POSSIBLY ANOTHER INDICTMENT.

Against Rogers. Attempt To Make Him Speak Freely Likely To Fail.

Raleigh, July 19.—It appears to be understood that there will be fresh indictments against Rogers certainly. A newspaper wants Rogers forced to tell what he knows, but people who know the man say that is a hard proposition—in other words that he is not one of the telling kind. It is contended that of course he does know who induced him to want to see certain jurors and that he did not do this out of friendship for Kilgo, who did not even know him, so the latter swore, but on the other hand the friends of Rogers, who have known him as a soldier and a citizen says he does not mind punishment but was never known to betray anybody. They admire this trait very much indeed.

Of course it is well understood, now that no further efforts will be made to secure a reduction of his sentence of six months in jail. He broke down when sentenced—but that was not on his own account but on account of his family, which is so much esteemed here. Mr. Rogers is a brother of the late congressman Sion H. Rogers. Every day since he has been in jail he and Sorrell have been supplied with the best food, from a private table. Some persons want such a punishment put upon Rogers as will force him to tell everything, but the question comes up whether anything might be imposed, could make him "peach." Rogers has assumed the entire responsibility and offered, in fact begged to be allowed to take the punishment both for himself and for Sorrell. Of course there is no telling what will be done as to this matter. It is but frank to say that if one listens to street talk it would quickly be surmised that several lawyers were concerned in the matter, but further than mere talk nothing has yet developed. Dame Rumor has certainly been busy about this case and for the past nine days few things have been so talked about here.

Harlowe And North Harlowe.

July 19th.
Pleasure seekers and business men were numerous last week at North Harlowe. We find on the register of hotel "Bees" Thomas Windley of Trenton, N. C., Messrs W. A. Parker, N. Parker, Dr. Rowland, Douglass, Ellington and Glenn, of Raleigh, Mr. George Henderson of New Bern, Mr. George Conner, of Thurman, Messrs Davis and Land of New Bern, W. Hasket of Newport and W. Bateman of Plymouth.

Miss Flora Fox of Ellas City, arrived last week and is making a visit to her school friend Miss Rosie Mason.

Mrs. V. J. D. Jenkins and children of Atlanta, Ga., are making a usual summer visit to her old home at Mrs. A. F. Bell.

Mrs. Dula Salter and baby, and Miss Sadie McLeen of Merrimon, spent the day with her aunt, Mrs. M. E. Bell last week.

Many of our people attended the protracted meeting at Oak Grove last week, right much interested, was manifested and all seemed pleased and built up by the able discourses of the pastor, Rev. W. A. Pland. The meeting closed Sunday night.

Mr. J. Harry Davis and son, Joel, who have been at Seven Springs for their health, returned home Saturday night.

Mr. and Mrs. Alex Dennis of Bogus, have been making a short visit to Mrs. J. C. Long.

Messrs George and Randolph Willis spent Sunday here, returning to Morehead on their nuptials in the afternoon.

On last Saturday, the 15th instant, the angel of death relieved from further suffering, that patient and loving mother, Mrs. Sarah Gible, who survived her husband, the late Samuel Gible, many years. Her remains were taken to Russell's Creek, Sunday, where they were interred by his side, where she will await that only son of hers Denard, who has been such a comfort and companion to her during all of these years of widowhood. May their final lives in the sweet beyond, when he goes hence, be one of joy, which will not be marred by the afflictions of this world.

Miss Bonnie Mason accompanied by her friend, Miss Flora Fox, made a trip of pleasure and business to New Bern Tuesday.

Dr. C. H. Mason spent a day and night with his father in Beaufort last week, we regret his father's continued poor health.

Mr. A. J. Barbour spent yesterday in Clinton on business.

Justine Adams, Esq. is in New Bern today on business.

Miss Beulah Martin was in New Bern making purchases and seeing friends Tuesday.

CHANGE IN U. S. COURTS.

Now Its Top Hat. Mr. Bruner On Two Cops milites At Portland Exposition. Delinquent Corporations.

Raleigh, N. C. July 19, 1905.—The excessive heat now prevailing, following the ten days of rain will do damage unless there is rain very soon. It is the hottest weather of the summer with the exception of the fourth of July.

Judge Purnell of the United States District court has made some changes as to the New Bern and Washington divisions. By this change the New Bern division is composed of Craven, Pamlico, Carteret, Jones, Onslow, Lenoir, Greene, that part of Wayne east of the Atlantic Coast Line Railway and that part of Beaufort and Pitt counties except Greenville on the south side of Pamlico and Tar Rivers. The Washington division is now composed of Hyde Martin, Beaufort and Pitt north of the Pamlico and Tar Rivers, including Greenville.

The Forest Furniture Company of Wilkesboro is authorized to issue \$15,000 of preferred stock. The Cullowhee Mining and Reduction Company is authorized to change the number of its Directors.

It is found that clerk Norwood of the Secretary of State's office and his son also have typhoid fever. Both are extremely ill.

T. K. Bruner is appointed on the Finance Committee and the resolutions committee of the National Food and Dairy convention which is in session at the exposition at Portland, Oregon.

State Auditor Dixon a few days ago sent out a circular letter which was well calculated to stir up delinquent corporations which had been failing to make the reports which they ought to have had in his hands by July 1. A very plain threat of a fine of fifty dollars and an addition of three per cent to the capital stock to be taxes, has brought a flood of reports from the auditor, much of whose desk is covered by these today. He finds that the banks are now behind hand with their reports to a very considerable extent no less than thirty five of these, state and national having failed so far to send in reports. To these delinquents some of the same kind of medicine is to be given.

A Complimentary Sale.
Miss Sarah Meadows gave a very pleasant affair on the launch, Sappho, last evening in honor of Miss Jessie Burnpaa of Raleigh. About 30 were in the party and all had a most enjoyable time.

TWO PRIZES, ANYWAY.

Atlantic Engine Surprises by Winning Long Distance.

Great Crowd and Splendid Entertainment. Hose Wagon Run Good But Howell Fell at Hydrant. Boys Expect to Win in Reel Race. Records Made.

Winston-Salem, N. C., July 19.—The tournament is a grand success. The weather is extremely hot. The large crowd and entertainmen is all that could be asked for.

The parade today was over a mile long, the Winston-Salem department occupying about one third, with all her apparatus out. Three bands were in the parade, the Salem Boy Band of 30 pieces, the Winston cornet band of 25 and the Danville band of 25 pieces.

Immediately after the parade the engine contest took place in Salem Square. The Atlantic went third and took her time, and threw water over the mark fully 25 feet; and held it there. They took no chances this year to be ruled out. Our long distance throwing surprised our boys, winning from Elizabeth City by 10 1/2 inches.

Elizabeth City worked hard, but of no avail, our Silsby, with the famous Siamese nozzle, did the tri k.

The hose wagon race was a most exciting one in years, there being twelve entries. New Bern's horse made a fine run, but Howell fell at the hydrant. Goldsboro's mark of 32 4-5 held until Durham ran, which was last, and when the time was announced bedlam broke loose.

Our boys look forward tomorrow with confidence and believe they will win some money in the hand reel race.

DAWSON.

In quick steaming contest time was Rocky Mount, 4.40. Charlotte 5.35, Atlantic 3.17 3-5, Elizabeth City 3.08 2-5.

In long distance, Rocky Mount, 221 feet, Charlotte 208. Atlantic 340 feet 11 inches. New Bern wins \$30 and \$50 respectively in above.

In a horse hose wagon race score was as follows: Goldsboro No. One, 33 4-2 Elizabeth City 34 4-5, Fayetteville 41 1-5 Rocky Mount 41 3-5, Kinston 43, New Bern 43 1-5, Henderson 40 4-5, Capitol Raleigh, ruled out, Concord, ruled out, Rescue, Raleigh 34, Eclipse, Goldsboro 33 4-5, Durham 32 2-5.

Asheville was the place selected for the tournament in 1906.

John Wesley's Wife.

John Wesley married a widow, Mrs. Vizelle, who grew tired of his restless, laborious life and complained. He paid no attention, and from complaint she went on to jealousy, thence to fury. He rebuked her sternly: "Do not any longer contend for mastery, for power, money or praise. Be content to be a private, insignificant person. Of what importance is your character to mankind? If you were buried just now or had never lived, what loss would it be to the cause of God?" She left him, taking with her a large number of his private papers, and he dismissed the subject by writing in his journal: "I did not forsake her. I did not dismiss her. I shall not call her back."

The Moral Withheld.

We copy from an exchange a story with a moral so loud that it is fairly deafening. We have not thought it necessary therefore to make a moral. We will let the reader pick it out for himself.

"A man who was too economical to subscribe for his home paper sent his little boy to borrow the copy taken by his neighbor. In his haste the boy ran over a 34 stand of bees and in ten minutes looked like a warty summer squash. His cries reached his father, who ran to his assistance, and, falling to notice a barbed wire fence, ran into it, breaking it down, cutting a handful of flesh from his anatomy and ruining a 35 pair of pants. The old cow took advantage of the gap in the fence and got into the corn field and killed herself eating green corn. Hearing the racket, the wife ran, upsetting a four gallon churn of rich cream into a basket of kittens, drowning the whole flock." In her hurry she dropped a 36 set of false teeth. The baby, left alone, crawled through the spilled cream and into the parlor, riding a 37 carpet. During the excitement the oldest daughter ran away with the blood money, the dog barked up eleven setting hens, and the calves got out and charged the tails off four sheep.
