BADLY EMBARRASSED.

W. W. Mills Lumber Co. Prominent Men Concerned. Expected to Pay Out.

Raleigh, N C, Aug 17, 1904—The Walter W Mills Lumber Co. of this city is embarrassed and it is said that the liabilities exceed the assets by something like $30,000. This company owns a half interest in the Biscoe Lumber Co, and employs a number of saw mills to work for it. The embarrassment does not at all affect the railway or the bank in which Mr Mills is interested. Mr Mills has written a letter to each creditor offering to assume all liabilities. He is now in New York.

His brother John A. Mills said today that Walter Mills would come out all right and every cent if given a proper showing. It appears that practically all the creditors are entirely willing to assent to this proposition to assume and settle the obligation of the company. Several of his friends have placed all their funds at his disposal in case they are needed. Walter Mills is a member of the Atlantic Railway Co, which is one of the bidders for the Atlantic and North Carolina railway lease. He has also a contract for building the railway from New Bern into Pamlico county. He stands very high as a business man and as a straight forward one.

CABBAGE EXPERIMENT.

310 Varieties For This Section. A Rainy Season in Sand Hill Country.

Raleigh, August 17.—This afternoon State Horticulturist Hume left for Wilmington to attend, by special invitation, a meeting of the stockholders of the Eastern Carolina Truckers Association, which has been remarkably successful in developing that part of the State, and in making parts of it like a garden.

Prof Hume will tomorrow send to Mr William Dunn of New Bern 310 different kinds of cabbage seed from different sources. Of these 60, having been sent by the United States Agricultural Department. All are of the early and the second early varieties, which only are adapted for the eastern part of the State. Mr Dunn will grow the crop for the department. He is one of the best known and most successful truckers in the State and will give special care to this interesting and valuable experiment.

This has certainly been what may be called a rainy season. Mr Henry Page, speaking about the rain fall in the sand hill country said: "More rain has fallen than was ever before seen in the same length of time. During three weeks it rained every day except one. Each day there was a good hard shower at least and sometimes heavy rains."

RUN BASE BALL.

An Exhibition of the National Game That Would Have Made King Kelly Turn in His Grave.

One of the raggedest games of ball that a New Bern team has ever been guilty of was perpetrated at Blades Park yesterday. The natives were fierce in their efforts to put up as poor an article as they could. They were certainly successful in their efforts. Carl Daniels was in the box during the first few innings his work was good and he gives promise of making a satisfactory name for himself. He was relieved by John Patterson.

The Baysons who were their opponents were not what one would call really swift players. In fact, had the game been played as it ought the result would have been a ridiculous score, but for the experience they have had they play a very good game.

Rice in right field won the honors of the game by his fine work in the field. He caught nearly every batted ball that came his way, many of them were quite difficult catches but he pulled them all in. His work was the most effective on the team.

By mutual consent and on account of the prospect of rain the game was called off at the end of the eighth inning.

Following is the score by inning.

	1	2	3	4	5	6	7	8
Baysons	0	2	0	1	0	0	0	0
New Berns	1	2	1	0	0	0	3	2

It conquers all coughs, colds and throat and lung troubles. Guaranteed by C D Bradham, Druggist. Price 50c and $1. Trial bottle free.

COMMISSIONERS ON LEASE.

Special August Meeting. Reasons For Individual Votes on Lease Question.

The board met at the Court House Aug 15th, 1904 at 10 o'clock a m pursuant to recess.

Present commissioners, Baxter, Foy, Wadsworth, Richardson and Harvey.

Ordered by the board that M Hahn, W B Blades, Dr Chas Duffy and J W Stewart appear before the board at its next regular meeting in September and show cause if any they have why the valuation of their property should not be increased.

Ordered by the board that the property of Miss Mary H Harrison at the corner of Broad and Middle streets be put upon the delinquent list.

On motion of commissioner Wadsworth, it is ordered that the chairman of the board be and is hereby made proxy to represent the county of Craven at all meetings of the stockholders of the Atlantic & North Carolina Rail Road Co, with power under him to appoint one or more proxies.

On motion the matter of reduction in the valuation of property of Mrs S E C Petty be and is hereby referred to Mr E L Harper for recommendation in reference to same.

On motion board took recess until 3.30 o'clock p m.

The board met at 3.30 o'clock p m pursuant to recess.

Present commissioners, Baxter, Richardson, Harvey and Wadsworth.

Commissioner Wadsworth moved that the county proxy be instructed to vote the county's stock in the Atlantic and North Carolina Railroad for a lease of said road to the best possible advantage.

Commissioner Richardson amended commissioner Wadsworth's motion by motion to vote said stock for a lease of the road to pay not less than 6 per cent for the first ten years.

Vote being called on commissioner Richardson's amendment was as follows viz: Richardson yes, Foy yes, Wadsworth no, Harvey no, Baxter no.

The vote on commissioner Wadsworth's motion being called resulted as follows, viz: Richardson voting no, because he thought it not to the best interest of Craven county to lease, when the stock of the road is advancing so rapidly. Foy voting no, because he believed it against the interest of the county and state to lease this valuable property which is every day increasing in value. Commissioners Wadsworth, Harvey and Baxter voting yes.

On motion it is ordered that the clerk is hereby instructed to furnish the Governor a copy of the above resolutions in connection with the A & N C Rail-Road Co.

On motion the board adjourned.

Aug 16th. 1904.

ATTEMPT TO LOOT A BOAT.

A Negro Thief Breaks Into The Cabin of the Schooner Essex.

Tuesday night at nine o'clock a negro broke into the cabin of the schooner Essex, of which Captain Perkins Bowen is Master and attempted to make away with what loose things there were at hand. He took the Captain's hat and cut open a valise belonging to Misses Maud and Anna Lupton in the hope of finding valuable jewelry. Fortunately, however, Captain Bowen appearing, the man left having stolen only the hat. He strewed the floor of the cabin with the contents of the valise.

The negro escaped. One man was suspected but as the guilt could not be proved against him he was released.

Examination For Clerk, Departmental Service.

The United States Civil Service Commission, is to hold a Departmental Clerk examination at Wilmington, N C, September 26th, and the attention of clerks in railway offices, banks, etc., where employees are required to perform rapid and accurate work, is particularly called to the examination, as it appears to be designed especially in the rapid copying and computation exercises to test the qualifications of such persons. The Examination is open to all citizens of the United States except legal residents of Delaware, Maryland, Nevada, Vermont, Virginia, Wyoming, and the District of Columbia.

Applicants should at once apply to the Civil Service Commission for application Form 304 and a copy of the Manual and the application should be properly executed and filed with the Commission at Washington.

A Sweet Breath.

is a never failing signal of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs Mary S. Crisp, of White Plains, Ky., writes "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat anything. Hoo." Kodol digests what you eat and makes the stomach sweet. Sold by F. A. Duffy, Druggist.

SEVENTY-FIVE YEARS YOUNG.

Mr William H. Oliver Issues Announcements To That Effect.

Friends of Mr W H Oliver have received cards with the following inscription.

1829——AUGUST 18,——1904.

The 75 Anniversary of My Birth Day.

Compliments of

WILLIAM H. OLIVER,

New Bern, N C.

Mr Oliver is hale and hearty and rejoices in the fact that he is able to conduct his business affairs as well as he ever could. Having come to the three-quarter-of-a-century mark he looks into the future with as much hope and expectancy as almost any younger man. He is the second oldest native white man in New Bern. Col John D Whitford being the oldest.

The Journal joins with Mr Oliver's many friends in the sincere wish that time will deal as gently with him as it has hitherto and that many years may be alloted to him, and that he may always enjoy his present vigorous health.

COSTS NOTHING UNLESS CURED

A Fair Offer Made By F. S. Duffy to All Sufferers From Catarrh.

F S Duffy is selling Hyomei on a plan that has caused considerable talk amongst his customers.

The plan is different from that followed by other remedies, but the remedy itself is different also This treatment for the cure of catarrh has such an unusual record of cures to its credit that F S Duffy offers to refund the money if it does not give the desired benefit. This is certainly one of the fairest offers that can be made and any one who has catarrh and does not take advantage of it is doing himself or herself an injustice.

The Hyomei treatment consists of a small hard rubber inhaler that can be carried in the vest pocket or purse, a medicine dropper and a bottle of Hyomei. The complete treatment costs but $1 and as the inhaler will last a lifetime the medicine is very inexpensive. Many people who have used it write that for the good Hyomei has done them they would willingly pay thousands of dollars.

Extra bottles of Hyomei can be procured for use with the inhaler at 50c.

Do not suffer any longer with tickling, smarting, burning, eye-watering troubles that afflict those who have catarrh. Hyomei will cure you, but if you should not find it adapted to your case, F S Duffy, will return your money.

Insurance and Brick

A servant with a "jag", or in other words drunk, may cause irreparable loss by fire. The only way to provide against financial loss is to protect your home with an insurance policy; it will soothe some of your grief over your Lares and Penates. It is an easy thing to step into my office and have a policy drawn in a good company, and it will take weight from your mind.
