## There's Room For Success In The Great Southwest

Have you ever considered the great advantage of this feature of the Southwest—plenty of elbow room—where three, five, even ten acres may be had at the price of a single acre in your home section? It's worth considering, especially when the great productive worth of the land is taken in account. It's a wonderfully fertile section. There is no bonanza agricultural section in this country, and farms are cheap out there—in Arkansas, Oklahoma and Texas—simply because there are more farms than farmers. Can you afford to overlook an opportunity of this kind? Our illustrated booklet will give you the particulars in detail. It is not intended yourself write for them anyway in behalf of your less favored relatives and neighbors.

### FOREMAN

June 2nd.

We are having fine weather for farming to begin.

The sowing and marketing of the Irish potato crop will begin next week.

Our farmers are much pleased over the news that the railroad as much talked of to be built from Adams Creek on Neuse river to Beaufort is now being graded out.

The painters Messrs Ramsey and King of Beaufort were in our town last week painting Bethel Church at Tuttle's Grove.

Mr. D. E. Langdale and daughter, Miss Pearl went to Morehead City Friday evening to meet his daughter Miss Beulah who has been spending the school year at a finishing Female College.

Miss Lulu Handman returned home Friday night from Littleton Female College.

The Quarterly meeting at Tuttle's Grove which was conducted by Dr. J. D. Swindle of Goldsboro and Rev. J. H. M. Gilne of Newport was largely attended by people from surrounding counties.

Miss Jessie Sparrow of near Beaufort who has been visiting Mrs. Martha Hunter, returned home Sunday afternoon.

Among the many visitors who attended the Quarterly Meeting on the 28th and 29th were Mrs. J. H. Bell, Mr. and Mrs. James Taylor, Mr. Penn Connor and Miss Annie Mason, Mr. and Mrs. Jack Taylor of Harlow, Mr. and Mrs. Abner Whitehead and daughter Miss Zummy of Oak Grove, Mr. Ed Taylor of Beaufort.

Mr. Christopher Bell and daughters Misses Beulah and Eva, of Beaufort, were the guests of Mrs. M. A. Stanton Saturday and Sunday.

Miss Vera Hartley, of Core Creek, was the guest of Miss Hertha Langdale Saturday.

### Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins, antiseptic dressings are applied to wounds, bruises, burns and lacerations before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Palm Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soothes. Keep a bottle of Palm Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which aches and injuries entail.

### A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some "disease" or family trouble. It wears and tires them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, restores healthy bodily functions, gives vigor and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists. P. F. Duffy.

### SWANSBORO.

June 1.

We had a fine rain Monday and the farmers are all smiles as the rain was very much needed.

There was quite a large number of people in Swansboro Saturday. Some attending the meeting at the Methodist church and some attending the revival meeting the Baptist church.

Mr. W. T. Midway, of Oriental, who has been spending a few days with her parents, Mr. and Mrs. J. A. Pittman, returned to her home last Monday, accompanied by her sister Mrs. P. W. Bell.

Work has begun on the Life Saving station at Refuge Inlet and they expect to have it finished by the last of August. Mr. G. B. Wallace of Morehead City is the contractor. The building will cost eight thousand two hundred dollars.

Mrs. W. N. Marine and Mrs. I. H. Provost who have been attending the revival meeting at this place returned to their home Monday.

Mrs. Mary Bryant of Jones county, spent Sunday and Monday in Swansboro visiting friends and relatives.

Miss Mary McGinnis is spending a few days here visiting friends.

Miss Maudie Frank will close her school here this week. We regret very much to have Miss Maudie leave. She is an excellent teacher and has given perfect satisfaction as a teacher. The public school at this place will also close this week; then won't the little fellows kick up their heels!

Miss Flossie Matlock and Daisy Pittman took a trip to Norfolk this week. They will spend several days there visiting relatives in Norfolk, Portsmouth and Berkeley.

At a Democratic meeting held in Swansboro on the 28th, J. A. Pittman was called to the chair and explained the object of the meeting, then they proceeded to elect delegates to the convention to be held in Beaufort on June 26th, for the purpose of electing delegates to the State, Congressional and Senatorial Conventions. They also elected the executive committee, then they committee elected Mr. G. B. Pittman, chairman of said committee.

### NATURE TELLS YOU

#### As many a New Bern Reader Knows too Well.

When the kidneys are sick, Nature tells you all about it. The signs are unmistakable. In frequent and too frequent urination. Any ordinary reliable rule of kidney (the Doan's Kidney Pills) care all kidney ailments. New Bern people testify to this.

L. A. Smith, Superintendent of Oyster Sales on 15th Street, is reading at 13 G Street. "I used Doan's Pills for my kidneys and back. The secretions from the kidneys was all out of order, and too frequent urination. Doan's Kidney Pills stopped this. My little boy was troubled with a kidney weakness and the secretions were highly colored and full of mucus. I gave him some of the pills and he cleared his secretions up to like normal color. I cannot but commend Doan's Kidney Pills as a sweet, safe kidney cure and do not hesitate to say so. I told them at Broad's Pharmacy."

### SMALL

June 2nd.

The farmers in this section are well up with their work and crops are looking well.

Cotton chipping is in full blast and some will begin digging Irish potatoes this week.

Our farmers think the potato crop will yield fairly well and prospects are good for a fairly good price.

The Democrats met in primary at Edwards on Saturday last and appointed delegates to attend the county convention which convenes at Washington June 1st. The delegates were instructed to vote for R. B. Glavin for Governor; J. Y. Joyner, Supt. of Pub. Instruction; Judge George H. Brown, Associate Justice and Hon. Jno. H. Small to succeed himself as Congressional nominee. For the remainder of the State and Judicial ticket they were left unattended.

The Christian church held the regular union at Edwards Saturday and Sunday last. The union was largely attended.

Our school is still in progress with a good attendance, but will close June 3rd. We shall then take the Teacher's Institute at Bayboro which begins on June 6th.

### Heaven will permit no man to secure happiness by crime—Alford.

Sued by His Doctor.

"A doctor here has sued me for \$120.00 which I claimed was excessive for a case of cholera morbus," says R. W. W. of Connelly, Cal. "At the trial he offered his medical skill and medicines. I told him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say so until he had it was not." No doctor could use a letter more than this in a case of cholera morbus, it never fails. Sold by All Druggists.
