COURT OF INQUIRY

Suggested To Look Into Guardsmen Killing.

New Bern Military Academy Incorporated. State Politics. Duell. Wilson County Shows Lowest Tax Rate. Cotton Crop Good.

Raleigh, Aug. 20.—The state charter of the Sacred Heart Academy, incorporated at Belmont, Gaston county, under the auspices of the Sisters of Our Lady of Mercy, The Carolina Business College Co. of New Bern and the New Bern Military Academy Co., both having the same incorporators, the bank of Farmville, in Pitt county, authorized capital \$30,000, R. L. Davis and others stockholders.

Governor Aycock was asked today if he would order a court of inquiry to look into the matter of the deaths of the incarcerated National Guardsmen from Durham, who were killed on top of the train yesterday near Goldsboro, while on their way home from camp. It is not known what the war department will do about the matter, as those soldiers were under army pay and should have been under army regulations. The Governor said he did not know what he would do until he had a conference with the Adj. General.

The sheriff of this county says that he finds the cotton crop on clay lands to be above an average. James H. Pou, who has made a careful examination of his property in Johnston county says he finds it a great one, in fact the finest he ever saw. He finds over 31 bolls to a linear yard. That number of bolls he says will give a bale to the acre.

As yet the political campaign in the state is very dull. It is so one sided that it is difficult to arouse any enthusiasm. The Republicans are making all sorts of claims, of carrying this county or that, etc, but none of those seem to have any footing.

It is ascertained that 70 of the large party which left here last Tuesday for the west will make the tour to San Francisco and other points of interest on the Pacific coast.

Principal Hugh Morson of the Raleigh State Academy who is in the hospital here under treatment says he will open his school October 1, by which date his recovery will be complete.

Next Monday another series of farmers institutes will begin, and will occupy three weeks. The working force of the agricultural department will be in the field for that time. The institutes are very popular this year and are better attended by far than ever before.

A. B. Strong, commanding the local camp of Confederate veterans says no such interest is being aroused in regard to the encampment at Asheville that he expects to be able to take 30 members of his camp there. This gratifies him very greatly.

Chairman McNeill of the corporation commission said today that Wilson county has the lowest tax rate in the State, including state, school and general county taxes, the total being only 25 cents on the \$100 valuation. The sheriff of that county has collected a greater percentage of the taxes due than any other in the state, in fact having failed to collect only nine tenths of one per cent of the whole amount. The tax on property amount to \$72,000 and of this he collected all except \$66, this being regarded as a very remarkable showing.

Mrs. Eula B. Bradford of Elizabeth City, the principal of the graded school there has returned here after a month's work conducting Teachers Institutes in Cumberland and Harnett counties, having been assigned to do that work by State Superintendent Joyner. She is greatly impressed by the zeal of the teachers who attended the school 33, of whom were at Fayetteville and 40 at Lillington.

IN MEMORIAM

Against the grave of the Supreme Ruler of the Universe has fallen, calling from his labors on earth to rest above our beloved Brother, Ferdinand Ulrich; and

WHEREAS, St. John's Lodge No. 5 A F and A M, New Bern Chapter No. 48 Royal Arch Masons, and St. John's Commandery No. 10, K. T., New Bern, North Carolina have severally been called to mourn the loss of a devoted Brother and faithful and honored Knight; and

WHEREAS, in common said Lodge and Chapter and Commandery have suffered and sustained this sad and irrevocable loss, and desire to unite in this humble tribute to the memory of their departed one; therefore, be it

RESOLVED, that in the death of Ferdinand Ulrich, St. John's Lodge has given up a faithful and true member, its Royal Arch Chapter, a beloved and worthy companion, and St. John's Commandery, a loyal Knight, and an honored Commander.

In evidence of his great merit, and in consideration of his faithful service, he had but for a few months past borne the honors of Eminent Grand Commander of his State, and in the zenith of his glory, and in the freshness of his well earned recognition, he has been called to lay aside his sword and plume to obey the call of Him under whose All Wise edicts he served below, and has presented his arms at the Gates of that Kingdom, from which shall be uttered those cheering words, "Well done a good and faithful servant." * * * enter thou into Eternal rest."

United to us in the bonds of fellowship, brotherly love and Knighthood, his vacant place in the Bodies of our Lodge will ever be kept green by the memories of his presence.

Be it further

RESOLVED, that in our own united sorrow, we can but offer to his loved ones to share their grief, and individually to hope with them that while "We shall miss, yet we shall meet him" in those realms in which he is now at rest.

RESOLVED, that a copy of this sad memorial be spread upon the records of each of our Orders, and a copy be transmitted to his bereaved family, in token that we share with them their grief, and that a copy be published in the New Bern Journal, that the world may know our sorrow.

This Aug. 17th, 1904.

Russians Again Retreat.

Tokio, Aug. 20.—The Japanese occupied Ann Chan Chan yesterday and the Russian retreated along the road to Mukden. Ann Chan Chan is a point well suited for defense south of Liao Yang and though the dispatch says nothing of the fight there, "doubtless it was a serious one."

Insurance and Brick

A servant with a "big" or in other words drunk, may cause irreparable loss by fire. The only way to provide against financial loss is to protect your home with an insurance policy; it will double some of your grip over your lamp and fan. It is an easy thing to step into my office and have a policy drawn in a good company, and it will take weight from your mind.

Kent, Newark, Erie, etc. but before you sign any policy, see and inspect it by the Insurance Broker's Association. You can't do better than see Geo. A. Nicol's office.

BLACK MOUNTAIN INN

Brilliant Sunshine Days With Drivings And Horseback Parties. Pleasures of The Week.

Black Mt., Aug. 20.—The past week has been one of sunshine, the rain has ceased, and the gay pleasure seekers at The Inn have rolled out of doors each day in the glorious atmosphere, under the brilliant blue skies. The mountains have appeared in their splendor and with the moon light nights it has seemed a shame to have to give up and go to bed, leaving so much beauty out of doors.

It is not a question with those at The Inn to find recreation, but to find time to do all that is offered. Parties to Montreat, Lenoir's Gap and Asheville have been going in carriage or horse back, and greatly enjoyed also these trips.

Within doors there has been no cessation in the card parties, dancing and with so many musicians, there have been musicales, worthy of more than passing note.

On Monday night a large whist party spent an exciting time, shiving for prizes, the first prize, a lovely hand painted pinset going to Miss Carrie Wright of Wilmington, who was the successful one.

On Wednesday night a Musical Recital drew all the guests and some outsiders to the parlors, where the following excellent program was given and enjoyed:

Duet—Misses Atmore and Stoltz.
Vocal Solo—Miss Eva Stoltz.
Piano Solo—Miss Laura Ives.
Vocal Duet—Mrs Ives and Miss Stoltz.
Piano Solo—Miss Claypoole.
Vocal Solo—Mrs Ives.
Piano Duet—Misses Claypoole and Atmore.
German Song—Miss Stoltz.

The Friday night dances continue to be greatly enjoyed, especially the old time quadrille and Sir Roger de Coverly.

Next Monday a large party will leave in carriage and on horse back for a two days outing to Hekory Nut Gap.

The Pride of Harpooton.

"Those travelers who have seen our big trees out in California will be sorry to hear the bad news about the Grizzly Giant, the best known of all the monarchs of our forests," said Mr. E. G. Baker of Fresno, Cal., at the New Willard.

"This tree, the pride of the Harpooton grove, is slowly dying and in a little while will be devoid of foliage. If it is not leaning eighteen feet from its center axis and will continue to lose its equilibrium until some day it will come crashing down to the earth. To put off this evil hour arrangements are now being made to brace the trunk with cables. The giant is 244 feet high and 100 feet in circumference."—Washington Post.

Never Knew a Male to Kick a Man.

Colonel George E. Jenkins of Fairbury, quartermaster and commissary general of the Nebraska guard, at the recent school for national guard officers in this city, said:

"After a lifetime of close association with the male I have never known him to kick a man, nor have I ever met a man who knew another man of his own knowledge who had been kicked by a male."—Lincoln (Nebr.) State Journal.

How to Test Coffee.

Genuine roasted coffee of no matter what quality will not impart its color to cold water; nor will the bean lose its smooth surface or hard, tough consistency when subjected to a scalding of any duration, whereas chicory and other imitations become soft and spongy when soaked and render the water muddy, so that it is only necessary to give the suspect a bath to determine its genuineness. Of course the bean must be tried before grinding and the water must be cold, otherwise the test will not be conclusive.

Brewing Table Linens.

Have your tablecloth ready as if to sew by machine, and turn the hem all along with the hammer, but without spreading the needle. This turning in of the hem is, every one knows, the most laborious part of the task. With this accomplished, it is a comparatively easy matter to complete the sewing by hand.

The Fried Paper.

"Baby cartridges? Yes, sir," said the dealer. "What sort of one did you want?"

"Well," said Nipper proudly, "yours better give me a six months' run. He's only six weeks old, but large for his age."—Philadelphia Press.

A Deduction.

"He declines his wife made him all that he is."

"Quite likely. And I should judge that she didn't waste more than half an hour on the job."—Harper's Bazar.

Bishop Joseph E. Kay, Southern M. E. Church writes: "We give De Mott's 'TERTINA' (Purifying Powder) to our little grandchild with the happiest results. The attacks were almost magical and entirely more satisfactory than from anything we ever used."—"TERTINA" (Purifying Powder) Counterfeit and Imitations the Victims of the Unscrupulous.

Simple treatment of a slight attack of dysentery. You can avoid a serious and protracted illness by using De Mott's 'TERTINA' (Purifying Powder) at once. It is a reliable remedy for all cases of dysentery, whether acute or chronic. It is sold by all druggists and is guaranteed to give relief.
