OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., May 25, 1905.

DO PARENTS KNOW THEIR CHILDREN?

The above may be regarded as an absurd query by many fathers and mothers, but there are few parents who will answer quickly in the affirmative, if they will pause and give the query its fullest and broadest meaning.

But this query in the present instance is directed in an educational line, how many parents know anything about their children's school record, beyond that which is carried home each month or term, which gives the mere figures for attendance, deportment and studies.

How many parents know the teachers who have the absolute control and guidance of their children more hours every day, than they, the parents have? It may be accepted that teachers in their public capacity are up to every required standard of morality and mental ability to guide the children given to their charge, but how many parents know this from personal contact and observation of the methods of the teachers?

Within a few days, and the Graded Schools of this city will have completed their school year. During the past year how many parents have been sufficiently interested to attend the school and note the work and appearance of their children in the school room?

If a child is injured or taken sick, it is not hard to guess the attitude of the parent, yet here with another year passed, with every boy and girl one year older, how many parents can judge correctly of the mental development for good or evil of their children, and can apply the remedy, if one is demanded?

The teacher ought to stand next to the child after the parent. How many parents are reversing this order, and are they not to blame in the matter? It is not that the teacher may be the better or wiser director, for if the teacher or supercedes then must the parent fall in the estimation of the child.

And with the closing days of school, how many parents are going to the last exercises, to see the actual school room situation, and be able to guide the child during the coming Summer months, along ways which shall carry along the knowledge gained in the school room, to its full value for good in the home, and thus make the school and home, each balance the other for the discipline and upbuilding of a strong and pure manhood or womanhood in the child, of today.

WORKS WONDERS.

A Wonderful Compound. Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. New Bern testimony proves it.

John F. Hanff, proprietor of general merchandise store, at 80 Middle street, says: "I used Doan's Kidney Pills and they are all they are represented to be. I can also say that Doan's Ointment is the best thing that I ever used for itching hemorrhoids. I suffered untold agony with them, could not rest one moment, day or night, and I could not find anything to relieve the suffering until I came across Doan's Ointment and procured it at Bradham's Pharmacy. It relieved me at once, and acted entirely different from anything else I ever used. You could talk about this remedy for a month and it would not be like one application of the ointment. You can use my name and I will be only too pleased to recommend these remedies to anyone who is afflicted with any ailment."

Sold by all druggists. Price 25 cts. a box. -Foster-McClellan Co., Buffalo, N. Y., sole agents for the U. S.

HIP IT IN THE BUD.

First Appearance of Headed & Feathered Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowing critter of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and in time, falls out. This can be prevented.

Newbern's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send for stamps for sample to The Herpicide Co., Detroit, Mich.

An Excellent Reproduction of a REMARKABLE PAINTING

Practically GIVEN AWAY

"The Three Most Beautiful Roses by Paul de Longpre."

At the urgent solicitation of the Woman's Home Companion, Mr. Paul de Longpre, who is the greatest painter of flowers in the world, consented to make a painting of what he considered "The Three Most Beautiful Roses," and the painting is without doubt one of the masterpieces of this great artist. This magnificent picture is reproduced in all its original grandeur on the cover of the Woman's Home Companion for June. Although this cover is an accurate reproduction of a painting worth hundreds of dollars, yet the June number, which has this exquisite cover, may be obtained at any first-class news-stand or direct from the publishers for the trivial sum of only ten cents.

Mr. Paul de Longpre is justly styled the "King of Flower Painters." He not only paints roses, but every flower that grows, and is the highest authority on flowers. His paintings are found in the most select homes. Some have sold for as much as seven thousand five hundred dollars (\$7,500.00).

Artists, art critics and competent judges all agree that the covers of the Woman's Home Companion far excel those of any other magazine.

The Woman's Home Companion is a magazine which in beauty and excellence, art, stories, illustrations and fashions, etc., excels all other home and family magazines. The Woman's Home Companion is published by The Crowell Publishing Company, New York City, also Chicago, Ill., at One Dollar a year, and is the favorite magazine in nearly half a million homes, where it is read each and every issue by three million people.

A Creeping Death.

Blood poison creeps up towards the heart causing death. J. E. Stearns, Belle Plain, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at all drug stores.

Six men were killed by the explosion of a locomotive at Columbus, O.

Why Suffer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett, of Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by Davis' Pharmacy and F. S. Duffy.

One train crashed into another on the high trestle of the elevated near the bridge over the Harlem river and 20 persons were hurt.

Saved By Dynamite.

Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Ocala, Fla., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and Le Grippe. At all drug stores, price 50c and \$1.00; guaranteed. Trial 10c.

Nearly 700,000 persons have died of plague in India this year.

How to Ward off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and constitution, and when you discover that the stomach requires a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, use it. If you have a weak stomach or are troubled with indigestion, you will find this Remedy to be just what you need. Tablets for export to F. S. Duffy.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Davis' Pharmacy and F. S. Duffy.

It is ten times easier to cure coughs, croup, whooping-cough and all lung and bronchial affections when the bowels are open. Kennedy's Laxative Honey and Tar is the original Laxative Cough Syrup. Gently moves the bowels and expels all cold from the system. Cuts the phlegm, cures all coughs and strengthens weak lungs.

Ancient witchery was believed in by only a few but the true merit of De Witt's Witch Hazel Salve is known by every one who has used it for boils, sores, tetter, eczema and piles.

It is believed the injuries sustained by Empress Augusta Victoria by falling down a stairway at Wiesbaden were more serious than at first reported.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Davis' Pharmacy and F. S. Duffy.

Mrs. Mary A. Livermore, a well known author and lecturer, died at her home at Melrose, Mass. She had been ill with bronchitis but a short time. She was about 85 years old and was one of the foremost women in America.

Cleared For Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At drug stores.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

HOW GERM DISEASES START

People With Weak Stomachs in Continual State of Danger.

Nearly all disease germs that find lodgment in the system gain entrance with the air we breathe, or through our food and drink. If the stomach and digestive organs are weak, so that food does not readily digest, they will contain a mass of germs, which, as they pass through the system, will find their way to the various organs, causing disease.

National Magazine for June.

Mayor Dunne of Chicago, General O. O. Howard, Charles Warren Stoddard and Dallas Love Sharp head the list of contributors to the June National Magazine. Mayor Dunne's theme is "Chicago and Municipal Ownership," and he declares there are ninety millions of water in the stocks of the Chicago street railways that will never be paid for by the city. General Howard's paper, illustrated, deals with the Lincoln Memorial University in the Tennessee Mountains. Mr. Stoddard, in "Rudyard Kipling at Naulakha," quotes many of Kipling's letters—vividly personal and picturesque—to illustrate Kipling's methods of literary work.

Mr. Sharp, America's foremost post-naturalist, tells the story of "Little Bob of the Stone Pile," otherwise the chipmunk, with apt illustrations. Anna McClure Shells great serial, "A Comedy of Masks," ends in this number, and another serial, "Michael Ryan Capitalist," by F. F. B. Albery, is begun.

There are short stories by Mary A. Clarke, Henry L. Kiner, Crieg Lapham A. Decker, Richard S. Graves and J. F. Conrad, and poems by Henry L. Kiner, Elizabeth Ashmun, Samuel Lover, Wallace D. Coburn, Emma C. Dowd and James Ball Naylor.

"Affairs at Washington," by Joe Mitchell Chapple, lavishly illustrated with portraits of current celebrities; "The Home," a miscellany of helpful hints; a witty review in verse of Haecel's "Wonders of Life," by "An Ignoramus," and the "Cowboy Poet's" unique sketch of the "Cowboy Artist"—the famous Chas. M. Russell—are among the many other features of the best number the National has ever sent out.
