A MATTER OF HEALTH

STATE LEGISLATURE.

Governor Glenn Sends Special Message Urging Passage of Certain Bills. Other Doings of Session.

Special to Journal. Raleigh, N. C., Feb. 27.—Bills were introduced in Senate to extend the corporate limits of Asheville. Bills passed to authorize Beaufort county to issue bonds to build a court house; Greenville to borrow ten thousand dollars for sewer system.

The Winborne bill came over from House amending anti-jug law of last session, so it will apply only to Mitchell, Gaston, Cleveland and Cabarrus. House amended it so it would not apply to existing counties. The amendment was adopted. The new anti jug law which House had passed then came up. Many amendments adopted. Bill passed applying to entire State except counties, Washington, Wayne, Martin, Pitt, Dare, Jones, Wilson, Tyrell, Lenoir, except Kinston township, Hertford, Onslow, Beaufort, Currituck, Chowan, Pamlico, New Hanover, Moore, Wayne except Goldsboro township.

Special message received from Governor Glenn urging passage of bills providing for bureau of immigration, a strong vagrancy law, amendment of the jury system, so as to reduce number of challenges, repeal of all divorce laws enacted since 1883, to increase Confederate pensions to \$300,000, the erection of monument to senator Ransom, the erection of a Hall of Records, creation of State purchasing agency, to buy for all State institutions.

Bill prohibiting the delivery of liquor to persons under fictitious names within prohibition locality passed. Bills passed to prescribe manner in which railways should speedily settle damages of freight shipments, to establish a State laboratory of hygiene, vote by which to erect hall of records, and issue \$100,000 in bonds to pay for it failed to pass Saturday was reconsidered. Bill passed second reading for enlarging the capital. Glenn reformatory bill was tabled in House. Bills were introduced to erect gales and stock law territory in Craven and change time for holding courts there. To establish dispensary at Falkner Pitt county. A bill passed to prevent fraudulent sale of merchandise in bulk.

SOUTH DAKOTA BOND

Conference Between State Representatives and New York Holders of Bonds. Possible Settlement.

Special to Journal. Raleigh, Feb. 27.—At a conference this evening about the South Dakota bond suit matter, there were present Governor Glenn, Attorney General Gilmer, The Council of State, the Legislative Committee, composed of Senators Seales and Zollicoffer and Representatives Murphy of Rowan, Caprice and Gordon, A. G. Ricard of New York, and F. H. Busbee, the last two being counsel for Schaffer and Bro. of New York, the holders of the bonds.

The matter was discussed by Busbee as to character of the claims, the history of the bonds, and how the Schaffers bought them on the Wall street market over 35 years ago. No proposition of a definite character looking to a compromise was submitted by either side.

The committee adjourned to meet tomorrow, when it is learned definite action will be taken. It is estimated that Schaffer and Brothers will accept par for the bonds, without any interest, that is for the 242 bonds outstanding, outside of those held by South Dakota \$242,000. It appears to be the judgment of the conservative element of the legislature that this proposition with amendment, in order to bring it nearer the act of 1879 which settled the State debt, will be accepted.

FIGHT FAVORS JAPANESE

Kuropatkin Falls To Keep The Japanese From Advancing.

St. Petersburg, Feb. 27.—An action of no mean proportions is in progress on the Russian flank. The advantage thus far is on the side of the Japanese, though at heavy cost. From advices from the front it is difficult to say how severe the losses have been or how decisive the reverse, and whether the Japanese are likely to attempt to drive in the Russian left flank further. General Kuropatkin evidently has been trying to establish his left flank far in advance, to command the crossings of the Taitas river, the operation being a counterpart of General Gripenberg's movement on the right flank to secure the forts of the Hun river preparatory to the breaking up of the ice in the spring. The scene of the operations is fifty miles southeast of Mukden beyond Da Paan, an important defile commanding the road to Pusan. Both armies occupying apparently impregnable positions on the centers. Gen. Kuropatkin evidently planned to inaugurate widely sweeping operations on both flanks but the Japanese countered hard.

If you want a smooth, clear complexion, take Hollister's Rocky Mountain Tea this month. Bright eyes and red lips follow its use. 35 cents, Tea or Tablets. F. S. Duffy.

BABY'S FACE MASS OF SORES

Ears Looked as if They Would Drop Off—Body Entirely Covered with Humor—Three Doctors Could Not Cure—Child Grew Worse.

CURED BY CUTICURA IN TWO WEEKS

Mrs. George J. Steese, of 701 Coburn St., Akron, Ohio, tells in the following letter of another of those remarkable cures of torturing, disgusting skin humors daily made by Cuticura Soap, assisted by Cuticura Ointment, after physicians, and all else had failed: "I feel it my duty to parents of other poor suffering babies to tell you what Cuticura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of sores, and her little face was eaten away, her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and before I had used half of the cake of soap and box of ointment the sores had all healed, and my little one's face and body was as clear as a new-born babe's. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever."

SLEEP FOR BABIES

Rest for Mothers. Instant relief and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointing with Cuticura Ointment, the great skin cure, and parent of emollients.
