument.

It is a true flesh forming food combined with elements that regulate the digestive organs and remove congestion and irritation from the stomach, liver and intestines. Mi-o-na will restore droop, healthy flesh, fill in the outlines, and give a pleasing plumpness and symmetry.

Begin its use today with F S Duffy's guarantee to return the money if Mi-o-na does not do all that is claimed for it.
