Assignments of Rural Tax Districts

J. C. Blackley Guilty of Embezzlement. Superintendent of Public Instruction Joyner Ill. Report of Dispensary.

Raleigh, Oct 6.—The jury in Wake county superior court returned a verdict of guilty in case of J. C. Blackley of Lenoir county charged with embezzling \$5,000 while selling horses and mules for J. M. McAdow of Arkansas. The defense was that Blackley was a partner and not an agent and that proper settlement of the partnership would have been made but for the fact that his arrest frustrated a subsequent investment and lost the fund. Judge Ferguson imposed a sentence of 5 years on the public roads. Blackley appealed and gave a \$4,000 bond. He is a member of an excellent family of Lenoir.

State Superintendent of Public Instruction, J. Y. Joyner, is ill at his home and was obliged to cancel an engagement to attend the district conference of county superintendents of public schools that convened at Statesville today.

The report of the Raleigh dispensary for the quarter ending September 30th shows that the gross receipts for that period aggregated \$38,873 while the gross receipts since the dispensary opened January were \$117,681.

Appointments are made for T. C. Bowler in the Eighth District at Concord Oct 21, Albemarle Oct 22, Statesville Oct 24, Mooreville Oct 25, Taylorville Oct 26, Lenoir Oct 28, Boone, Oct 29.

Superintendent of Public Instruction, J. Y. Joyner, gives out the statement that another rural local tax district has been established in Henderson county that one other election for local tax will be held Oct 6th and that three petitions were presented to the commissioners Oct 8th, for the holding election on the question. He says that just one year ago the first rural local school district was established in the county at Pleasant Hill and a beautiful building dedicated and doubtless the success of this first district has contributed much toward the establishment of the other districts in the county.

The Retail Merchants Association of Raleigh now has a membership of 660, having elected 83 new members last night. It was first started as a Retail Grocers Association but now extends its membership to all classes of retail merchants. Its operation locally is proving very satisfactory.

Judge Chas A. Cook, formerly of Warren county, and appointed to the Supreme Court Bench by Gov Russell to fill out an unexpired term, was here yesterday and today en route from his new home in Indian Territory to his former home in Warren county. Mrs Cook is with him. He expresses himself as highly pleased with his territorial residence.

Col Fred A. Olds who has been out of the city for the past three weeks has arrived at Chase City from a six days stay at the World's Fair and expects to return to Raleigh in the next few days and take up his newspaper correspondence again.

Wanted at Once. Five Lumber graders and fifteen laborers to work in planing mill. GOLDSBORO LUMBER CO., Dover, N. C.

Boys and Childrens Clothing. Our stock of boys and childrens clothing is larger than ever, and will be sold very low, don't fail to see us for school suits and shoes. J. J. BAXTER.

Insurance and Brick. The uncertainty of life and riches makes it a matter of prime importance to every man who has any considerable amount of real or personal property to have it insured against fire loss. We are insistent and persistent on this score, because we appreciate the value of ready cash when everything goes up in smoke. Don't fail to communicate with us this hour. Phone communication 300.

Geo. A. Nicoll.

Chosen to High Office

Special to Journal. Raleigh, Oct. 6.—R. D. W. Connor, Principal of Wilmington graded schools resigns that position to accept appointment as assistant to State Superintendent of Public Instruction J. Y. Joyner to succeed E. C. Brooks who resigned a few days ago to become superintendent of Goldsboro graded schools. He will have special charge of the State public school loan fund and preparation of courses of study. Mr. Connor is a son of Associate Justice of Supreme court, and has already won distinction as an educator and literature.

SUPERIOR COURT

Thursday's Session. Grand Jury Finish Its Work And is Discharged For The Term.

Only one case was tried yesterday in the court sitting in this city. That was the State vs E. O'Neal and J. O'Neal, I. R. Whitford and William Erul for an affray. The O'Neal brothers plead guilty to the charge. Whitford and Erul stood trial. The court found Whitford guilty. Erul was acquitted. E. O'Neal, J. O'Neal and I. R. Whitford were fined each \$50 and costs.

The case of Alexander Sutton was taken up. A special venire of one hundred men having been summoned from which to select a jury and the venire was pretty well exhausted before one was secured. One witness, William Morgan was put on the stand but court took recess before the examination was concluded. The case will be taken up again today. Court will meet at 9:30 this morning.

LENOIR REPUBLICANS.

Met in Kinston Wednesday and Put Out a Full County Ticket; Kinston Free Press 6.

The Republican county convention was held in the court house here, Wednesday and a full county ticket, headed by Mr. C. B. Wooten, of LaGrange, for the house of representatives, was nominated by a viva voce vote, the entire slate arranged in the pow wow before the convention was called to order going through just like it was gressed.

These are they, who were selected for the sacrifice at the polls in November, C. B. Wooten, house of representatives; T. B. Brown, sheriff; B. R. Dunn, Register of deeds; Wm. Arthur, Surveyor, Census taker; R. B. Kinsey, John Tilghman, B. F. Daugherty and W. H. Cox, commissioners.

Another Naval Victory.

London, Oct 6.—A dispatch to the Central News from Chee Foo, dated 2:30 this morning, says a big naval battle is proceeding outside the harbor of Chee Foo.

It is thought the Port Arthur fleet made a sortie to reach Chee Foo, and that it encountered the Japanese squadron.

A later dispatch says the firing ceased at 4 o'clock. As nothing has been seen of the vessels it is believed the Russian were either sunk or captured.

BEAUTY OF SKIN PURITY OF BLOOD

Ancient and Modern Ideas on These Interesting Subjects.

UP-TO-DATE METHODS

For Purifying and Beautifying the Skin, Scalp, Hair and Hands.

Socrates called beauty a short-lived tyranny, Plato a privilege of nature, Theocritus, a delightful prejudice, Theophrastus a silent chest, Carnades a solitary kingdom, Homer a glorious gift of nature, Ovid a favor of the gods. Aristotle affirmed that beauty was better than all the letters of recommendation in the world, and yet none of these distinguished authorities has left us even a hint of how beauty is to be perpetuated, or the ravages of age and disease defied. Time soon blends the lily and the rose into the pallor of age, disease dots the fair face with cutaneous disfigurements, and crumpled the Roman nose with unsightly flukes, moth, if not rust, corrupts the glory of eyes, teeth, and lips yet beautiful by defacing the complexion, and fills the sensitive soul with agony. If such be the unhappy condition of one afflicted with slight skin blemishes, what must be the feelings of those in whom torturing humors have for years run riot, covering the skin with scales and sores and charging the blood with poisonous elements to become a part of the system until death? It is in the treatment of torturing, disfiguring humors and affections of the skin, scalp and blood, with loss of hair, that the Cuticura remedies have achieved their greatest success. Original in composition, scientifically compounded, absolutely pure, unchangeable in any climate, always ready, and agreeable to the most delicate and sensitive, they present to young and old the most successful curatives of modern times.

Fierce Storm in England.

London, Oct 6.—The coasts of England and France were swept by a terrific gale all through the night and this morning the storm has abated but little. Many liners are storm bound at Liverpool and elsewhere.

A dispatch from Havre contains a report from the captain of the steamer Lois. He says when 12 miles northeast of Ushant he saw two whale boats and a large quantity of wreckage apparently the remains of a large steamer. It is feared a serious disaster has occurred. The gale was blowing off Ushant then and a thick fog hung over the sea.

Hon Chas R. Thomas, of Newbern, was here yesterday. He is making a brilliant canvass of his district for the Democratic party and has already sent home his Republican opponent, Judge W. R. O. Robinson, who had arranged a joint canvass with him.—Wilmington Star 6th.

Saves Two From Death. "Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by C. D. Bradham. Trial bottle free.
