OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., April 4, 1905.

THE COUNTY'S NEW PRIMARY ELECTION LAW.

The act passed by the last legislature to regulate primary elections in Craven county, the full text of the act appearing in these columns last Sunday, is not proving so simple and easy of interpretation as it might seem to be, to the casual reader of the act.

At the meeting of the executive committees of the different city wards, there was a full discussion of the act, and as careful ruling as possible in the interpretation of the various sections as the members of the committees could give them.

Sections six and twelve were specially discussed, and to the credit of the members of the committees, their rulings on these sections were given as was thought best for all concerned in the election, voters and those seeking office.

How to comply with the full demand in the matter of sections six, as to registration, was met by making the day of primary the time for such registration, for it was seen that two or more days previous to the day of primary meant registration all on the last day, anyway, and one day instead of two or more meant saving in election expenses.

In the matter of section twelve, there has been some criticism of the committees' interpretation of that section, as the committees voted to exempt candidates for aldermen from payment of the ten dollars, as the office of aldermen was not one which paid a salary or gave anything in the shape of pecuniary reward to the occupant.

This seems a fair and just reading of the law, and yet there is the criticism that every candidate for office should be included in having to pay what might be called the entrance fee.

The Journal for its criticism would say of the act, that it would have been just well to have had the old order, that is, the election expenses paid by the city, or the same thing, the tax payers, which would have eliminated the present, as it were, personal and party aspect of the election, for the primary vote will determine the May election.

ALFRED SPEER'S SURPRISE.

Well Known Business Man Tells of Peculiar Experience.

Few business men are better known throughout the country than Alfred Speer of Passaic, N. J. Although he is over eighty-one years of age and the head of a large concern, as well as the editor of the Passaic Item, yet he found time to write the following letter, hoping that it would be of interest and benefit to our readers:

"To the Editor:—I cannot keep from expressing my surprise at the wonderful relief and benefit derived from the use of Hyomei. For some years past I have been a victim to nasal and throat catarrh, and during that time have expended a great many dollars to specialists, and had my throat sprayed, washed and smoked week after week. The first time I used Hyomei I was surprised at the change it brought. This was a few months ago, and I have used it occasionally since. It makes me so well that I often forget and neglect its use for several days, but each time when I breathe it the hawking and discharge cease and it is wonderful how it acts.

I am over eighty-one years of age, and careful not to praise anything until I know what I am about.

Respectfully yours, Alfred Speer.

The complete Hyomei outfit, including the inhaler, costs but \$1, while extra bottles sell for 50 cents. You run no risk whatever in buying it, as E. S. Duffy sells it under his personal guarantee to refund the money if it does not relieve. Ask E. S. Duffy to show you a copy of his guarantee.

Frightful Suffering Relieved.

Suffering frightfully from the most violent kind of indigestion, G. G. Grippen, of Lake Mills, took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. One of all drug stores guaranteed.

ABOUT RHEUMATISM.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by Davis' Pharmacy and F. S. Duffy.

For a Weak Digestion.

No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. CHAMBERLAIN'S COUGH REMEDY THE BEST AND MOST POPULAR.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for lagrippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by Davis' Pharmacy and F. S. Duffy.

Cheated Death.

Kidney trouble often cuts fatally; but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Ia., cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them at 60c.

In New York City there is a Deaconess Home where thirty-five deaconesses abide and engage in many lines of christian efforts. One speaks Italian and works in the Italian district of the city; another speaks and writes Chinese and teaches in schools for the Chinese. Others work among the Swedish, French and German population. Two Wesleyan deaconesses from England have crossed over to the western coast of Africa and begun work there.

N. E. M. A. Notes.

As the first day of April is over and times for "fooles" are past, we will make known to the readers of the Journal a few jokes that were passed.

The young lady students were the only ones that were engaged in such business, for if any of the cadets had even thought of fun in any manner and put it into execution, perhaps he would have been on the square for six or more hours as we have said before, "Campus duty in the spice of life," we still stick to the true statement and believe very firmly that the faculty think "it is some use."

Saturday morning when we marched in the Mess Hall we saw a very large sheet of paper suspended from the electric light, on this were very neatly made letters and by careful study we were able to spell our daily, weekly and monthly bill of fare, guess what is in please? Next all the chairs were wired together, and of course when one was pulled all at that table fell with no little noise, in fact enough to make the grits shake, hash gravy spill and the bones rattle while the Irish potatoes and cold biscuit went rolling over the floor, but we held to the desert.

Two students went home this week to help on the farm. One seems to have left a little unexpectedly as two boys were sent in hot pursuit but as luck played in the game for him the beat he went on was a few miles down the river and the two pursuants were compelled to return minus their game although it is a wonder they did not try to catch the steamer, as they love to obey orders so well, and these at the particular time were "bring that boy back to me."

Wednesday afternoon, we will have a practice game with the graded school. Friday afternoon, at 3 p. m. we will cross bats with Cove, the name is short about the team carries a long reputation as a fast country nine and all the players are home hitters, no doubt we will have all we can easily manage and the game promises to be one of the best of the season. All lovers of baseball will surely be there and root against the country "big nine". Admission 25 cents a very little sum to witness such a hotly contested game as there will be. Come all people and give us a whoop to victory.

MAKES YOU WELL ALL OVER.

Remarkable Result Wrought By The Wonderful Rheumacide.

At last a remedy has been discovered that absolutely cures Rheumatism, Catarrh, Indigestion, Constipation, Liver and Kidney troubles and Contagious Blood Poison. It accomplishes this by cleansing the blood of all the germs that cause these diseases, toning up the stomach and liver and building up the entire system.

Here is a typical letter taken from hundreds that bear similar testimony.

Baltimore, Md., Feb. 1, 1904. Bobbitt Chemical Co., Proprietors Rheumacide, Baltimore, Md.

Gentlemen:—Three years ago I was stricken with inflammatory rheumatism. During that time I suffered excruciating pain, principally in my lower limbs. My joints were stiff, swollen and inflamed. I could not straighten my limbs. Your wonderful cure, RHEUMACIDE was recommended to me and I began to take it according to directions. In a short time I began to experience the greatest relief. The soreness and stiffness was soon gone and I certainly feel thankful, Rheumacide has done me more good than all the other medicines and doctors prescriptions which I tried. I found that Rheumacide acted well on the kidneys and bowels, and I believe it will disease. I now have perfect use of myself, can work and walk as well as ever, and I attribute my cure entirely to the use of RHEUMACIDE. My friends and neighbors marvel at the change in my condition.

I send you this testimonial of my own accord without solicitation, and will cheerfully recommend your medicine to all who may write or call on me concerning this letter and the benefit I have received. I am a widow and reside at the address given below.

Yours respectfully,

JOHN S. LONG.

Dr. S. Weir Mitchell, the Great Neurologist, Warns Americans Who Neglect Their Nerves.

"In busy centers the number of deaths due to nervous causes has increased twenty per cent in forty years. One-fourth of the deaths in cities to-day are from nervous diseases."—Dr. S. Weir Mitchell.

The clean, rich nerve-force that was behind the health and happiness of thousands upon thousands is literally burning itself up like the dry stick of an empty lamp. It is the "Strenuous Life," with a vengeance.

Can men who go to their work in the morning tired and with lax spirits give to their own affairs the electric touch of confidence and power upon which success depends?

Can mothers worn out and nervous, plodding dully or ill-tempered through the routine of homekeeping, bring into the family life that precious spirit of hopefulness and happiness without which the word "home" means a mockery?

When you feel exhausted when you grow tired sooner than you should—when you lose patience with the irritating cares of daily life—when you feel discouraged—when you feel that your hopes and ambitions are not so high as they used to be—when you spend a sleepless night—when you get up almost as weary as when you went to bed—when you are weary.

These are all signs that your nerve forces are burning low.

Neglect the nerves and they will make you feel this neglect in many ways, they control all of the organs of the body and must be kept healthy and strong to do their work properly, tired nerves cannot keep the organs of the body working in that harmony which is essential to real health.

This is why Paine's Celery Compound is able to bring health in so many different forms. Paine's Celery Compound feeds and nourishes the nerves. It makes New Nerve Force. It makes pure rich blood, a clean active liver, a stomach that acts quietly and strongly upon all the food that is given to it, bowels that throw away promptly and surely all the ashes from life's engine room.

It makes the heart beat true and evenly, it makes the brain clear and vigorous.

The Nerve Force does this all, and Paine's Celery Compound makes the Nerve Force.

Best of all it makes that buoyant life-spirit, the thrill of health, that is the secret of happiness and the keynote of individual success.

Without Nerve Force there can be no health at all—no success—no joy in living.

John S. Long's case is simply one of thousands upon thousands. An average case and an object lesson to the average person.

"For nervousness and stomach troubles Paine's Celery Compound is the medicine. I was almost a physical wreck when I commenced to use Paine's Celery Compound, and now I am as healthy as any man in the world, and I owe it all to Paine's Celery Compound. The first bottle I took helped me wonderfully, and by the time the second was used I was a well man, and I can cheerfully recommend it to any one as being the best medicine I have ever used."—John S. Long, Ballard, Wash.

Try Paine's Celery Compound to-day. It braces you up at once. Take two days' treatment. See how much better you feel. See how much more easily the trials roll away.

For over 15 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, Prof. E. E. Phelps, of Dartmouth University. All reputable druggists recommend and sell Paine's Celery Compound.
