OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., April 14, 1905.

THE APPEAL TO THE COTTON FARMER.

For several months the most strenuous efforts have been made to effect and organization that would mean something, among the farmers of the south.

This organization has been undertaken upon business and practical lines. It has not been the election of men to high positions, to send forth official bulletins but the organization has gone to the producer, the man who plants, plows and gathers the crop, and secured his co-operation and pledge, to reduce his acreage or not to force any cotton he may have upon the market, except at some price to be determined.

The effect of this work, this organizing among the Southern growers has not reached its culmination, nor can its force be determined, as a benefit to the producer until later on. One effect has been to advance the price of cotton about one cent a pound above its low figure on the crop, and the advance is maintained although there were influences exerted to force down the price.

But just at present is the season, the time for the actual test, to see if the farmer is to be true to his organization and accept and carry out the promises made to reduce his acreage for 1905.

In some sections, and among some cotton growers, influences are being exerted to induce them to not only not reduce their acreage, but to increase it, the appeal being made upon selfish grounds, and a most insidious cause this is, and one calculated to win, unless the farmer is true to his promises.

In a few weeks the result of the acreage will be known and this will show how faithful the cotton growers have been to their organization, as well as to themselves, and will tell the story very largely, as to what the price of cotton is likely to be for several crops.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine, F. H. Wolfe, of Bear Grove, Ia., cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keeps them constantly on hand, since, as I find they have no equal." All druggists guarantee them at 50c.

There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? SOUTHERNER'S GOOD FORTUNE.

Sam Hoover Finds Something Better Than Gold Mines.

There is no happier man in this whole wide world today than Sam A. Hoover, of Greensboro, N. C., who is receiving the congratulations of his friends upon his fortunate find of something better than gold mines or oil wells. Mr. Hoover in a letter to a friend in New Bern writes:

"Three months ago I was greatly distressed by nasal catarrh and entire deafness in the right ear. The labor of hawking and scraping to get my throat and nasal passages free from the foul secretions deposited there, might be about usual to that of a six mule team with a road-scraper to get the earth from the road-side to the center.

I purchased an outfit of Hyomei and Hyomei balm, and as a result of its use my head, throat and nasal passages are all free from secretions of any sort, only as Nature designed, and my hearing in both ears is nearly as acute as it ever was."

There is no disagreeable stomach dosing in using Hyomei; just breathe it and its pure fragrance will kill the catarrhal germs in the head, throat, and lungs. Hyomei balm used in connection with Hyomei, will cure the worst case of catarrhal deafness.

The complete outfit costs but \$11., and extra bottles are only 50 cents. Ask F. S. Duffy to show you the strong guarantee under which he sells Hyomei. It costs nothing unless it cures.

A Daredevil Ride often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." A PAIN IN THE SIDE Whenever there is a Pain in the Side, Rheumatism, Colds, Coughs, Weak Chest, Weak Back, Lumbago, Sciatica.

Remarkable Result Wrought By The Wonderful Rheumacide.

At last a remedy has been discovered that absolutely cures Rheumatism, Catarrh, Indigestion, Constipation, Liver and Kidney troubles, and Contagious Blood Poison. It accomplishes this by cleansing the blood of all the germs that cause these diseases, toning up the stomach and liver and building up the entire system.

Here is a typical letter taken from hundreds that bear similar testimony. Baltimore, Md., Feb. 1, 1904. Babbitt Chemical Co., Proprietors Rheumacide, Baltimore, Md. Gentlemen:

"Three years ago I was stricken with inflammatory rheumatism. During that time I suffered excruciating pain, principally in my lower limbs. My joints were stiff, swollen and inflamed. I could not straighten my limbs. Your wonderful Rheumacide was recommended to me and I began to take it according to directions. In a short time I began to experience the greatest relief. The aches and stiffness soon gave up and I certainly feel more good than all the other medicines and doctors prescriptions which I tried. I found that Rheumacide acted well on the kidneys and bowels, and I believe it will do the same for you. I now have perfect use of myself, can work and walk as well as ever, and I attribute my cure entirely to the use of RHEUMACIDE. My friends and neighbors marvel at the change in my condition. I need pay this testimonial story over second without solicitation, and will cheerfully recommend your medicine to all who may write or call on me concerning this matter and the benefit I have received. I am a widow and reside at the address given below. Yours faithfully, MARY DAVIS WEBB, 425 W. Saratoga St. Baltimore, Md. For Sale in New Bern by T. A. Hargrett and Hargrett's Pharmacy.
