WASTE LANDS.

Steps Taken to Utilize Valuable Waste Land in the State

Three Candidates for Nomination of Lt. Governor. Veterans Leave for Knoxville. Contributions Received to Purchase and Reestablish the Native Home of Gen. Andrew Johnson.

Raleigh, N. C. June 13th.—Senator Simmons came here today from Beaufort, where he and his family are spending the summer, having leased the home of the late John R. Morris. The senator looks much better and says he is enjoying life there taking exercise, mainly horseback riding, walking a good deal and arranging to row in a boat in those delightful waters. Some one asked him about the labor question and he said that the State was forced to face with the problem of getting labor. That as he traveled about in North Carolina he noticed a great deal of valuable waste land. The cheap lands of the west have nearly all taken up, and it ought to be North Carolina's turn next. He said that next session congress would pass the bill providing that the various States should have quarters on Ellis Island, where the immigrants land, and be given access to the latter and also for a display an information bureau there, to be maintained by the government which will give information as to all the States and which will give the latter an equal chance in regard to procuring the desired character of people. The bill gives a chance for selection.

It is now learned that Joseph A. Brown of Columbus county is a candidate for Lt. Governor, thus making three of these in the field.

State superintendent Joyner has returned from the Teacher's Assembly at Morehead City and says about 300 representative teachers were present; that he never attended a session at which the speeches and discussion were of a higher order throughout. The spirit was firm and the educational enthusiasm great.

Speaking about the local tax movement in aid of public schools Mr. Joyner said that just now not very many elections on this question are being held. He has about 125 applications on file to speak or send speakers to educational meetings during the summer.

State Auditor Dixon has also returned from Morehead city and says he found the people delighted at the outcome of the contention as to the Atlantic & North Carolina railway, and that the road was again in the hands of the proper authorities.

Yesterday afternoon the contingent of Confederate veterans from here left on special cars for the reunion at Nashville, Tenn. The veteran drum corps left, as did also commander A. B. Stromach of the local camp, Joshua U. Hill, V. C. Royster, Capt. R. H. Brooks of the Soldiers Home, and others, also Miss Mary Jones, the sponsor of the local camp. With the drum corps was little Mary Stromach, daughter of Mr. A. B. Stromach, who in uniform will march with the drum corps.

A. L. Brooks, who is in charge of Maj. Stedman's campaign at Greensboro is here and says that he feels confident that Major Stedman will poll a strength of over 500 on the first ballot. He says the Stedman men are perfectly satisfied at the conditions of affairs. He admits that it is a hard fight.

Funds have been received, contributed by a public spirited person, for the purchase of the old house here in which resident Andrew Johnson was born. It is the plan to remove this to Pullen Park, and place it on a site in plain view of passengers on the Southern and Seaboard Air Line railway, and to fit up as a museum; in a room of which the colored dames and Descendants of the Revolution can hold meetings. The old house is very well preserved, is small and can probably be easily moved.

PSORIASIS AND ECZEMA

Milk Crust, Scalloped Head, Tetter, Ringworm and Pimples

COMPLETE TREATMENT, \$1.00

For Torturing, Disfiguring Humours, From Pimples to Scrofula, From Infancy to Age.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the eruptive eruptions of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and humor remedies of the civilized world.

Complete treatment for every humor, consisting of Cuticura Soap to cleanse the skin, Cuticura Ointment to heal the skin, and Cuticura Resolvent Pills to cool and cleanse the blood may now be had for one dollar. A single set is often sufficient to cure the most torturing, disfiguring, itching, burning and scaly humors, eczemas, rashes and irritations, from infancy to age, when all else fails.

Sold throughout the world. Cuticura Resolvent Pills, 6c per box of 100, Cuticura Soap, 25c per box, Cuticura Ointment, 10c per tin. Sold by all druggists, or by mail to J. C. Kennerly, 127 Columbus Ave., New York City, or to J. C. Kennerly, 127 Columbus Ave., New York City, or to J. C. Kennerly, 127 Columbus Ave., New York City.
