Trials of Motherhood

189 Broad Street,
Philadelphia, Pa., June 12, 1905.

I suffered for nine years with ovarian troubles making life a burden to support as well as to my family. During that time I had two miscarriages and although we tried for a child to bring our home this seemed impossible. I had constant bearing-down pains in the pelvic region and a pulling through my limbs with frequent headaches. I felt sick at my stomach and had no desire to eat and no medicine helped me until I tried Wine of Cardui.

When my general health improved, the pains gradually lessened and after a week I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your kind medicine.

Mrs. E. D. Hurlinger
CHAIRMAN, DR. ANTHONY'S ASSOCIATION.

WINE OF CARDUI

Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Hurlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Hurlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?

All druggists sell \$1.00 bottles Wine of Cardui.

Woman's Nightmare

No woman's happiness can be complete without children; it is her nature to love and want them as much as we as it is to love the beautiful an

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of *Mother's Friend* so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applicable and has saved thousands of women through the trying ordeal without suffering.

Mother's Friend

Prepared by Dr. J. C. Williams, M. D., of New York. Sold by all druggists. The Druggists Supply Co., Atlanta, Ga.
