RALEIGH.

Four Post Office Inspectors at Federal Court.

Survey For Electric Lines. Odd Fellows Lodges Increase. Interest Improves. Meet Burg Quiet. To Louisville Reunion. Test Farm Location.

Raleigh, N. C. June 8.—Four post-office inspectors are here, it being rather unusual for many to be present at once. The Federal court with a number of minor post-office cases and a rather important one against J. C. Powell of Norfolk is the cause of their presence. They are Messrs. Reddy, Robinson, Buck and Davis. On Saturday a fifth will arrive Mr. Hayes.

A survey is in progress some miles east of here, a little to the northward of the Seaboard Air Line and Southern Railways which it is said is for the electric railway between Raleigh and Durham. It has been the general belief that this road would run by way of Eagle Rock, this county, but it may go another way.

Grand Secretary B. H. Woodell of the Grand Lodge of Odd Fellows says the order continues to grow and that since the annual meeting of the Grand Lodge last month new lodges have been formed at Cornelius in Mecklenburg county, Calhoun and Andrews in Cherokee and Buck Creek in Watauga, and that good progress is being made along every line.

Mr. B. C. Beckwith, a member of the State Board of Internal Improvements was asked today what the Board was doing. He replied, "Nothing just now nor is much apt to be done until the new code or revision becomes effective, August 1st. Until then we have powers will be very much enlarged and we will have jurisdiction over all the institutions of the state, educational, penal and charitable, as well as over the property of the state, excepting institutions like the University where there is no charitable feature. The University is a constitutional institution and the Governor really has charge of that anyhow."

State Auditor Dixon left this afternoon for Burlington to deliver the address at the closing of the graded schools of that thriving town.

Commander A. B. Stronach of the local camp of Confederate veterans is notified that the Franklinton camp will accompany him to the Louisville reunion going via Richmond. As has been stated the Greenville county camp will also go with the Raleigh camp.

Last night President W. D. Cooper of the Wilmington Merchants Association was here and had a conversation over the telephone with Commissioner of Agriculture Patterson regarding the location of the truck and berry test farm. This has been located at Williard's. Mr. Cooper wants it located at Wilmington. Mr. Cooper also spoke to Governor Glenn about this matter, which was brought up a few days ago by editor Whitehead of the East Carolina Truck Growers Association paper, as has already been published.

London, June 8.—A British submarine sank outside of the Plymouth break-water this morning. Four men were saved and fourteen were lost the crew and officers numbering eighteen. Three explosions were heard from the stern before the submarine had foundered. Two divers were secured while the submarine was proceeding to sea for practice accompanied by another submarine and torpedo boat. Two and a half hours elapsing proceeded to the surface.

OFFICER MONTAGUE SHOT

While Endeavoring To Make an Arrest, is Wounded in Shoulder But the Injury Will Not be Serious.

Police officer, R. P. Montague was shot and painfully injured Wednesday night by a colored man named Isaac Farrow upon whom he was about to serve a warrant. The crime was committed between 12 and 1 o'clock.

The authentic story told by Mr. Montague is as follows: Two nights ago while on duty at Five Points a negro named Moses White came to me and told me Farrow was cursing, abusing and threatening people. He was especially ugly toward some women. White came to me last night and asked me to put Farrow under arrest as he was again growing violent and he was afraid he would do some damage. I got two farmers to assist me and we went to the house of Irene Hobbs located on Blood street between Kilmarnock and Carmon streets. I stationed my assistants at the back door and I went in the house and asked for Farrow. A woman told me he had gone to a house on Kilmarnock street, but a man said he had not gone but was sitting on the bed. I advanced to arrest him but at that instant some one blew out the lamp and fired a pistol, the ball hit me. I tried to grapple with him and hit his arm, pushing it up. The man fired a second shot which went wild. One of the men in the house knocked one of the white men waiting outside down with a chair and all the inmates made their escape in the darkness.

Officer Griffin who was on duty down town went to the assistance of the wounded man and did everything possible for him; he was removed to Dr. Primrose's office and the wound dressed. An attempt to probe for the ball was made yesterday but it was unsuccessful. The wound is in the right shoulder and no serious result is anticipated by the physicians, Dr. Primrose and Dr. Caton, the latter the city physician. He is doing as well as can be expected.

The man Farrow lives in Wilmington but has been working on the P. O. & W. railroad. He is said by his employers to be a quiet man while work but he has the reputation of being a terror when his anger is stirred up. Farrow is still at large but the police hope to get him soon. The city authorities have offered a reward of fifty dollars for his capture.

The other negroes who were in the house beside the Hobbs woman were Robert Hatch and Hattie Venters and one or two others whose names are unknown.

AN UNEXPECTED VICTORY.

After Half the Game Had Been Horse Play. New Bern Got Together and Won Out.

Out of the jaws of defeat the New Bern base ball team snatched an elegant victory from the Fremonts in the first game played yesterday. The attendance was large the enthusiasm which at the first was at about 32 degrees—a veritable frost. But soon the rosters got busy and their help was great encouragement.

There could not have been a much surer exhibition of the great national sport than the first five or six innings were yesterday. One could easily imagine schoolboys or even infants putting up a better article than did the New Bern aggregation. On two or three occasions when the field made a mighty fumble or some of the infield thought that he was throwing at the cat instead of playing scientific ball the crowd was on the point of rising up and crying "give us back our money, when we want to see kids play we'll go to the Academy Green." It really was too bad, but after the fifth inning the team played better and came to the support of John Patterson, the pitcher, who was the sole living member who played the game through.

John Patterson made good use of the spit ball fetching his victim everytime. He showed good head work—also and had, he been given the support due him the game would have been a good deal better.

In the seventh inning the tide of battle turned and the home team fell on the Fremonts pitcher and hit him hard and often running in three scores. It was easy thereafter to get the game.

Another game will be played this afternoon and we believe it will be a tight worth seeing. The players show each other well and it is a fair field and no favors.

Following is the score of yesterday's game:

New Bern	12 3 4 5 6 7 8 9
Fremont	1 2 3 4 5 6 7 8 9
New Bern	0 0 0 1 1 2 2 2 4

FOR WOMEN AND WOMEN ONLY

Much That Every Woman Desires to Know About Sanative, Antiseptic Cleansing and the Care of the Skin, Scalp, Hair, and Hands.

WHAT CUTICURA DOES FOR WOMEN

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment, and Pills in the antiseptic cleansing of the mucous surfaces, and of the blood and circulating fluids, thus affording pure, sweet, and economical local and constitutional treatment for weakening ulcerations, inflammations, itchings, irritations, relaxations, displacements, pains, and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength, and beauty to weary women, who have been prematurely aged and invalided by these distressing ailments, as well as such sympathetic afflictions as anaemia, chlorosis, hysteria, and nervousness.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made Cuticura the standard humour remedy of the civilized world.

TORTURING HUMOR

Cured by Cuticura.

"I suffered five years with a terrible itching eczema, my body and face being covered with sores. Never in my life did I experience such awful suffering, and I longed for death, which I felt was near. I had tried doctors and medicines without success, but my mother insisted that I try Cuticura. I felt better after the first application of Cuticura Ointment, and was soon entirely well. Mrs. A. Eton, Bellevue, Mich.

A JAPANESE MUSICAL.

A Unique And Charming Entertainment at the Hotel Chatawka.

The music pupils of Miss Lucy Odell gave a most delightful performance at the hotel Chatawka Wednesday night which had some distinctly unique and pleasing features and which at this time of world wide interest in the sunrise kingdom—Japan, were quite appropriate. The participants were all dressed in Japanese costumes and the Japanese ideas in dress was cleverly and thoroughly carried out; even the music, especially the vocal pieces had a suggestion of orientalism that was not at all out of place.

The performance from an artistic standpoint was very clever and the young ladies all showed individuality in their playing which is rarely heard in amateur musicals. The vocal pieces were rendered with the same evidence of training and care that the instrumental performances were. The evening was thoroughly enjoyed by all present. Following is the program as rendered:

- 1 Karana—Chorus.
- 2 Piano Duet, Mardi Gras—Misses Kelly and Pugh.
- 3 Vocal Solo, Japanese Lullaby—Miss Laura Piggott.

Marriage at Newport.

On Wednesday afternoon June 7th, a beautiful wedding was celebrated in St. John's Methodist Episcopal Church South. The contracting parties being Miss Daisy Daughy of Newport and Mr. Walter Venters of Oriental, N. C. The holy rites were solemnized in a most impressive manner by Rev. W. A. Piland.

The church was tastefully decorated, the bridal couple standing during the ceremony under a floral arch. The bride was handsomely attired in a cloth travelling habit, with a bouquet of white jasmynes. Messrs. A. L. Newberry and C. Rogers acted as ushers, and little Misses Lizzie Rogers and Estelle Mann as flower girls. Appropriate music was rendered by Mrs. White.

Immediately after the ceremony a large number of friends assembled at the depot, where amid hearty congratulations and showers of rice, the newly married couple embarked for their wedding tour on the 5 o'clock north bound train. Their future home will be at Oriental.

The youthful and charming bride is a daughter of the late Jordan Daughy of Newport. The interest and pleasure manifested at large, over the happy event, and the numerous costly gifts attest to the popularity of the young couple. A long life of happiness and prosperity to them, and a smooth voyage on the matrimonial sea.
