

# MALARIA A Poison Breathed into the System

The air arising from low, marshy places, damp cellars, stagnant ponds and pools and from decaying vegetable matter, as well as the gases from swamps, is loaded with germs of malarial poison. The water we drink, that has not been properly filtered and purified, is also full of these germs and microbes, and as we daily breathe and drink millions of these into the system, to be absorbed by the blood, the entire body begins to feel the effects of the poison. The most common form of Malaria is "chills and fever."

**MALARIA IN HIS SYSTEM FOR YEARS.**  
For several years I suffered with Chills and Fever, caused by Malaria in my system, and each summer for several years I would have a relapse. Finally my physician prescribed S. S. S. It cured me. I have never been troubled since. 913 W. Market St., Louisville, Ky. J. SHARPEY.

Malaria also affects the liver, kidneys, bowels and stomach, producing a chronic state of biliousness that often results in jaundice or some malignant fever. In cases of Malaria the blood must be purified before the body can regain its natural health. S. S. S. contains purifying and tonic properties possessed by no other blood medicine, and is the ideal remedy for the treatment of Malaria. It destroys the germs of the disease and builds up the weakened, polluted circulation. It enters into the blood and forces out every particle of poison and waste matter and adds strength and activity to it. S. S. S. improves the appetite and digestion, tones up the entire system by its alterative and purifying action, and Malaria, with all its bad effects, is permanently driven from the system. Book on the blood and any medical advice, without charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

## BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of "Mother's Friend," a scientific liniment for external use only, which toughens and renders pliable all the parts, and enables nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at 50 cts. per bottle by druggists. Our book of prices and values to all women sent free.
