FARMERS TO ATTEND.

Large Party to go to St. Louis Exposition.

Asked For Jail Leave to Perform Baptism. Nearly Killed Infant. State Charter. North Carolina Soldiers Made Good Impression.

Raleigh Sept 16—"Please let me out of jail in time to administer the ordinance of Baptism" was the remarkable prayer made to Justice of the Peace Hoffman in this city last night. The prisoner is Rev. Theo. Thompson, pastor of the Hard Shell Baptist church colored, at Stony Hill, near Raleigh. He was being committed to jail on the charge of securing goods under false pretense and contempt of court in not appearing for trial at a time that he had been recognized to appear. The trial will be held Saturday morning. The prosecuting witness against Thompson will be a brother negro preacher.

The appointment of State Auditor B. F. Dixon to speak at Edwards in Beaufort county Sept 22nd has been changed to Aurora in the same county.

Col. Benjamin Cameron, first vice-president of the Farmers National Congress which convenes in St. Louis Sept 26th, to 30th is in the city perfecting his plan to leave for St. Louis with a large delegation of North Carolina farmers next Tuesday over the Southern. They will also attend the Southern Cotton Growers Association and Col. Cameron thinks fully two hundred farmers from this State will attend the two meetings.

Matilda Worth, a deaf mute negro girl 19 years old attempted to kill her four months old child last night and the unnatural mother and the babe spent last night in the city prison. She slipped away from home with the child about 7 o'clock, and concealed it in a rooming house. Later in the night the girl's mother demanded of her, the whereabouts of the child, but would not make a reply until a police officer was called in. Then she led the way to the alley and the babe was there almost dead from exposure. To the written question "Why did you try to kill your child," she wrote for a reporter the one word in reply "worrying", she is ignorant and half witted.

A charter was issued today for the Bank of Newwood, of Newwood, Stanly county. The capital stock is \$25,000 authorized and \$15,000 subscribed by T. C. Ingram, N. E. Blalock and others. It will do both commercial and saving business.

State Superintendent of Public Instruction J. J. Joyner went to Ayden, Pitt county this morning to participate in an educational picnic in celebration of the opening of the graded school there.

General Carl A. Woodruff who has just returned from the maneuvers at Manassas says the First Regiment of North Carolina made a splendid impression on the commanding officers.

Mr. Henry F. Primrose who has been connected with the local staff of the News & Observer for some time left today for Norfolk where he becomes cashier on a steamboat running from Norfolk to Washington.

A & N. C. OFFICES TO GO.

Plans for Immediate Removal to Goldsboro. Auditor Goes Next Week.

A notification from official sources last night caused considerable consternation among the employes in the Atlantic and North Carolina Railroad offices in this city.

It was that the general offices of the company were to be moved to Goldsboro beginning with the Auditors department which was to go next week.

This removal means that the employes must move their homes from this city, which none of them want to do, but it will mean no job, if they do not.

It is also reported that conductors on this division will make their round trip runs from Goldsboro.

An article from the Manufacturers' Record in this paper, indicates that the A. & N. C. railroad is to be connected with the Seaboard Air Line, this being the Eastern Division of the S. A. L. system in North Carolina.

RAILS AND EQUIPMENT.

Atlantic and North Carolina Railroad to Make Improvements.

Manufacturers' Record.

Mr. R. S. Howland, president of the Atlantic and North Carolina Railroad, writes the Manufacturers' Record that it will be necessary to put down new rails on the entire length of the line and to rebuild all bridges. The company will also have to purchase 150 new freight cars, six locomotives and a proper equipment of passenger coaches. This will all have to be done gradually, so as not to interfere with the running of trains and it will probably require 18 months to complete the work. R. P. Foster is general manager, with headquarters at New Bern, N. C.

A report from New Bern says that the railroad company has made contract for nearly half of the number of ties required, and that already the work of putting in new ties has begun, but that the rebuilding of some of the trestles will also be started immediately.

From Asheville comes the rumor that the lease of the Atlantic and North Carolina Railroad Co. by the Howland Improvement Co. means that a connection may be built between that road and the Seaboard Air Line, with the ultimate object of getting a line through to Asheville and beyond. The Howland Improvement Co., it is stated, owns the franchise for the proposed Asheville and Rutherfordton Railroad, and it is, also lessee of the Asheville & Craggy Mountain Railway. The purpose of the Asheville & Rutherfordton is to extend toward Bristol, Tenn., with a branch from a point near the State line to Knoxville, Tenn.

Oysters Today at Dawson's, 108 Middle St. Phone 200.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Insurance and Brick

FIRE BELLS IN THE NIGHT strike terror to the heart of the man who is away from home, as he doesn't know but that he may find his home in ruins on his return. And the first thought that strikes him after he has found his family safe is--I hadn't a cent of insurance on it! Be wise in time. Let me insure you in one of my good companies.

Going for Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Don't put yourself in this man's place, but keep a bottle of this remedy in your home. There is nothing so good for Colic, Cholera, Malaria, Dysentery and Diarrhoea. It is equally valuable for Summer Complaint and Cholera Infantum and has saved the lives of more children than any other medicine in use. When reduced with water and sweetened it is pleasant to take.

You, or some one of your family, are sure to need this remedy sooner or later and when that time comes you will need it badly; you will need it quickly. Why not buy it now and be prepared for such an emergency? Price, 50c. large size, \$1.00.
