## A NOTABLE PERSONAL TRIUMPH.

"This city greets Theodore Roosevelt because he is the chosen chief of eighty millions of free people; because by his sterling manhood, patriotism, and energian.

Very respectfully,

I. R. Most of us here tonight differ with him in many of his policies and po-litical convictions, and have often de-clared that he has been in political error but none of us ever has doubted the honesty of his convictions or the patriot ism of his character. In common with our fellow citizens of other political faiths we heartily welcome him within the walls of our city and the doors of our club, and express the sincere hope that his days may be long, his joys many, and his sorrows few. Here was a President, whose Republicanism stands for all his party's principles, given a great banquet by a political club, the oldest in Illinois, and one of the oldest in this country, a club which stands for the most ultra of every thing that is Democratic, yet receiving and honoring the gentleman, their guest, for himself, as well as for his being the Cash J. The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many, times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awile the relief became permanent. Mrs. V. H. lief became permanent, Mrs. V. H. # Don't Neglect Yourself.

I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five mooths ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.

His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardul I decided to try it.

I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardul I was once more a well and happy woman.
