Snow Storm. The Case of Jones. I. A. Meekins Would Take Consular Job. Cotton Growers Asked To Meet Next Saturday.

Raleigh, Dec 15.--A snow storm began here last night and continued until 9:30 o'clock this morning, by which time the snow had reached a depth of about five inches. The storm came from the north west, and the temperature was pretty low. The poor are being very well looked after and warning of the impending storm caused a lot of preparation yesterday, but in spite of this some were caught.

Charles C. Jones of Goldsboro, who for a long time has been well known as an operator of gambling places at several points in the State, notably at Morehead City, and who was convicted of receiving and selling postage stamps knowing them to have been stolen from post offices and who was fined \$500 instead of being sent to the penitentiary, has asked the Federal court here to give him further time in which to pay the \$885 costs in the case, but Judge Parnell has made an imperative order that no further time will be granted. Jones was here not long ago. He paid the fine at the last term of court, but claimed he could not meet all the costs. Jones had a close call at the penitentiary.

Attorney General Gilmer left this morning for Charlotte to appear in the Federal court for Registrar of Election Simpson of Rutherford county, who was prosecuted on the charge of refusing to allow a negro to register there two years ago. The legislature provided for the defence of Simpson for other registrars by the Attorney General and by other counsel if necessary.

Issac A. Meekins, who was the Republican nominee for Lieutenant Governor, is here. It is said by some well informed Republicans that he desires to get an appointment abroad, in the consular service. He is a man of considerable means and lives in very handsome style at Elizabeth City.

The Catholic Orphanage at Nazareth, a mile from Raleigh, makes an appeal for aid. There are about 40 boys in the orphanage, these having been gathered from about a score of counties and the strain of maintenance is just now falling pretty heavily.

Today all over the State the county clerks delivered the pension warrants to the Confederate pensioners, and in a day or two these warrants will begin pouring into the Treasury.

The efforts continue to get out every cotton grower in the State to the meetings to be held next Saturday. The farmers are doing a great deal of talking and they seem to be of the opinion that they can control the situation and furthermore that they will all be in line, this being of course a necessity.

In conversation with some of the best informed negroes in North Carolina your correspondent has discovered that they are very strongly opposed to any reduction of Southern representation in congress. They are very well pleased with political conditions of North Carolina.

THE PLAY TONIGHT

New Bern Amateur Actors Will Present Under The Southern Cross Tonight.

Tonight the play which has been in contemplation for several days will be produced at the New Masonic Theatre. Under the Southern Cross, is, as its title implies a distinctively Southern drama. It deals to some extent with the technical side of Southern cause, it develops the causes that led to the war of the States and shows the feeling that existed in the South prior to the war. As has been said it is the strongest play of its kind ever written and appeals to all who have a love for the homeland and all that is dear.

The following strong cast will present the play and their ability to take the parts assigned to them is well known. Gen. Deering, C S A--S M Brisson. Gordon Beverly, his chief of staff--H B Sedberry. Jack Warrington, Commander of Cavalry Legion called Warrington's Light Horse--Jack W. Smith. Lieut Forrest, Aide de Camp to Gen. Deering--L C Tolson. Captain Porter, U. S. A.--C M Crepon. BABY QUIRK'S QUICK CURE

Of Torturing Eczema by Cuticura

When All Else Had Utterly Failed.

"My baby, Owen Herbert Quirk, was afflicted from the age of six weeks with a loathsome running eczema, almost covering his face. I took him to Drs. Alderhot, and he was treated by them for three months, but got much worse, and was a sickening sight to look at. I saw an advertisement of the Cuticura Remedies, and got the Soap, Ointment and Resolvent.

"We noticed an improvement at once, and within a fortnight the running had ceased and the scales were nearly all dried off, and in a month his face was perfectly clear, not a spot left. I have enclosed photograph of him when he was thirteen months old. He is now two years and four months, and has never had the slightest return of it. I am very grateful for the benefits derived from your remedies, and shall feel it a pleasure to make their value known. For corroboration of this statement you may refer any one to Mrs. Williams, 45 Michaels Road, Alderhot, or Mr. Gunstane, 40 Victoria Road, Alderhot, to whom we recommended the remedies for a skin humour, which they also cured. You are at liberty to do what you like with this statement, as I should like all to know of the value of Cuticura."
