The World's Greatest Skin Humour. Affects Every Age and

Condition.

The Only Sure Cure is Cuticura.

If there were not another external skin disease known, eczema would be a sufficient infliction on mankind. It pervades all classes, and descends impartially through generations. While some are constantly enveloped in it, others have it confined to small patches in the ears, on the scalp, on the breast, on the palms of the hands, on the limbs, etc., but everywhere its distinctive feature is small watery blister, which discharges an aerid fluid, causing heat, inflammation, and intense itching, scaling and

crusting.

The Cuticura treatment is at once agreeable, speedy, economical and comprehensive. Bathe the affected parts freely with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent, or Pills, to cool and cleanse the blood. This treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours, and points to a speedy, permanent and economical cure of torturing, disfiguring humours, eczemas, rashes and inflammations, from infancy to age, when all other remedies and the crusting. to age, when all other remedies and the best physicians fail.
