OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., June 24, 1905.

JUSTICE NOT ENTIRELY BLIND.

Following the conviction of Rogers and Sorrell in Wake county for tamper ing with jurors, comes the news from Charlotte of the conviction and sentence of the rich Salisbury distiller, Arey, who was charged with defrauding the government out of large sums of money through failure to pay the tax on his rectifying plant out put, and shipping the same without paying any tax on the

Arey was given one of two choices of \$24,000 the amount found which he had defrauded the government in taxes, imprisonment for three months and the payment of \$200 fine and cos's of the case, or secondly go to the Federal penitentiary for five years, pay \$5,000 when you feel a pain in your bowels fine and the costs

will accept the first sentence and already such as headache, billiousness, costive paid \$5,000 to the clerk of the Federal ness, etc. Guaranteed at at druggist, only 25c. Try them. court, and the balence will be paid before court convenes in Greensboro in Oc subject to heart trouble, and imprison- exposition from Eureka, California, ment at this time might produce seri-distance of about four hundred miles. ous effects, therefore the jail part of the sentence has been deferred until October term of the Federal court.

Even in these what might be called isolated instances of punishment being public morals.

In the Arey case, his wealth was not protection, as is too often found, when the rich are brought before the law. Here is not mere making good the defrauded amounts, but fine and the diszens.

Once establish the fact, by actual sentence, that the laws are for offenders, no matter what their degree of birth or financial standing may be, and that offenders will receive their just sentence by the court, and same will be developed a carried out, there will be developed a more strict observance of the laws, as will be seen by the commonstrated baselines. Cate from Mrs. Minnie Jacobs of Houssian Diarrhoga.

Cuban Diarrhoga.

Ly. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoga is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon in San Francisco, shot nine persons and finally killed himself. sentence, that the laws are for offendwealth and society.

Dying of Famime

is, in its torments, like dying of consumption. The progress of comsump-tion, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Cearfoss, Md., "after trying different medicines and a good doctor in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all Druggists, price 50c and \$1 a bottle.

There is more Catarrh in this section put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has groven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Taledo, Onio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a temperature of the system. They offer one kendred doctors for any case it tails to cure. Send for chronium and testiments.

Asthma Sufferers Should Know This.

Foley's Honey and 'Tar cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until nedical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one fifty cent bottle entirely cured me of asthma which had bee growing on on me for twelve years, and if I had taken it at the start I would have been saved years of suffering."
