WISHING

Do you wish the world were better? Let me tell you what to do. Set a watch upon your actions. Keep them always straight and true. Rtd your mind of selfish motives. Let your thoughts be clean and high. You can make a little Eden of the sphere you occupy.

Do you wish the world were wiser? Well, suppose you make a start by accumulating wisdom.

In the scrap-book of your heart; Do not waste one page on folly; Live to learn, and learn to live; If you want to give men knowledge, You must get it, ere you give.

Do you wish the world were happier? Then remember day by day Just to scatter seeds of kindness

As you pass along the way, For the pleasures of the many May be oftentimes traced to one, As the hand that plants an acorn shelters armies from the sun.

Governor Aycock was asked if a lease would not be made very quickly. He replied that he would take up the matter at once and that he had notified Philadelphia bidders. There are two bidders, one the Atlantic Railway Co. which has put up a \$50,000 guarantee. The other being Philadelphia Syndicate.

STOMACH DOSING WILL NOT CURE.

Only Way to Cure Catarrh Is By Breathing Hyomel

Ask any physician if catarrh is a blood disease and he will tell you that it is a diseased condition of the mucous membrane and that it cannot be cured by blood purifiers, pills, tablets, or other forms of stomach dosing. The only sensible and scientific way of curing catarrh is by the use of Hyomel.

Brushed for a few minutes, four or five times a day, through a hard rubber inhaler that is so small that it can be carried in the vest pocket, Hyomel will absolutely destroy all catarrhal germs and cure the disease. Catarrh can never exist where Hyomel is used. It has a two-fold action, destroying the disease germs in the air passages and lungs, and soothing and healing the inflamed mucous membrane.

F. S. Duffy, one of the most reliable firms in New Bern is giving his personal guarantee with every package of Hyomel he sells, that it will affect a cure or he will return the money. He has had scores of reports of remarkable cures of both acute and chronic cases of catarrh by Hyomel.

No other treatment has the endorsement of so many reputable people in all walks of life, as this salutary yet common sense cure for catarrh.

The complete Hyomel outfit costs \$1.00 and comprises a hard rubber inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomel can be obtained for 50c.

An Honorable Defeat

The Journal takes pleasure in reproducing the Wilmington Star's account of the base ball game in that city last Friday.

The New Bern baseball club, the proclaimed champions of East Carolina, went down in defeat before the strong Cape Fear Academy team of Wilmington in the presence of 3500 spectators at Hilton Park yesterday afternoon. The score was three to one and the game was a fine exhibition of the national sport. The New Bernians arrived on the excursion yesterday morning and were reinforced on the grounds in the afternoon by a big contingent of most enthusiastic "rooters" on the bleachers. The Wilmington noise-makers were also there and between the two factions, interest was kept at fever heat. The visitors developed a wonder on the slab in the person of John Patterson, who may well be called "the boy wonder." He is only 17 years of age and let the toes down with a minimum of hits, pulling himself very cleverly out of a hole at several critical points. "Red" Wilson, on the slab for the locals, also did fine work, keeping his hits well scattered and his head with him at all times. Both pitchers received good support, though the four runs were made on errors. The New Bernians started the chalking with their lonesome run in the second inning and it was a chance run, too. Two men were down, but Woolen made the only double hit of the game and got third on an error. An infield hit sent him over the pan. Wilmington got her runs in a pile in the sixth inning. Calder received a pass and stole second. Moore hit in the diamond and went safe on error of first base, giving Calder third. Then followed a succession of errors, a wild throw, a passed ball and two runs for the locals were netted, leaving a man on third base. He was scored on an opportunity infield hit by Wilson with two men out. But the tabulated score tells the story and here it is:

FROM THE WILMINGTON DISPATCH:

In a snappy game of ball at Hilton Park yesterday afternoon New Bern went down in defeat before the Cape Fear Academy team of Wilmington. The score was three to one and each team did its score in one inning. Gross errors were responsible for all the runs made. Had the game been errorless runs would have been made. New Bern scored in the second but Wilmington didn't see the home plate until the sixth.

It was a battle between pitchers, with the honors a shade in favor of Patterson of New Bern. He pitched a very strong game and allowed only two hits. His speed and control were very good. When it is taken into consideration that Patterson is only 17 years old his work on the slab was really wonderful. "Red" Wilson, who did the honors for the locals, pitched his usual gilt-edge ball. He was hit safely only five times and they were kept well scattered. New Bern has a good team and they are generally all of fellows, with a very clever manager, Mr. J. B. Dawson.

Not Much Doing.

Chicago, July 30.-The situation at the yards is comparatively quiet this morning. Four hundred non-union men, three hundred of whom are colored were brought in on the early morning train and distributed among the various packing houses without disturbance. The crowd attacked a delivery wagon on Forty seventh street this morning, and the police coming to the rescue made 13 arrests. No one was hurt. The receipts this morning were one thousand cattle, twelve thousand hogs and three thousand sheep, about the usual Saturday's figures. There is not enough stock on hand for the plants to operate Sunday. This may prove a serious trouble, as some of the drive men will wander without the confines of the yards and encounter the strikers' pickets.
