MAKES GOOD IMPRESSION.

Syndicate of These Living Along Line A & N.C.

What They Said To Governor Aycock

Seem To Be Only Two Bidders For Road, Howland Other Bidder.

Special to Journal.

Raleigh, Aug. 22.—This morning a syndicate headed by George L. Kennedy and composed of persons living along the line of the Atlantic & North Carolina Railway came here to see the governor and talk over the matter of a bid for the lease.

Among those present were W. S. Chadwick of Beaufort and Edward B. Borden of Goldsboro. They said that their idea was to thoroughly protect the section through which the road passes and all the business interests along the line and that they felt that this course was to the advantage, not only to the people of that section in general but also to the interest of all the private stockholders and the State and to all the North Carolina public.

There are two other bids on file, but it seems to be the impression that in the winding up, September 1, when the stockholders are to meet, there may be only two bids to consider, one that of R. S. Howland of Asheville and the other that now made by Kennedy and his associates. Some persons appear to be rather confident that Howland will get the road. His bid has certainly made a very fine impression.

Governor Aycock said this afternoon that the gentleman referred to, Kennedy, Borden, Chadwick, had discussed the matter of a lease with him, but that he did not know yet whether they would file a bid or not. He added that they did not yet know themselves, but that if they did file, it would be done this week. They went home this afternoon.

JAPS SLAUGHTERED.

Russian Artillery Fire Sweeps Attacking Party.

But Japanese Continue to Advance. Russians Lose Important Positions.

Choo Foo, Aug. 22.—The Japs now have swept the Russians from Pigeon Bay and captured the northern most forts on the eastern line of the inner defenses of Port Arthur. The Japs were prevented from occupying Pigeon Bay or the fort on account of the terrific fire of the Russian artillery. The latest reports say the fort will soon fall.

Rome, Aug. 22.—A telegram received today states the Japs lost in the last assault on Port Arthur 2,500 men, including 63 officers.

Shanghai, Aug. 22.—The Japanese torpedo boat whose arrival here yesterday caused great excitement, left the harbor today with despatches for the fleet, which is now lying off the mouth of the bay.

Choo Foo, Aug. 22.—The tremendous conflict which began a few days ago on Port Arthur, is still raging. A Chinese man, who has just arrived here declares the Japs have captured the important point, Italian Hills.

Russia Must Observe Neutrality.

Shanghai, Aug. 22.—A meeting of the consuls of the various nations, called by Goodnow, the American consul, was held today for the purpose of discussing what means will be taken to compel Russia to observe neutrality, the Russian consul general here having flatly refused to disarm the cruiser Askold and the torpedo destroyer Grosor, ordered them to leave the harbor. It is announced today that the Italian squadron in the far east has been ordered to cooperate with the Americans to maintain the neutrality of China.

A Tom Dewey Reminder.

Raleigh, August 22.—W. C. Munroe of Goldsboro is here to appear for the bondsmen in the suit brought by the New Bern bank wrecked by cashier Tom Dewey, this suit being for \$40,000 and brought against Dewey's bondsmen.

Coming to New Bern

Dainty "Dolly Varden" Stange and Edwards' most successful come opera began rehearsals at the Casino Theatre New York this week preparatory to the fourth annual tour under the direction of Mr. F. O. Whitney. The season will open in Trenton N. J., October 6th and the itinerary embraces all of the principal cities of the South and Southwest as far as San Francisco. Unlike the majority of operatic managers, Mr. Whitney has decided not to cheapen the cost or production, but has retained practically all of last season's principals, enlarged the chorus, and ordered on directly new costumes and scenery. There probably never was an opera production so lavish and expensive as a scale as "Dolly Varden" and the present season's production it is promised will out rival the original.

KILLS GERMS OF CATARRH.

Hymenal Goes to The Root of the Disease and Makes Astonishing Cures.

Catarrh cannot be cured by the use of pills, liquid medicines and so-called system tonics. Under such treatment the germs of the disease will still live in the air passages and increase and multiply.

Hymenal is the only scientific and thorough way to cure Catarrh. It enters the prostate, the air passages, it enters the blood with the oxygen, destroys the microbes in the blood, and effectively drives from the system all traces of catarrhal poison.

Thousands of testimonials have been given as to the astonishing cures made by this remedy. J. S. Nugent, treasurer of the American Union Life Insurance Co., of New York city, writes: "Hymenal has completely cured my daughter of catarrh from which she has been suffering for years."

Probably the strongest evidence that can be offered as to the power of Hymenal to cure catarrh is the fact that F. S. Duffy will agree to refund the money if you say that Hymenal has not cured you.

The complete Hymenal outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hymenal. The inhaler lasts a life time, and if one bottle does not cure, an extra bottle of Hymenal can be obtained for 50 cents.

Now is a good time to cure your catarrh.
