CONVENTION HALL.

St Louis, July 7.-The convention was called to order today at 10 o'clock by Congressman Champ Clark of Missourl permanent chairman. Archbish op John J Glenn, of St Louis, opened the session with prayer. The first busi ness of the convention was the discus sion of the status of the delegates from Porto Rico and the Phillipine. The cause of the refusal of the chairman to recognize the delegates from the Phillipines on the ground that they were not members of the convention. Later the assembly voted to receive the Porto 7,33524 Rico delegates

This demonstration seemed to nettle 00122 he Parker delegates who at once began to attempt to stem the tide of the Bryan sentiment. A member of the Georgia delegation brought a Parker banner to the front of the house and it was taken in charge by the New York delegater. The mention of Parker caused at ; outburst of hoots and hisses but the endeav or to force respect for Parker was continued. South Carolina came to the help of the Parker delegates. The scene of the ovation to Bryan was one of the greatest confusion imaginable, It June 30 By vouchers was thought that it evened exceed that demonstration when he was nominated in 1893. The only Parker banner was that displayed by the Georgia delegates. The excitement subsided only after persistent use of the gavel and vigor ous methods of the Master at Arms and

After orde was restored the report June 30 By Coupons of the committee on credentials was July 1 By bal called for. W J Bryan, presented the minority report and appeared on the platform and the great audience once more gave vent to loud and continued shouts of applause. He made a speech on the Illinois factional fight which took some time to decide. Bryan tells the audience that he hopes that the plat form committee will have a statement of principles that will be the mouthpiece July 1 By bal of a united party.

The credential majority committee's report was read by Congressman Head of lilinois, which was replied to by Bryan. Head defended the majority re port in an able speech. The wrangle continued for over an hour, Bryan maintaining that the Hopkins faction of the Illinois delegation) should not be seated. The galleries grew restless and noisy, listening to this bitter quarrel and of June 1904. There has been reported they were so disorderly the chairman to me 6 cases of typhold fever, 6 cases of threatened to clear them. The majority mumps and a few cases of whooping report on the credential committee was adopted viva voce. This settled the disputed question as to who were legally entitled to represent Illinois in the convention. The Hopkins faction winning out. The majority report was received viva your 647 votes for, and 299 real estate within the limits of the fence against. This was the first test vote of district of said township.

HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease, eczema, which caused my babe untold suffering and myself many sleepless

"My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair feil out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away. "To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no

scar left to recall that awful sore, and it is over eight months and no sign of its returning."

asking in regard to the cure of my baby some six years ago. Well, the disease has never returned to her head which st that time was a solid sore on top and down the back. Once or twice since then a patch has come on her hand near the wrist, but it flually disappeared after proper treatment with Cuticura." Sold throughout the world. Online Resolvents, 60s.
