### TWO MONUMENTS

To be Erected at Chickamauga for 39th Regiment.

Supreme Court Report Printed. Only Fair Tobacco Crop in Wake. Wants John Paul Jones Made Full Admiral. Claud Bernard to Return Next Month.

Raleigh, July 24.—The State authorizes the Greensboro Electric Company to increase its capital stock from \$250,000 to \$500,000, the additional issue being of preferred stock. John Kerr is the president of the company. A charter is granted the Rayhan Ginning Company of Robeson county.

Judge Marvin Kittrell of Texas spent yesterday here and today went to Asheville accompanied by his cousin, Solicitor Armistead Jones of Raleigh. There are 65 such judges in Texas. In one case, at Fort Worth, there are two of them in one county.

The funeral of Miss Mary Mackey was held here yesterday afternoon and the body was taken to Edisto Island, S. S., for burial.

The seventy-first North Carolina Supreme court report has been re-printed and is bound in cloth instead of leather it being said that cloth stands better the heat of the library. About twenty reports are now to print. It is said a book dealer has bought up all the copies of the 120th to be had and a reprint of this will be made later.

The tobacco warehousemen here when asked about the crops said that it was only fair in this section and that there had been too much rain. A man who has many bee hives near here says that the frequent rains have had the effect greatly reducing the honey crop and that it will be poorer than in many years.

A Raleigh man wrote a letter a few days ago to President Roosevelt asking, in it to appoint the late John Paul Jones, whose body has just come home to America a full Admiral. In reply the President says that Congress alone can do this. The writer of the letter says he believes the President will ask Congress to take this step.

The unpaved walks in the Capitol Square to be laid with brick, the latter to be furnished by the penitentiary. The work is very greatly needed.

Friends of Claud Bernard say he is at Old Point, his wife and children being with him and that they will all return here quite early in August. He said the reason Bernard did not come back here directly after the trouble began was that he would be shot but that now there was no danger of this. They claim that there will be no criminal suit brought against Bernard but only the civil already instituted.

Judge Clark, ex-Judge Avery and Judge Hill recently made a visit to the battle field of Chickamauga where in September, the State will erect two monuments, both to the Thirty Ninth Regiment, one at the point where it captured a Federal battery and the other at a point where it went further to the front than any other Confederate troops. Fortunately the flag of the 39th is here, being among the collection returned by the War Department and your correspondent expects to return it to the celebration as he took the flag of the Bethel Regiment at Bethel and at Appomattox.

There was a very great audience at the church of the Good Shepherd yesterday to witness the ordination of Rev. Samuel M. Hanft. The sermon was preached by Dean Baldwin of Greensboro. The rector of the church, Rev. Dr. Pittenger presented the candidate, Rev. Dr. DeBose, rector of St. Mary's Female assisted in the service; as did also Rev. James B. Simmons of Burlington. Mr. Hanft will act as rector of the church of the Good Shepherd during the absence of Rev. Dr. Pittenger.

Col. Dan Lamont, Dead.

Poughkeepsie, N. Y., July 23.—Col. Daniel Lamont, Secretary of War under President Cleveland, died at 9:15 this evening at his country residence, at Millbrook, Dutchess county, N. Y., after a brief illness. Heart failure was the cause of his death.

Bomb Throwers Again Active.

Tifton, July 24.—An official report sent to St. Petersburg today announces that five bomb throwing outrages occurred at Tifton last week, where eight officials were killed and fourteen injured. In only two instances have bomb throwers been arrested.

Value of New York's Parks.

The chief estimator of the board of estimates and appointment of New York city gives the value of the parks in Manhattan at \$22,000,000. They cover 1,442 acres. In Brooklyn there are 1,001 acres, valued at \$42,000,000. The Bronx has 3,270 acres, worth \$21,000,000, while Queens and Richmond have 620 acres, valued at \$2,000,000. This gives a per capita investment in the parks of \$77.50.

Stokes Hollister's Rocky Mountain Tour. He is entertaining the public, and it is expected that he will bring back many interesting facts of the trip. He is expected to arrive in New Bern on Monday.

### SECRET ASSAULT CHARGED

Policeman Isaac Rogers For Shooting John C. Dockery. The Case Continued to August 15.

Special to Journal.

Raleigh, July 24.—There was a hearing here today of the notable case of the State against policeman Isaac Rogers who a month ago shot and wounded Deputy U. S. Marshal, John C. Dockery. Attorneys for Rogers moved that he be admitted to bail. Only one witness was introduced.

Dr. Hubert A. Royaster, who said Dockery was sitting up two thirds of the day, temperature and pulse normal and his condition good, and as far as the two bullet wounds was concerned he was out of danger. The state asked that the warrant against Rogers be so amended as to charge him with secret assault. The defense announced that Rogers plea would be self defence and his would be proved, and insisted the first assault was made upon Rogers by Dockery, as Rogers came from the office of his physician, whom he had consulted regarding a member of his family. The magistrate allowed the warrant to be amended so as to charge secret assault and fixed the bail at five thousand dollars though the State wanted it made \$10,000.

The State announced it was not ready to now go into a hearing because of the absence of James H. Poy its most material witness. The preliminary hearing was set for August 15th and Rogers gave bond until that date.

The fire was held under control all the afternoon but to be an to spread later and twelve tanks are doomed. Fifty men were surrounded by the flames and their fate is unknown. The loss up to midnight a night was full a million barrels of oil, and at least forty mules were cremated drivers abandoning them when they began working, digging new tanks.

### Japs Land Near Vladivostok.

St. Petersburg, July 24.—The correspondent of The Novos Vremya with the Russian Eleventh Army Corps, says that Japanese torpedo boats during a thick mist and rain approached several bays near Vladivostok and that they sent a landing party ashore in the Gulf of Gashkevitch, near Possiet Bay.

### WONDERFUL CURE OF SORE HANDS

By Cuticura After the Most Awful Suffering Ever Experienced

EIGHT DOCTORS And Many Remedies Failed to do a Cent's Worth of Good

"I was troubled with sore hands, so sore that when I would put them in water the pain would nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything, but could get no relief. I tried at least eight different doctors, but none did me any good, as my hands were as when I got through doctoring as when I began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings, to think I had to go to work and stand the pain for ten hours, I often felt like giving up my position. Before I started to work I would have to wrap every finger up separately, so as to try and keep them soft, and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves; in fact, I had to wear gloves all the time. But thanks to Cuticura, that is all over now."

CURED FOR 50c.

"After doctoring for three years, and spending much money, a 50c box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment."
