SHORT PASSING EVENTS.

All changes of advertisements must be in this office by 12 o'clock, (noon) or positively no changes will be made.

The man who advertises with a short and sudden jerk, is the man who blames the Editor because it didn't work; the man who gets the business has a long and steady pull and keeps his local paper from week to week quite full.

There will be a meeting of the Daughters of the Confederacy this afternoon at 3 o'clock at their rooms on Broad street. A full attendance is desired, as delegates are to be appointed to attend the Goldsboro Convention.

The sham battle between the Second and Third regiments at Morehead occurred Wednesday afternoon and was a brilliant success. The fight occurred half way between the camp and the city and was witnessed by many people. The two forces were composed of battalions. The sides were called the "blues" and "browns" and the victory was decided in favor of the "browns." It was an interesting as well as instructive amusement.

Hon J H Small, Congressman from the First District was recognized by acclamation at the Convention held in Edenton Wednesday.

A train composed of twelve cars passed through the city to Morehead yesterday for the accommodation of the soldiers; the encampment breaks up to day.

The children taking part in the Lantern Carnival will form in line at the green at 7:30 this evening and march to corner of Pollock and Middle streets; then return to the green and have a special drill of twenty-four young ladies with Japanese lanterns. Twelve prizes have been donated for the best home made lanterns, and judges have been secured who will award them impartially. The decorative effect will be unique. Don't miss it. Refreshments will be served.

Attention is called to the livery stable advertisement of J S Hudson & Co., which appears in this issue. Messrs Hudson are from Pollockville and are well known to the people in this section and have opened livery, feed, sales and exchange stables formerly used by J M Arnold on Broad street.

Mr J M Hines who has been running a grocery store at the corner of Broad and Hancock streets has removed to the store of Broad street, next to the Oaks Market.

It was remarked that there was less river craft moored at the market dock yesterday than had been in a long time. For several hours and until night there was not a boat to except a small canoe belonging to a merchant.

Watermelons are getting on the bum now. There are some good ones on the market yet, but "knobs" have begun to arrive and in a few days the festive season will be over.

Sweet potatoes are becoming fairly plentiful but are very high, retailing for forty cents the peck.

Third District Rural Deliveries.

Congressman Charles R Thomas has been advised by the Post Office that a Rural Free Delivery Inspector is now in his district and will remain there for some time.

Those interested in these services should govern themselves accordingly. Congressman Thomas has in his district now about one hundred Rural Free Delivery routes and the number is constantly increasing. He is unceasing and untiring in his efforts to serve his people.

A Sweet Breath.

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. O'Leary, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles was fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by F. S. Duffy, druggist.

CLARE-KRITH MARRIAGE.

Young People From New Bern, N. C., Marry in Norfolk.

Norfolk-Virginian Pilot, 19th. Miss Alice D Smith and Mr Charles Caviborne Clark, both of New Bern, N. C., were happily united in the bonds of holy wedlock in the pastor's study of the First Baptist church at 8 o'clock yesterday afternoon. The nuptial knot was impressively tied by Rev R Richards, D. D., of New York.

At the conclusion of the marriage rite Mr and Mrs Clark left on the outgoing steamer on a bridal trip to Washington, D. C., and other points of interest. They will return to Norfolk next week and after spending several days with Mr Clark's sister, Mrs Thomas Walter, of 50 Tazewell street, will leave for New Bern.

Vigorous and Aggressive.

The News and Observer has entered the eleventh year of life under its present ownership. The paper is one of the representative journals of the South its strong editorials are indicative of the vigorous and aggressive personality of Josephus Daniels, who as Editor-in-Chief has pursued a policy for the paper that has given it an enviable prestige among the reading public.

Bishop Joseph B Key, Southern M E Church writes: "We gave Dr Moffet's 'TRETINA' (Toothing Powder) to our little grandchild with the happiest results. The effects were almost magical and certainly more satisfactory than from anything we ever used." "TRETINA" (Toothing Powder) Counteracts and Overcomes the Effects of the Summer Heat.

THE SECRET OF SUCCESS.

Forty million bottles of August Flower are sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unending success in the cure of indigestion and dyspepsia—the two greatest enemies of health and happiness? Does it not afford the evidence that August Flower is a sure specific for all stomach and intestinal disorders—that it has proved itself the best of all liver regulators? August Flower has a matchless record of over thirty-five years in curing the ills of millions of those distressing complaints—a success that is becoming wider in its scope every day, at home and abroad, as the fame of August Flower spreads. Trial bottles 25c, regular size 75c. For sale by all druggists. F S Duffy.
