Dr. Hughes And L. H. Cutler Preparing to Erect Two Buildings.

The building fever continues in New Bern and the prospects are that there will be about as much building of residences or rebuilding going on as there has for the past two years. We have spoken of several new houses going up in different parts of the city and now Craven street comes to the front with two nice buildings which are to be erected by Dr. F. W. Hughes and L. H Cutler. Dr. Hughes will put up a two story brick structure on the lot between the Jones building, formerly occupied by the P. O. & W. Railway Co. and the Gaskill Hardware Co. store. The dimensions will be 30 by 95 feet. The ground floor will be occupied by the Southern Express Co. and it will be ready for use about July 1.

Mr. L. H. Cutler is making prepara tions to construct a two story warehouse of brick which will measure 30 by 50 feet. It will be located on the lot opposite the Journal offic.
