PORT ARTHUR NEARLY GONE

Rome, Nov. 7.—The Tokio correspondent of the Glendale of Rome wires that Port Arthur is regarded as taken in the Japanese capitol. The Russians still hold four forts, but the town itself is open to the Japanese on the northeast. The troops of the Mikado did not enter the town at the Port, because it is still under fire from the Lead mountain forts. All the besiegers' efforts will now be directed, towards the Golden Hill fortresses.

Death of John J. Gaskill.

After a brief but very distressing illness, Mr John J Gaskill passed away Sunday night at 11:40 o'clock. He had been sick for two weeks and from the first his case was regarded as desperate. He was surrounded by loving relatives and friends and his end was peaceful.

John J Gaskill was born in New Bern July 11th, 1875. He has always been a resident of this city, a student in her schools and a promoter of her interests. He was a popular young man and was one of the best informed men on general topics in the city. In his capacity as fireman and Assistant Chief he was faithful and efficient.

Surviving him are his mother, sister and two brothers who have the heart felt sympathies of a wide circle of friends.

The funeral services will be held at the Centenary Methodist Church this afternoon at 3 o'clock. Rev G T Adams will officiate.

Members of both Fire Companies will assemble at the engine houses this afternoon at 2 o'clock to attend the funeral of Mr John J Gaskill.

By order of the Chief, H E ROYALL,

Secretary.

Members of the Atlantic Fire Company are requested to meet at their headquarters at 2 o'clock this afternoon to attend the funeral of Mr John J Gaskill.

By order of Foreman, J A NUNN, Secretary.

To the Members of New Bern Steam Fire Engine Co., No 1.

You are hereby notified to assemble at your Company rooms at two o'clock to attend the funeral of your late Comrade, J J Gaskill.

By order of Foreman, H D WOOD, Secretary.

INTEREST INCREASES

The revival meetings which are being held at the Centenary Methodist church are arousing great interest in the city. Sunday there was a remarkable demonstration. After each sermon which was a strong and convincing plea a large number went forward in response to the invitation of the minister to those who were not Christians. The evening service was particularly soul stirring to all who heard the discourse whether Christian or sinner. About 75 persons went to the front at night.

After the service nearly the entire congregation went up and shook hands with the pastor and to thank him for his sermons, which every one said, aroused their better nature and instilled in them a desire to live more consistent Christians.

DEMOCRATS CONFIDENT

Think State and National Tickets Will Be Elected.

The Usual Political Optimism, Chairman Simmons Says No Apathy Exists and Democratic Majorities To Show Increase. Congressmen Safe.

Raleigh, Nov 7.—Matters are very quiet here today, everybody talking about politics and waiting for something to happen tomorrow. The Democrats are pretty confident, as to the National matters, while the Republicans profess to be absolutely sure of their side winning. Harry Skinner returned this morning from the eighth congressional district where he has been speaking. He says Blackburn will certainly be elected to Congress there. Skinner says the Democrats will be surprised at the result of the election in the State as they will get only between 35,000 and 45,000 majority. He declares the Republicans will have at least forty members of the legislature, but that they will carry very few of the eastern counties. From what he says some of the Republicans have evidently thought they would carry a number of eastern counties. How they got such a notion as that is hard to understand. Skinner admits that a number of the Republicans are afraid of New York. He says that if that State goes against Roosevelt the strained conditions will affect other States.

At Democratic headquarters everything was quiet. The work has been done there. Chairman Simmons says the party has never been in a finer condition since he has been Chairman, than at present. There is less dissatisfaction and less independence than he has ever known. He says there is no wide spread apathy as some people have declared there was. The country people have been busy harvesting their crops, during the wonderful weather, but really their interest in politics is as great as ever and that the vote which will be polled tomorrow will show that there is no lukewarmness or indifference. He predicts that the vote will be even larger than it was two years ago and that the Democratic majority in proportion to the total vote polled will be as large as it was then. Returns to him from county chairmen show 35,000 majority in sight, but his own figures are close around 60,000. If there were a real enemy in sight the majority might be run up to 80,000. He says the Democrats will elect a solid congressional delegation and that there will be fewer Republicans in this legislature than there were in the last one. The fight has been hot in the 8th and 10th districts but elsewhere and because of this the vote will be larger there than anywhere else. If there had been as sharp a contest in all the districts as in these the majority would exceed 80,000. He asserts that the Republican party was never before thoroughly discredited in the State than it is today, and never was there less confidence in the leadership of that party.

There has been a good deal of interest in Chatham county but people who have been speaking there, B C Beckwith among others say Hayes will carry the county, though the fight has been a hot one and the election will be pretty close.

Governor Aycock returned last evening from Maryland and left this afternoon for Goldsboro where he speaks to-night. He will vote there tomorrow. Secretary of State Grimes votes at Grimesland, Pitt county. Commissioner of Agriculture Patterson went home to vote. Attorney General Glimmer votes at Waynesville. Auditor Dixon votes at...

KICK AND SCREAM

Baby's Awful Suffering from Eczema.

Could Not Hold Her. She Tore Her Face and Arms.

Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. We had used cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would dress her, I had to put her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I see no traces of the humor left. I can truthfully say that they have saved her life, and any one suffering as she did, I should advise them to give Cuticura a fair trial." MRS. G. A. CONRAD, Lisbon, N. H., Feb. 7, 1898.

Five years later, viz., Feb. 23, 1903, Mrs. Conrad writes:

"It is with pleasure that I can inform you that the cure has been permanent as it is now six years since she was cured, and there has been no return of the disease since, and I have advised a lot of friends to use the Cuticura Remedies in all diseases of the skin. Instant relief and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap, and gentle anointings with Cuticura Ointment, the great skin cure and purifier of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disgusting, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humours, eczemas, rashes and irritations.
