Under Physicians Five Months. Went from Bad to Worse.

CURED BY CUTICURA

Wonderful Change in One Night. In a Month Face Was Clean as Ever.

"I was troubled with eczems on the face for five months during which time I was in the care of physicians. - My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recomwhen a friend of mine highly recommended Cuttoura Remedies. The first night after I washed my face with Cuttoura Soap and used Cuttoura Ointment and Cuttoura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever." THOMAS J. SOTH, 317 Stagg St., Brooklyn, N. Y.

The above letter was received in 1898 and he again writes us Feb. 19, 1903, "I have not been troubled with eczema since."

The agonizing itching and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of wornout parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures of the civilized world.

Hon, Claude Kitchen's great speech in Congress tearing President Roosevelt wide open has made a wonderful reputa tion for him. His speech has been published and spread broadcast over the country as the strongest campaign docu ment yet put out by the committee. He September 5th. A very extensive list is in demand as a speaker also and doubt less will do valiant work for the Democratic party.
