SHERIFF TAKES PRISONERS.

Sentenced By Judge Peebles Into Custody.

Raleigh June 3—Today sheriff George McLeod of Robeson county arrived here and at once took charge of Kerr, Southard and Carroll the prisoners having their hearing before the Supreme court on habeas corpus proceedings after Judge Peebles ordered sending them to jail. The sheriff said he had directly upon arrival taken charge of his worthy prisoners. He was asked if attorney Argo, who yesterday stated that he represented the sheriff, had been retained by him and replied that he had no knowledge whatever of any such thing, and that he had not retained Mr Argo. Sheriff McLeod kept a close watch upon his prisoners. It was remarked on the street that Judge Peebles had endeavored to raise the point that the prisoners were not now under arrest.

Other Actions Pending.

Special to Journal
Raleigh June 3—Attorney W W Clark for ex-receivers Meares and McRae was seen tonight and said regarding their status: "The result of the order of Chief Justice Fuller in suspending Judge Parnell's decree of May 28th continues injunction in original order until October 28th. It also suspends hearing to one of our clerks Ryan. State will operate until paying current expenses. The supersedeas issued by the Chief Justice does not annul judgment but merely suspends its operation and does not apply to original injunction."

IT COSTS YOU NOTHING.

F. S. Duffy Will Return Your Money If His Pills Don't Cure You.

There are hundreds of people in New Bern who owe the least bit of gratitude when they read in the "Journal" that F. S. Duffy is giving \$100,000 on guarantee to return the money in case it did not cure. This nervous dyspepsia remedy will cure the worst case of indigestion, biliousness, flatulency or the general played out condition that afflicts every one suffering with stomach trouble.

It is not only a sure remedy, it cures. F. S. Duffy can tell you of many well known people in this city whom this remedy has returned to health, often after they have tried many other methods of treatment with little or no benefit.

The best kind of advertising is the praise of a pleased customer. And there are hundreds in New Bern today praising F. S. Duffy's pills. A few months ago they could not eat anything without suffering with indigestion. Now they eat what they wish and sleep peacefully with no fear of suffering.

This medicine is in the form of a small tablet, very pleasant to take and costs only 50c a box. It is a pure medicine that specifically and permanently cures all forms of stomach trouble and is the only one that can be used under a positive guarantee. It is the only one that can be used under a positive guarantee. It is the only one that can be used under a positive guarantee.

DR. STANT CHING.

Dr. H. O. Spent of Kinston will be in New Bern on South Front Street from 12 o'clock to 1 o'clock Tuesday and Wednesday for the purpose of treating the people of this county.

THE TRIUMPHS OF PE-RU-NA INCREASE.

Thousands of Chronic Ailments of Women Cured Every Month—Disguised Internal Catarrh the Enemy of Women—Pe-ru-na the Only Internal Systemic Catarrh Remedy Yet Devised—Prominent Cases in Illustration.

Nervous Depression.

Summer months are peculiarly the months of nervous diseases, especially nervous prostration and other depressed states of the nervous system. People who are not at all inclined to be nervous or suffer from weak nerves find this time especially trying. Sultry heat and electrical disturbances of the atmosphere are probably the cause of this.

Miss Helen Roloff, Kalamazoo, Mich., writes: "Several times during the past two years or more my system has been greatly in need of a tonic, and at those times Pe-ru-na has been of great help in building up the system, restoring my appetite and securing regular sleep. I know a great number of women who are using it for the troubles peculiar to sex, and with the best results."
—Helen Roloff.

The medicine only is obtained by each patient at her own drug store. Those desiring to become regular patients have only to send address, duration of disease and treatment previously received, and directions for the first month's treatment will be sent at once.

Over half the women have catarrh in some form or another. And yet, probably not a tenth of the women know that their disease is catarrh. To distinguish catarrh of various organs it has been named very differently.

One woman has dyspepsia, another bronchitis, another Bright's disease, another liver complaint, another consumption, another female complaint. These women would be very much surprised to hear that they are all suffering with chronic catarrh. But it is so, nevertheless.

Each one of these troubles and a great many more are simply catarrh—that is, chronic inflammation of the mucous lining of which organ is affected. Any internal remedy that will cure catarrh in one location will cure it in any other location. This is why Pe-ru-na has become so widely famous in the cure of female diseases. It cures catarrh wherever located. Its cures remain. Pe-ru-na does not palliate—it cures.

Miss Louise Bertzel, 19 1/2 Second street, Brooklyn, N. Y., writes: "My health was excellent until about six months ago, when I seemed to have a collapse from overworking socially, and the doctor ordered an entire change of scene and climate. As this was an absolute impossibility at the time, I had to try and regain my health in another way and was induced by a friend, who gave Pe-ru-na such a good recommendation, to try Pe-ru-na. I cannot tell you the condition of my nerves when I began to use it. The least noise irritated me, and I felt that life was not worth living, but Pe-ru-na soon changed me into a well woman, and now I do not know I have nerves."
—Louise Bertzel.

Miss Jennie Finley, 19 Madison Street, Memphis, Tenn., a popular young society lady of that place, writes: "Three years ago I had very poor health, and while I was only sick bed occasionally, I was unable to enjoy life and lacked vitality and strength. I was all the time subject to cold and malaria. Four bottles of Pe-ru-na changed my entire physical condition. My head stopped aching, my strength returned, and the poison was eliminated from my blood. I feel like a new and well woman once more. It is a truly rare tonic and well worthy the good things that are said about it. It did not cost me a penny more than I could afford to pay."
—Jennie Finley.
