GENERAL SORROW.

Expressed Over Death of Senator
Matt Ransom.

Post Office Robber Caught. Increase State Pensions. Lady Weigh Master. Cotton Shortage. Political Campaign Now Warming Up

Raleigh, Oct 10.—Deep regret is expressed here by all classes of people at the death of that great North Carolinian Matt W. Ransom. The State flags and National flags have been at half staff since Saturday morning. The Council of State met this morning and adopted the following resolutions: At one o'clock Friday morning, October 8th at his home in Northampton County, surrounded by his sons, General Matthew W. Ransom died, on the 78th anniversary of his birth, he being a native of Warren county. He was distinctly a North Carolinian and served his State with fidelity and great ability, as member of the legislature, attorney general, brigadier general, United States Senator and Minister to Mexico; as well as private citizen. We thank God that his life was spared for so many years, in order to accomplish this great work for his State and that he might complete a perfected life. While we bow in humble submission to the will of Almighty God in removing him from this field of labor, we desire to express our deepest sorrow at the death of North Carolina's greatest citizen, Statesman and Patriot, and to offer our sincerest sympathy to the sorely bereaved wife, who has lost that strong man upon which she hoped to lean in her declining years and to the sons and daughter, who are deprived of a father's wisdom and care in guiding their foot-steps aright. May the pity and a cry of God protect and keep them to the end. RESOLVED, that the flags on the Capitol be placed at half staff, the various departments of the State Government closed during the hour of the funeral services, that these resolutions be read upon the minute book of the Council of State and a copy sent to Mrs. Ransom.

State Treasurer Lacy, Auditor Dixon and Attorney General Gilmer were appointed by the Council of State as the official representatives of North Carolina at the funeral and they left for Northampton county on this morning's train.

Raleigh had quite a sensation this morning about 9:30. A well dressed white man went into the post-office and called for a letter addressed to John Sterling. The post-office people were on the watch for him and the moment he asked for the letter, Postmaster Bailey was notified and in turn notified the police. At this moment the man dashed out of the office. He was pursued by the postmaster, police and others and was captured after a chase of three blocks. The authorities had a description of him. He is charged with being connected with the desperate gang of post-office robbers who have done so much mischief in this State and others. It is said that he hails from Richmond, Greensboro and other places. Half an hour later your correspondent coming out of the Capital saw the police arrest two other white men who were seated on a bench in the square. They are charged with being connected with the same series of robberies. The matter is very sensational. Post-office inspectors have been working up the case.

State Auditor Dixon was interviewed this morning and said that while there would be an increase of about 500 in the number of State pensioners, it had been decided by the board to give the pensioners about the same amount which they received last year.

Raleigh now has a lady as city weigh master, she succeeding her husband, who had for many years held that position and who died a week ago. She took charge today.

Secretary Field of the Democratic State Committee says the campaign is now at its height, that at least fifty speakers have been put in the field by the committee and besides these there are the various candidates. He says the Republicans are making their great fight for the legislature, but stand no chance of accomplishing anything, and the outlook is very satisfactory. A great deal of literature is being sent out. These are special calls for the article on the Watta liquor regulation law in the Democratic hand book, for the document showing that at the Republican National Convention no voice was raised in protest against the movement to reduce Southern representation, and for ex-Congressman's Grady's letter giving enlightenment to his Populist friends.

It is learned from the ball insurance agents that this year 600 times as much property has been destroyed by ball as was thus destroyed last year. In fact it is said the past summer was the worst ever known for ball storms in at least two thirds of the State.

O, beauty! what a powerful weapon thou art. The bravest men fall at thy feet. No wonder women use Hollister's Rocky Mountain Tea to protect their bodies from the ravages of the Ooze plant and sold by...

A MATTER OF HEALTH

A DREADFUL ACCIDENT.

Victor Dorich, a Rural Mail Deliverer, Was Instantly Killed at Core Creek Yesterday.

Mr Victor Dorich, the rural mail carrier on the route between Core Creek and Trenton was instantly killed yesterday morning by the accidental discharge of his revolver at the post office at Core Creek or Cove as it is called.

He had brought the mail in from Trenton and was taking the pouches into the post office. One of the bags contained a big 48 calibre revolver which he had placed there to get it out of the way.

The act of throwing the pouch on the table in the table in the post office discharged the revolver and the ball entered the unfortunate man's lung close to the heart, Dorich exclaimed, "My God, I have shot myself," and fell over and died in a very few minutes.

The affair caused intense excitement and several stories are in circulation as to the real manner of the accident but the account as given above is the one that is reported by people who were at Core Creek yesterday.

Dorich was a native of Russia. He was naturalized and had been a resident of Trenton for some years. He had been carrying the mail on contract for a period of eight years. He was a very popular man and his death is deeply deplored by a large number of his friends.

The funeral will be held today and the burial will take place at the Core Creek burying ground. We publish the statement of J W Kennedy assistant postmaster at Cove.

"J W Kennedy, assistant postmaster at Cove, N C, do certify that Victor Dorich mail carrier on route No 15187 from Trenton, N C, to Cove, N C, brought the mail pouch in the post office at Cove and threw it down on the counter and at the same instant I heard the report of a pistol. Mr Dorich put his left hand to his breast and exclaimed, "O, Lord." I took up the mail pouch, found a pistol in the folds of the pouch with a hole through it, and one side with smoke of powder. Mr Dorich went immediately out of the post office and fell in the ditch and in a few minutes expired.

Very Truly,
J. W. KENNEDY,
Asst. Postmaster
P.S.—Mr Dorich was a Russian by birth and a faithful and honest man.

HAPPY MOTHER'S TOUCHING STORY

Of Baby's Dreadful Suffering from Eczema.

CURED BY CUTICURA!

Now His Skin is as White as a Snow Flake.

"A terrible rash broke out on Charles's poor little face and spread to his neck, chest and back. I had never seen anything quite like it before," writes Mrs. Helena Rath of 221 10th Ave., N. Y. City. "The skin rose in little lumps, and matter came out. My baby's skin was hot, and how he did suffer. He wouldn't eat, and night after night I walked the floor with him, weak as I was. Often I had to stop because I felt faint and my back throbbled with pain. But the worst pain of all was to see my poor little boy burning with those nasty sores. At last I was persuaded by a friend across the street to try the Cuticura Remedies. She gave me some Cuticura Ointment—I think the box was about half full—and a piece of Cuticura Soap. I followed the directions, bathing Charles and putting that nice Ointment on the sores. Little by little, but so surely, Charles and I both got more peace by day and more sleep by night. The sores sort of dried up and went away, and now Charles is cured completely."

"Yes, that fat little boy by the window is Charles, and his skin is as white as a snow flake, thanks to the Cuticura Remedies. I think everybody should know about the Soap and Ointment, and if it is going to help other mothers with sick babies, go ahead and publish what I have told you."

Hold throughout the world. Cuticura Remedies, 26¢ per box. Cuticura Soap, 25¢ per box. Depot: London, 27, Chancery Lane; Paris, 1, Rue de la Paix; Rome, 12, Colonna Ave.; Peter Drug & Chem. Corp., Sole Agents, New York. "Get the Best"—All About the Skin, Soap and Bath.

Shepard's Moving Pictures.

The Shepard Moving Picture exhibition last night was the best show of its kind that ever visited New Bern. Every body knows that this art is yet in its infancy but that even now it is the strongest exponent of the possibilities of photography. Never was the development of this peculiar art so aptly described. The views presented were such as to amuse and interest a varied audience.

Perhaps the most interesting was the depicting of the career of Marie Antoinette, burning of the Bastille and scenes of the French Revolution. The wonders of color photography were beautifully displayed in this series. A most amusing scene also is the trials of a Frenchman seeking a wife and it has features which will provoke the risibilities in a mummy. These are only two features of the exhibition. There are many others of equal worth.

The entertainment is to be repeated today, matinee this afternoon at 3 o'clock and the evening performance. Everybody should see this show as it is doubtful that anything better will come here again. The prices for the Matinee: adults 35 cents, children 15 cents. For the evening the price will be 25 cents to any part of the house.

CHOKING CATARRH CURED.

Mr Caswell Says, "Hyomel Cured Me." Your Money Back If It Does Not Cure You.

"Use Hyomel and be cured of catarrh" is what all who have tried it for that disease say to their friends.

O B Caswell of North Middleboro, Mass., writes, "Hyomel has relieved me from a choking catarrhal trouble and cleared my head. I am glad to recommend it to my friends.

It is the easiest thing in the world to stop catarrh or a catarrhal cold at its beginning if you use Hyomel. Just breathe the health-giving, balsamic air for a few minutes and your catarrh will be cured. In the worst cases of this disease, chronic or acute, Hyomel used four or five times a day is all that is needed to soon effect a cure.

In this and neighboring towns, there are hundreds that can testify to the remarkable powers of Hyomel to cure catarrh. Many of the staunchest friends of this remedy began its use with little hope that they would be cured, but as P S Duffy offered to refund the money if it did not benefit, they decided to try it on that plan, and were soon restored to health.

The complete Hyomel outfit costs but \$1 and consists of an inhaler seat can be carried in the vest pocket, a medicine dropper and a bottle of Hyomel. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomel can be obtained for 50 cents.
