## A New Bern Missionary.

A letter has been received from Mr. Vase, written April 15th in London, saying that he expected to leave on the steamer Oceanica April 30th for America. He has been in Africa nearly six years and returns for a vacation, and to do special work in the interest of a new steamer, to replace the Lapaley, that was lost last November.

It will be remembered that there was a rumor that Mr. Vase was among the number who were drowned on the boat.

Later news comes that Mr. Vase has arrived in America and is visiting friends in Schenectady N. Y. He will visit in this State soon.

## First Annual Picnic.

The faculty and students of the New Bern Military Academy and Carolina Business College went on their first annual picnic yesterday, which proved to be a very successful event every one who attended having reported a delightful time.

The crowd went on board the steamer S. J. Phillips up the Trent river to Pollockville landing, where the time was pleasantly passed in playing ball and other interesting games in which all took an active part. Mr. Gerock was present on the occasion and took pictures of the picnic crowd and different scenes on the trip. A nice basket dinner was spread and enjoyed by all. Those who were present on the occasion express themselves as having spent a very pleasant day.

For the return trip. The afternoon was typical of balmy spring, nature clothed in her verdant beauty together with songs of birds on the river banks the fragrant aroma of flowers which was wafted along the waters by the gentle breeze added inspiration to the already delightful occasion. A great portion of the time was spent in college yells, and songs of praise of the New Bern Military Academy. Among these songs was "Will Honor N. B. M. A." which breathes in every line the true college spirit and love for the rapidly growing institution and was joined in by all of the students and teachers with greatest zest.

## THE MI-O-NA TREATMENT.

Flesh-Forming Food in Tablet Form That Increases Flesh—Guaranteed by F. S. Duffy.

The discovery of Mi-o-na, the remarkable flesh-forming food that builds up good, healthy, solid flesh and makes thinness and nervousness a thing of the past has revolutionized medical practice in certain lines.

Its power to do all that is claimed for it was clearly proven to F. S. Duffy, that he here sold Mi-o-na with the understanding that if it fails the purchase price was to be refunded.  
F. S. Duffy, originally exhibited courage in taking up this method of selling Mi-o-na, but the results have fully proven his judgment that the Mi-o-na treatment for emaciated, thin, constitutionally weak and run down condition is the only efficacious and reliable cure.

Mi-o-na promotes healthy and appetizing qualities that make it especially valuable in cases of chronic indigestion and dyspepsia. Two or three tablets taken each day in connection with the regular food prove it a true flesh-former.  
All that many a woman looks to be positively pretty in a little more flesh on her face. To look haggard and not fit is never becoming. The use of Mi-o-na will cure this defect.

With every box of Mi-o-na that F. S. Duffy, sells he will give a written promise to refund the money. It is not just give an assurance in fact and return money. What is better than this? It makes you wish it to be true, the original and only reliable.

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."

DAN A. GROSVENOR.

Peruna cured me of a bad case of catarrh and I know it will cure any other sufferer from that disease."—John Williams.

## A Congressman's Letter.

Hon. E. W. Ogden, Congressman from Louisiana, in a letter written at Washington, D. C., says the following of Peruna, the national catarrh remedy:

"I can conscientiously recommend Peruna as a fine tonic and all around good medicine to those who are in need of a catarrh remedy. It has been commended to me by people who have used it, as a remedy particularly effective in the cure of catarrh. For those who need a good catarrh medicine I know of nothing better."

W. E. Griffith, Concan, Texas, writes: "I suffered with chronic catarrh for many years. I took Peruna and it completely cured me. I think Peruna is the best medicine in the world for catarrh. My general health is much improved by its use, as I am much stronger than I have been for years."—W. E. Griffith.

## A Congressman's Letter.

Congressman H. Bowen, Ruskin, Tazewell county, Va., writes:

"I can cheerfully recommend your valuable remedy, Peruna, to any one who is suffering with catarrh, and who is in need of a permanent and effective cure."—H. Bowen.

Mr. Fred. D. Scott, Larue, Ohio, Right Guard of Hiram Foot Ball Team, writes:

"As a specific for lung trouble I place Peruna at the head. I have used it myself for colds and catarrh of the bowels and it is a splendid remedy. It restores vitality, increases bodily strength and makes sick person well in a short time. I give Peruna my hearty endorsement."—Fred. D. Scott.

Gen. Ira C. Abbott, 908 M street, N. W., Washington, D. C., writes:

"I am fully convinced that your remedy is an excellent tonic. Many of my friends have used it with the most beneficial results for coughs, colds and catarrhal trouble."—Ira C. Abbott.

Mrs. Elmer Fleming, orator of Reservoir Council No. 108, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 555 Park street, N.E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—Mrs. Elmer Fleming.

## Treat Catarrh in Spring.

The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.
