My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of reme-dies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged is ther came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.
