Overwhelming Vote For Roosevelt.

THE SILENT VOTE REPUBLICAN

LATEST RETURNS GIVE ROOSEVELT 325 PARKER 151

Judge Parker Sends Congratulations to President. President Says His Last Term Begins Next March. Not a Candidate Again. North Carolina 30,000 For Democrats.

New York, Nov. 8.—The World concedes the election of a Republican House of Representatives with a probable majority of 25 to 80. It also concedes Roosevelt 250,000 and Higgins 150,000 plurality. The Journal gives Higgins plurality 60,000.

New York, Nov. 8.—The world estimates electoral vote, Roosevelt 325, Parker 151.

Austin, Tex., Nov. 9.—Vote cast today will hardly exceed 375,000, of which Parker received 250,000, Roosevelt 60,000, the rest scattering. All Congressmen elected.

Cheyenne, Wyo., Nov. 8.—Democratic leaders concede State to Roosevelt by large majority.

Esopus, N.Y., Nov. 8.—Judge Parker from Rosemont sent the following message tonight to President Roosevelt: "The people by their votes have emphatically approved your administration and I congratulate you"—and received the following from the President, "I thank you for your congratulations."

Baltimore, Md., Nov. 8.—Republican chairman claims Maryland has gone for Roosevelt, vote is very close and returns from Eastern shore necessary to determine result. Vote this city maybe not over 100 difference.

Richmond, Nov. 8.—Times-Dispatch estimates democratic plurality 20,000 to 25,000. Republican congressman elected in ninth district. Democratic vote light in other districts.

Washington, D.C., Nov. 8.—President Roosevelt tonight after the election returns clearly indicated the result, issued the following statement: "I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and have tried to do. I appreciate to the full the solemn responsibility this confidence impose upon me and I will do all that in my power lies not to forfeit it. On the fourth of March next I shall have served three and a half years and this constitutes my first term. The wise custom which limits the percent to two terms regarding the substance and not the form, under no circumstances will I be a candidate for or accept another nomination."

Indianapolis, Nov. 8.—Democratic National Chairman Tamm concedes the election of Roosevelt and Fairbanks, and telegraphed congratulations to Chairman Cortelyou.

Baltimore, Nov. 8, 9 a.m.—Though returns from all counties not complete, and those from four city precincts missing, the returns received indicate Maryland has gone for Roosevelt by small majority.

New York, Nov. 8, 1 a.m.—If Maryland is Republican as indicated by late returns, the electoral vote will be Roosevelt 325, Parker 151.

Reports from this State at 2:30 a.m. were very meager. Raleigh reported on 2:30, 3:00, 3:30, and 4:00 congressional electors as strong democratic gains, by 100,000 vote margin. The only

State of the State Democratic majority was 30,000.

New Hampshire, estimated 18,000 for Roosevelt. Republican gains in Montana over 30 per cent since election 1900 when it went 11,773 for Bryan. Governor Toole is re-elected and Democratic State ticket with possible one or two exceptions.

At Chicago the city shows 104,000 for Roosevelt over Parker. While complete returns are lacking, it seems probable democrats have elected Governor of Nebraska, and possibly in West Virginia in latter State democratic candidates has out run Parker ticket and may win.

PARKER.

Solid South 151 electoral votes, with usual Democratic majorities.

THE VOTE OF THE CITY

Democratic Party Carried The County By Handsome Majority.

Election day in the city was as the rest of the campaign had been—very quiet. The day was perfect and all was favorable to a full vote. The workers who usually are busy getting the delinquents out and enforcing a large vote were riding all over the city.

Mayor Ellis is to be commended for his efforts to maintain order. Although the law permits the saloons to be open on election day, he requested the keepers to close their places in the interest of good order. The request was complied with speedily and without a word of protest.

The vote in the city was about up to the average; the vote in the county was not as heavy as other elections.

In the city the result was as follows:

1st WARD.
Parker 125—Roosevelt 9; Glenn 150—Harris 5; Thomas 137—Robinson 5; Ward 125—Baugh 9; Gulon 134—Taylor 5; James W. Biddle 125—John Biddle 5.

2nd WARD.
Parker 137—Roosevelt 54; Glenn 202—Harris 19; Thomas 204; Robinson 16; Ward 204; Baugh 16; Gulon 204; Taylor 16.

3rd WARD.
Parker 138; Roosevelt 53; Glenn 144; Harris 17; Thomas 145; Robinson 11; Ward 144; Baugh 15; Gulon 141; Taylor 15.

Richardson 133; Foy 137; Harvey 113; Barrington 127. The votes given the Republican candidates, Williams, Hunter, Smallwood, McLawhorn and Beard received from 20 to 28 votes.

4th WARD.
Parker 112; Roosevelt 17; Glenn 113; Harris 15; Ward 114; Baugh 14; Gulon 118; Taylor 9; Biddle 118; Biddle 9; Waters 120; Griffin 10; Thomas 126; Robinson 4; Barrington 83; Williams 26.

5th WARD—BERN PRECINCT.
Parker 20; Roosevelt 7; Glenn 19; Harris 4; Ward 20; Baugh 6; Commissioners elected by a majority of 16.

The Tisdale precinct gave a solid Democratic majority of 16 votes.

COUNTY VOTES.

The Democratic majority in the county from the meagre news we have been able to receive will be about 1,300. The indications are that Congressman Thomas ran ahead of his ticket in every county by a considerable number of votes. Following is the vote.

FORT BARNWELL.
Parker 115; Roosevelt 6.

DOVER.
Parker 90; Roosevelt 22; Glenn 97; Harris 22.

VANCEBORO.
Parker 200; Roosevelt 13; Glenn 208; Harris 45.

TRUITTS.
Parker 120; Roosevelt 21; Glenn 129; Harris 8; Ward 130; Baugh 14; Gulon 144; Taylor 9; Waters 136; Griffin 13; Barrington 133; Williams 20.

There was more "scratching" in evidence in this township than in any other in the county.

THURMAN.
Parker 23; Roosevelt 11; Glenn 23; Harris 10; Thomas 20; Robinson 8; Ward 23; Baugh 13; Barrington 23; Williams 13; Ernal 23; Hill 11.

The nearby counties give democratic majorities as follows:
Jones 500.
Pamlico 250.
Carteret 850.

Increase Number Farmers Institutes Held. Tobacco Moves Freely. Cattle Raising section.

Raleigh, Nov. 8.—In an interview with Dr. Talt Butler, State veterinarian, some very interesting things were learned about the Farmers Institutes held in North Carolina this year. There were 60 of these which is more than twice as many as were ever held in one year before. On an average about 150 farmers attended these Institutes, making a total of some 9000. This is a very gratifying showing. A great deal of valuable instruction was given. The October bulletin of the agricultural department will consist entirely of selected talks before these Institutes by the different gentlemen who made the addresses or lectures. This matter will be found to be of great practical value. Next year there will probably be an even greater extension of the institute system.

Dr. Butler was asked about the work in regard to quarantine inspection of the cattle raising section of the State and replied that it had been finished both by himself and by the Federal inspectors. He is now waiting to learn how much more free territory has been added, as the inspectors will find how much more has been freed from the deadly cattle ticks.

It is learned from tobacco buyers here that farmers are now bringing in leaf quite freely. Prices are high. The weather has not been favorable for hand leaf until very recently and then the farmers have been very busy with other crops. Wrappers are bringing from \$30 to \$55, and common grades are high. About a third of the crop has been sold it is said. Not over an average crop was planted in this section or east of here, but west of here there is a full crop and a good one as to quality. It is said that the farmers in that section will be strictly in it this year.

Professor Wade R. Brown of the School of Music at the Baptist University for Women has done a great deal to promote the love of good music here and is an admirable director. He has arranged for an artists recital at the University Friday evening by Madame Charlotte Maccoas, soprano, and Miss Marie Nichols, violinist, and John J. Blackmore, accompanist. He says Maccoas is the greatest artist who has ever appeared in Raleigh.

Henry W. Litchford and James J. Litchford will leave here this week for Texas and Mexico to be absent a month. They go to St. Louis and from there make the tour with the railway commission of the United States.

Herb W. Edwards injured.
Herb W. Edwards of Des Moines, Iowa got a fall on an icy walk last winter, spraining his wrist and bruising his hand. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them and with Chamberlain's Pain-Expeller and a few applications of ointment had disappeared."
