CLASS OF 1904

Graduates of New Bern High School

Interesting Exercises, Essays, Class History and Prophecy, Medals and Scholarships Awarded Successful Pupils.

The commencement exercises of the New Bern High School were held yesterday morning from 11:30 o'clock to 1:45 p.m. at the Court House. The court room was tastefully decorated for the occasion with cut flowers, ferns and palms.

There were sixteen members in the class, the largest senior class that has graduated within the last five years. It was nearly half past eleven when the class marched in and took their respective places on the platform, their entrance being applauded. The young ladies looked very charming and attractive in their pure white dresses.

The graduating exercises were in charge of the class, the officers and members as follows:

Walter Watson, President.

Edward Hugh Meadows, Vice President.

Bertha Washington Wooten, Secretary.

Katherine Street, Corresponding Secretary.

After invocation by Rev. H. B. Bradshaw the roll was called by the secretary after which the following program was given.

In the president's address to the class he expressed his appreciation to the members in conferring the honor upon him.

The valedictory in a very pleasing manner thanked the teachers and superintendent for their kindly interest and help to the class in their years of work in the school, and recalled memories of school association, and then bade farewell to them. The prophecies foretold the future of the class in a manner which caused general laughter and applause.

The historian reviewed the past five years of the class, some had dropped out as things went by, but those present were finally united with by the trials of hard study and sleep of pleasure.

The class poem brought before the class, the value of an idea and what it meant to them in their future careers.

The subject of the several essays were well selected, clearly written and presented in the most interesting style. The musical numbers were a pleasing and effective feature.

The scholarships and prizes were awarded by prominent men of the city with interesting and appropriate speeches.

The Medal of Honor memorial medal which is given each year in the eighth grade to the scholar who makes the highest mark in Latin, was won by Zetta Brown and presented by Col. S. J. Holladay. This is the first time that the medal has been won by a boy.

Mrs. J. A. McGehee offered two medals for the highest average on English Literature and Mathematics. The former to the 9th grade, being won by Miss Catherine King, presented by Mr. A. D. Ward and the latter in the tenth grade won by Miss Mamie H. Richardson, and presented by Mr. H. B. Bradshaw.

Miss Beattie Burkholder won the 10th grade medal on Literature which was presented by Rev. H. B. Bradshaw. The scholarship to the State University was awarded to Walter Watson.

RUSSIANS COMPLETELY TAKEN

Positions Abandoned Guns and Prisoners Taken.

Rome, June 1.—A cablegram from Tokio says that General Kuroki has administered a complete defeat on the Russians under General Kurapatkin near Sumtse and that all the Russian positions East of Hal Chang have been abandoned. Several guns have been taken by the Japanese and a whole squadron of Cosacks taken prisoners. The above telegram may be a greatly exaggerated account of the fight at Simstai, thirty-five miles north of Feng Huang Cheng, which lasted three days, and in which the Russian force was defeated.

The Teachers Institute.

The morning was devoted to the discussion of several topics of important interest to the teacher. Miss Garfield led the first part of the session and Col. Holladay closed.

In the afternoon Superintendent Brison spoke on the teaching of Civil Government, and Mr. Fouk made some remarks on language lessons.

A meeting of the society for the improvement of school houses and grounds was called after adjournment. The reports from the various schools were very encouraging and it was shown that much good has been accomplished by the society. Miss Ella Nunn, of this city and Miss Lottie Wilcox, of Bellair, were re-elected president and secretary respectively.

FIGHTS SUPREME COURT

Purnell Postpones Action on Bond Sufficiency.

Argument Against Chief Justice Fuller's Order of Supersedeas That It Was Too Late. No End to Contest.

Special to Journal.

Raleigh, June 1.—The bond required to be given by the Atlantic and North Carolina railway, under order Chief Justice Fuller, was signed by James A. Bryan, E. C. Duncan, Dempsey Wood, J. W. Grainger, Henry Well and L. Harrey, and though officially for only \$25,000, is for \$105,000. As soon as it was prepared it was taken by Attorney General Ollmer and his associate counsel Busbee and Fuller, to Federal Court, where they offered it, and Attorney General requested Judge Purnell to pass upon its form and sufficiency, according to order of the Chief Justice.

Day and Argo who were present as counsel for receivers Meares and McBeck objected to immediate consideration, saying they wanted to be heard. Judge Purnell said he would hear matter at 9:30 tomorrow morning, though counsel for State urged there be immediate consideration, and again called attention to the fact that Judge Purnell was only required to pass upon sufficiency of bond.

Directly after this matter was thus ended, news flew around that attorney Day had stated that the fight would be made against order of Chief Justice on supersedeas, on ground that it was issued too late and that receivers were already in charge.

Supreme Court Opinions.

Special to Journal.

Raleigh, June 1.—The Supreme Court filed the following opinions here today:

Yann vs Edwards, from Hertford, new trial.

Creoch vs Cotton Mills, from New Hanover, new trial.

McNeil vs Durham and Charlotte R. R. Co., from Moore, petition to rehear allowed, judgment below affirmed.

Walker vs C. O. Railroad Co., from Mecklenburg, affirmed.

KNOWS MI-O-NA WILL CURE.

F. S. Duffy Has Such Faith in This Great Dyspepsia Remedy That He Guarantees It.

It is an unusual thing for a druggist to sell a medicine under a guarantee to refund the money if it does not cure. Yet this is the way F. S. Duffy, the popular druggist, is selling MI-O-NA, the standard dyspepsia remedy.

Never before had he had so large number of customers tell him that a medicine had cured as with MI-O-NA. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health, solely due to the use of this remedy.

There is no longer any need of anyone suffering or making their friends suffer on account of dyspepsia, for MI-O-NA can be relied upon to cure. The percentage of cures is so nearly one hundred per cent, that there is little risk to F. S. Duffy in guaranteeing to return the money if the medicine does not cure, and he stands ready to do so without any question.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, poor sleep, ringing in the ears and all forms of liver trouble are cured by MI-O-NA, price 50c. A few days' treatment shows considerable gain in health and a cure speedily follows.

These days are the best in the whole year for the enjoyment of good health. And MI-O-NA will put you in such perfect condition that you can enjoy every minute of them.

SENSIBLE WAY TO CURE CATARRH.

Hymel Medicines Air You Breathe and Kills All Catarrhal Germs Cures Nothing Unless It Cures.

Do not take medicines into the stomach to kill catarrhal germs in the head and throat. Air alone can reach these germs. Medicated with Hymel, and breathed through the moist inhaler, that comes with every outfit, the air goes to the most remote air cells of the head, throat and lungs, and completely destroys the disease germs. Hymel is the only sensible, yet scientific way to cure a catarrh. Other remedies may fail, Hymel will cure.

It helps a cure, and you receive one vitalizing and invigorating effect from the first few breaths of Hymel. If it should happen that Hymel did not give you the same good effect that it has to many other cases right here at home, F. S. Duffy will refund your money without question or argument. You will receive sole justice as to whether Hymel cost you a penny or not.

The complete outfit, consisting of a medicine dropper, and inhaler that can be carried in the purse or vest pocket, and a bottle of Hymel sells for only one dollar. The inhaler lasts a life time and extra bottles of Hymel can be obtained, if needed, for fifty cents.

When you get a Hymel outfit, F. S. Duffy will give you a signed receipt, agreeing to refund the money in case it does not cure catarrh and other diseases of the respiratory organs. This is the strongest evidence that he can offer as to his faith in Hymel—no pay for it himself in case it does not cure.
