HUMOR OF THE HOUR

Hogensen Wants Another Race.

William Hogensen, the Chicago sprinter, is anxious to get on a match race with Lawson Robertson, the national hundred-yard champion. Hogensen claims that he lost the title at St. Louis last June on a "rank decision" by one of the finish judges.

Chamberlain's Cough Remedy Absolutely Harmless.

The fault of giving children medicine containing injurious substances, is some times more disastrous than the disease from which they are suffering. Every mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take. It contains nothing harmful, and for coughs, colds and croup is unsurpassed. For sale by all Druggists.

Care of Sheep.

No surer cause of catarrh exists than crowding wet sheep into close quarters.

Greatly in Demand.

Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them at O. D. Bradham's drug store, 15c., guaranteed.

May Transfer Senators.

Negotiations are under way for the transfer of the Washington franchise in the American league to Baltimore. A difference of \$27,000 now stands in the way of the consummation of the deal.

A Grim Tragedy

Is daily enacted, in thousands of homes as death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong. It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1 by O. D. Bradham, druggist. Trial bottle free."

Too Advanced For Him.

In Chicago there is a principal of one of the public schools who in his college days was considered something of a "shark" at Latin and at many other studies besides. What he did not know about physiology was hardly worth knowing. He was a "grind" and a scholarship man.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. C. W. Walker, of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so soon a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having used this remedy. For sale by all Druggists.

The Paris Wood Lot.

Just now there is a demand for timber of nearly all kinds, and many farmers are selling everything they have that is marketable. This is in most cases a very unwise policy.

THE SECRET OF SUCCESS.

Forty million bottles of August Flower are sold in the United States alone since its introduction! And the demand for it is still growing! Isn't that a fine showing of success? Don't it prove that August Flower has had unfailing success in the cure of indigestion and dyspepsia—the two greatest enemies of health and happiness? Does it not afford the evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it has proved itself the best of all liver regulators? August Flower has a matchless record of over thirty-five years in curing the ailing millions of these distressing complaints—a success that is becoming wider in its scope every day, at home and abroad, as the fame of August Flower spreads. Trial bottles 25c; regular size 75c. For sale by all druggists. F. J. Duffy.

Pumpkins For Poultry.

Pumpkins are not to be despised as poultry food when birds are closely housed in winter. A pumpkin halved and hung against the wall will furnish green "filling" and be eaten to the rind in short order when other more tempting green stuff is lacking.

Sickening Shivering Fits.

of Ague and Malaria, can be relieved and cured with Electric Bitters. This is a pure, tonic medicine of especial benefit in malaria, for its exerts a local curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice. I had to take Electric Bitters, which saved his life. At C. D. Bradham's drug store; price 50c, guaranteed."

A Dairy Pointer.

Freezing will preserve milk, but at the same time it locks up the butter fat. Extreme cold is as detrimental as extreme heat to buttermaking.

TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box 25c.

Skim Milk For Pigs.

Twelve quarts of skimmed milk will make a pound of growth in a month. It will require four pounds of corn to make the same growth.
