FLAG RETURNED

From Detroit to Governor Glenn.

State Charter. Hearing for Colored Normal Schools. Well Known Traveling Man Dead. Rogers Bearing His Imprisonment Bravely.

Raleigh, June 19.—Governor Glenn has received from ex-captain E. F. Bates, U. S. A. Detroit, Mich., a North Carolina flag, which is stated in the letter was taken near Ft. Fisher at the time of the capture. This flag is to be sent to the Governor, and details of its capture will be sent with it. It will be placed in the Hall of History.

The State charters the Finlowrie Cotton Mill at Spray, capital stock \$125,000. F. V. Hall, C. C. Lashley and S. H. Marshall being the stockholders.

On Wednesday the Governor goes to Wilmington, to make an address at the dedication of the building which Col. Walker Taylor has erected for the Boys' Brigade.

Today there was a session of the State Board of Education, Governor Glenn presiding, to consider the matter of the consolidation of the four negro State Normal Schools. Messrs. Henry L. Cook and N. A. Sinclair appeared in behalf of the retention of the school at Fayetteville, B. E. Smith, G. P. Thurston and G. P. Wilkerson, all influential colored men there, made arguments in favor of retention.

A gentleman who arrived here today from Fayetteville brought the news of the death of Mr. Edward W. Overbaugh, a well known young traveling man who died yesterday in the Highsmith Hospital of Bright's disease. He also brought news that a new train had been put on what is known as the Bennettsville branch of the Atlantic Coast Line to Sumpter, S. C.

Judge Purnell left yesterday for Wilmington to hold term of the Federal court. It is expected that the prisoners convicted there will be brought here and added to those convicted here during the past two weeks, and that then all will be taken to various prisons. Five, including J. B. Powell to go to the Atlanta penitentiary, a woman, Victoria Moore, from Wilson goes to the Nashville penitentiary for taking a letter from the postoffice and destroying it, and one young criminal goes to the reformatory at Chatham, Maryland.

J. Rowan Rogers, ex-sheriff of this county, who is in jail to serve thirty days for contempt of court and embezzlement in the Gattis-Kilgo case, bears his imprisonment with his usual bravery. He was a gallant Confederate soldier, being a Lieutenant when the war ended. If this had been a fine imposed his friends would no doubt have paid it, and he did not wish to be under obligations to them. The question is being asked whether this case will go any further. The next grand jury may bring indictment, each contempt case being a misdemeanor and grand jurors have power to act in them.

THE VETERANS RETURN.

They Report One of the Largest and Best Reunions Ever Held.

The Confederate veterans and Daughters of Confederacy who went to Louisville, Ky., to attend the reunion, returned yesterday morning and report a most delightful time. They cannot speak in too high terms of the reception and entertainment they were accorded by the Kentuckians whose reputation for hospitality is proverbial. The time when not taken up by the deliberations of the organization was given over to amusement and jollity.

There were many features to show the welcome extended by the people of Louisville and also of the State of Kentucky. Prominent among these were the decorations which alone must have cost many thousands of dollars. The electrical display was magnificent and marvelous, the forms were very beautiful and unique.

Another feature of the reunion was that all the local young women who were interested in the entertainment of the veterans wore the ribbons upon which were printed the words: "Kentucky's Best Product," a proposition to which, all the New Bern people agreed.

A more satisfying report can be obtained from an interview with those who went.

Following are the names of the persons representing New Bern:

Mr. and Mrs. J. J. Wolfenden, and daughter, Miss Mary; Mrs. J. L. Harrisfield, Miss Isabel Bryan, Messrs. S. R. Street, J. W. Biddle, W. B. Lane and J. W. Wooten. Mr. Biddle stopped off at Durham and returned last night.

REV. BRADSHAW'S FAREWELL.

He Closes A Four Year Pastorate of The Presbyterian Church.

Rev. H. S. Bradshaw ended his pastorate of the Presbyterian church last Sunday evening and preached an appropriate sermon on that occasion.

His text was taken from Acts 20-32, "And now, brethren I commend you to God, and to the word of His grace, which is able to build you up, and to give you an inheritance among all them which are sanctified."

The sermon contained earnest exhortations to righteousness making the character of Paul the example of all Christians. The apostle's gentleness, his firmness and his power were traits to study and acquire and it should be the aim of every Christian to follow Paul as he did the great Master.

After the sermon Mr. Bradshaw announced that his service as pastor of the church was ended. He expressed regret at leaving the pastorate and thanked the members for their cordial sympathy and help at all times. He said that the step had not been taken without due consideration and prayer and that circumstances over which he had no control made his removal necessary.

Mr. Bradshaw and his family will make their departure for Hillsboro, their new home, Wednesday morning.

RUSSIANS ROUTED.

Japanese Enfolded Lines Force Their Enemies Back.

Tokio, June 19.—Field Marshall Oyama is pushing his army toward a general engagement and is driving the Russian cavalry from their outposts before him in confusion. In the second rush upon the Russian positions the Japanese line was extended ten miles with the whole force following the railroad in its general direction between Chyang ane on east and Mersu river on the west. Along the four roads running parallel with the railway the Japanese columns three by each road were advanced. They met the hardest fighting on the extreme left, where General Mischchenko, with five thousand cavalry and twenty guns, met the Japanese, but this force was finally routed and retired in great confusion.

TWO FINGERS CUT OFF.

Electric Blades Get in Touch With a Band Saw and Suffers a Serious Accident.

Ezekiel Blades, the son of the late Mr. Peter Blades and living with his uncle, Mr. James Blades was the victim of a serious accident yesterday morning, resulting in the loss of two fingers and the mutilation of the other two fingers.

The lad was working near a band saw at the Congdon mill and in some way he came in contact with the saw which did the terrible execution. The third and fourth fingers were taken entirely off, the right hand between the first and second joint, the other fingers were fearfully lacerated but it is believed they will be saved.

The wounded boy was brought down to Dr. R. DuV. Jones office where due attention was given him. Dr. Jones was assisted by Messrs. J. F. Patterson and Walter Watson.

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

Mrs. I. B. Jones, Addington, Ind. T., writes: "My little girl had been suffering for two years from eczema, and during that time I could not get a night's sleep, as her ailment was very severe. I had tried so many remedies and spent so much money, deriving no benefit, I had given up all hope of making any cure. As a last resort I was persuaded to try Cuticura, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication, hoping it will assist other sufferers in curing themselves."

COMPLETE TREATMENT

Consisting of Cuticura Soap Ointment and Pills.

The first step in the treatment of chronic Eczema is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. Dry carefully and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent Pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.
